Fly Tying Tools and Accessories

*Tools and Accessories that fit.*

**Welcome to STONEFLY®. Affordable fly tying tools and accessories for every shop, every bench and every streamside in the USA.**

For over 6 decades the best fly rods in the world have been built with quality Hopkins & Holloway® components. Now, the same British-born attention to excellence has provided the cornerstone of a new selection of Hopkins & Holloway® fly tying tools. Stonefly® tools are steeped in tradition and spawned from a heritage of craftsmanship with one important distinction. Stonefly® is a working man's tool. No brass bodies and knurled chrome. No engraving. No limited editions. Stonefly® is a no-frills, functional line, packed with over a half century of manufacturing expertise from Hopkins & Holloway®. The perfect "everyday" selection for dealers and flyfishermen alike. Welcome to Stonefly®.

Unique "Cushion Spot" design provides excellent working grip at the bench or on the stream. Available only from Stonefly®

## Bench Tying Tools

Stonefly® Tools are built to H&H standards of quality yet feature a rugged, injection molded polymer handle system that provides lightweight feel and excellent ergonomics while maintaining an affordable design. Distinctive Pearl Blue styling is carried through the entire line, allowing users to build a complete "set" of tools all at once or over time. Stonefly's lightweight design makes these tools an excellent choice for travel kits or streamside tying and the tapered handle design and soft rubber "cushion spot" lie perfectly in the hand even in wet, cold conditions.

**SF1 Dubbing Needle:** Long-lasting Stainless Steel with more uses than you can count.

**SF13 Dubbing Teaser:** Scalloped tip for pulling dubbing into lifelike bodies.

Ceramic feed for smooth operation

Ceramic ring nose for excellent control

**SF2 Thread Bobbin** Perfect tube length for most work, smooth feed from ceramic ring tube and plastic tensioners. Accepts interchangeable Bobbin Spacers (SF16)

**SF7 Dubbing Spinner:** Gripped "thimble" design with spring steel arms for spinning dubbing material

**SF26 Long Tubed Thread Bobbin** Extended tube good for longer hook shafts, smooth feed from ceramic ring tube and plastic tensioners. Accepts interchangeable Bobbin Spacers (SF16)

**SF4 Bobbin Threader:** Fine wire, spring steel loop with "wavey" finish to grab and hold thread for fast bobbin threading.

**SF8 Fly Tying Scissors:**

Super sharp, Micro-Serrated edge for excellent material grip on hair and other fiber. Molded grip with soft finger-guard inserts and large rings.

**SF16 Bobbin Spacers:** Adapts Thread Bobbins to accept various spool sizes.

**SF3 Rotary Whip Finisher:** Free spinning, fast finish for heads and bodies with Cushion Spot handle and complete instructions.

**SF15 Hair Staker:** Five star convenience with a unique hair staker that loads, straightens and then DELIVERS hair with a unique swing-out base. One-of-a-kind!

**SF18 Hackle Guard:** Dish-shaped hackle protection for a variety of hook sizes while whip finishing heads. Easy to use with Cushion Spot handle and complete instructions.

**SF29 Hair Trimmer:** Another Stonefly® exclusive. Unique curved razor blade holder allows shaping of hair bodies with a simple push. Includes razor, accepts any double-edged razor replacement.

**SF10 Fly Tying Kit**

Attractive and practical storage case holds 8 tools in die cut foam. Includes Dubbing Needle, Thread Bobbin, Whip Finisher, Threader, Fur Rake, Hackle Pliers, Dubbing Spinner and Scissors. Great travel item!

**SF5 Fur Rake:** "V"-shaped grooves work to lock and pull away underfur of deer hair and other furs. Two sided with Cushion-Spot grip

**SF79 Dubbing Brush Machine**

Fast and convenient dubbing brushes from a machine designed to spin finished brushes from 15 to 18 inches long using small diameter wire. Stockpile any material (or combination) you need for Nymph bodies, leaches and dry flies in minutes!

**SF6N Ring Hackle Pliers:** Solid attachment and strong grip with ample finger hole for quick hackle spinning.

Make it 100% Stonefly<sup>®</sup>.

## Stonefly<sup>®</sup> Bench Accessories

Whether you target Cutthroat in Canada or Permit in the Keys, Stonefly<sup>®</sup> provides the tools to be prepared for your next journey. Our bench accessories are sleek, easy to use and built for years of service. Choose from a complete assortment.

### (A) SF49 Clamp Magnifying Lens/Light:

Stonefly<sup>®</sup> Magnifier provides 1.75x magnification for clear detail with 8 shadowless, 360-degree LED lights adjusted directly to the focal length of your work area. The included Power Pack plugs unobtrusively into the bottom of the infinitely adjustable gooseneck arm. Great for Custom Rod Builders, too.

**SF49V** for 3/8-inch vise assembly

**SF62N** for Lens Assembly only with no light

### (B) SF66 LED Light

40,000 MCD directional spot points light where you need it.

3/8-inch diameter vice fitting and table clamp included with 12 inch gooseneck adjustment and power pack. 12-volt, 1.7 watt bulbs generate minimal heat and last up to 50,000 hours!

### (C) SF69 Flexi Back Board

Flexi Board provides contrast for any color scheme or lighting condition at the bench. White on one side for detail, green on the other with infinitely adjustable goose neck for excellent control.

### (D) SF48 Wooden Tool Caddy

A great addition to any fly tying bench, the ideal place to store and keep all tools at hand. Includes rubber base and magnetic drying strip.

### (E) SF46 Rotary Fly Dryer

Neat battery operated Fly Dryer ideal for all flies, closed-foam front plate allows drying at any angle. Comes complete with a small rod chuck and stand, to turn a rod during building or repair. Batteries not included.

### (F) SF67 Fly Dry Plate & Magnetic Clips

Metal Plate attaches to the Rotary Fly Dryer and accepts spring loaded magnetic clips for drying very small dry flies. For use with SF46, includes plate and clips.

Stonefly® Outside.

## Stonefly® Tools Outdoors

Stonefly® goes beyond the bench to provide a unique selection of outdoor fly fishing products designed to make fishing your creations more convenient and enjoyable when you arrive at your chosen waters. In fact, we even have a couple of very unique products for your flies as well!

### SF17 Thorax Body Leads:

Simple lead which can be squeezed over the shank of hook, it adds weight and provides the correct shape to dress the fly. Available in 4 sizes 20pcs/pack.

### SF60 Fly Wobblers:

Tiny diving/wobbling lips for your flies! Wrap in as you whip finish the head of your fly for an amazing action on retrieve. Available in five sizes. Semi-rigid plastic bends into wrap but remains rigid once tied in. Instructions included.

### SF21 Magnetic Car Rod Holder:

Protect valuable rods between the car and the boat with this handy magnetic rod holder that sticks firmly to your cars body and allows a safe place to stand rods as you prepare for your trip. Lined back won't scratch paint. Great for all kinds of fishing when rods come out of the car or truck.

### SF79 Rod Caddy:

Stonefly's unique new Rod Caddy keeps valuable rods safe and ready on the bank for quick switches as conditions dictate. Holds two rods and features a retractable spike for easy packing. Adjustable holders work with a wide range of rod grips.

The Strong Attraction of Limpit.

## Stonefly® Limpit™

Stonefly® Limpit™ is a collection of products that are both convenient and practical thanks to the ingenious use of super-strong magnets that not only keep a variety of items in place but make them instantly accessible at the same time. They detach as needed and then, more importantly, re-attach just as quickly. They have the added benefit of staying exactly where you want them, yet can be easily moved from one garment to another with no damage.

**SF63 Magnetic Net Release:** Attach the clip to your vest and the receiver to your net (with provided nylon ties) and enjoy the fastest, easiest access imaginable. Easy to reattach, even on your back! Includes 1 meter safety cord.

**SF70 Limpit "D"-Ring:** More uses than you can count. Add a versatile ring anywhere you want it. Vests, waders, shirt and more. Strong magnets stay put.

### SF72 Limpit Fly Patch:

Magnetic security for valuable flies! Patch positions anywhere for instant access. Combine with a "D"-Ring holding clippers and changing flies reaches a whole new level of "easy".

**SF71 Limpit Bottle Holder:**

Carry bottles facing up or down with the Limpit Bottle Holder. Carried down, Gink and other dressings can be used without removing from the holder. Spare rubber 'O' ring supplied

**SF73 Limpit Tube Zinger:**

Convenience AND security for line clippers, unhooking pliers etc. Strong hinge clip works with any clippers. Spring retractor extends to 300mm (12 inches)

**SF75 Limpit Dry Shake/Mud Holder:**

Fingertip convenience. Flexible rubber grip holds dry powder bottles, mud containers etc. Grips from 28mm to 38mm.

**SF74 Double Zinger with Forceps:**

Two hinged clips on retractable spring Includes 5" straight stainless steel Forceps. 'Hot Spot' gives easy location and storage of Forceps. Spring will extend to over 450mm (18 inches)
