PICS AND STORIES - NORTH AMERICA

[Back]

Fishing in Fraser River

ANGLER: Anders H. Thomassen
SPECIES: White Sturgeon
HOOK: 10829BL size 9/0
LOCATION: Fraser River, British Columbia, Canada

Fishing in Fraser River, the largest free flowing river in North America. This White Sturgeon was caught on a Mustad Big Gun Bait hook ref. 10829BL size 9/0. After the photo was taken the sturgeon was released.

The joy of fishing
 Chuck Reynolds, Anders H. Thomassen and our fantastic guide, Keith Boulanger.

For more info on fishing this fantastic river:

MUSTAD NEWS - SLOW DEATH HOOKS

A PERSPECTIVE ON PERFECTION.
 By Gary Parsons
 National Troutmaster Fishing Hall of Fame Legendary Angler

IN THE MID-80S A CLOSE GROUP OF WILDEST PROS WERE CONSIDERING TECHNOLOGICAL REVOLUTION WITH A NEW TECHNIQUE CALLED SLOW DEATH. INCREDIBLE ACTION WAS BEING ADDED TO LIVE BAIT PREPARATIONS BY BENDING HOOKS IN A CIRCULAR PATTERN. WHEN IT WAS SOMETHING SPECIAL, BUT BECAUSE I COULDN'T SWIM IN THE BASSIE HOOK HOLE, I WAS GETTING REALLY FRUSTRATED WITH RESULTS. WORKING WITH THE MUSTAD PRODUCT DEVELOPMENT TEAM, KEITH AND I SPENT COUNTLESS HOURS TESTING HOOK BENDS, UNTIL WE REFINED A HOOK DESIGN THAT ANYBODY COULD BEND EFFECTIVELY.
