

BRONCO®

Neoprene Jackets

Perfect accessory for cold water fly fishing, coastal surfcasting, river and lake boating, hunting, ocean sailing and offshore fishing. Fits over waders and heavy clothing.

★ 3MM premium grade 100% neoprene (99% waterproof), nylon knit exterior and lining. Keeps you warm and dry, retains body heat. Easy to clean

★ Velcro closed hood. Storm flap protects the neck.

★ Heavy duty YKK #10 front zipper and #5 zippers on the sleeves. All zippers are Delrin plastic, and are not affected by saltwater, rust, mildew or UV.

★ Front pocket(s) with drain, Velcro closed pocket flap.

★ Bar tacked stress points. Extra long sleeves allow casting or shooting without binding.

★ Poly webbing rod butt holder loop holds rod while changing lures.

We are the exclusive distributor of original Bronco products. DON'T SETTLE FOR LESS!

ULTRATHON INSECT REPELLENT

6 oz. Spray Can – Provides up to 8 hours of protection. Repels mosquitoes that may carry West Nile virus. Repels ticks that may carry Lyme disease. Also repels biting flies, chiggers, gnats and fleas. Sprays upside down for total coverage.

6 oz. Pump – Splash and sweat-resistant, Ultrathon's patented Controlled Release Technology prevents it from washing away quickly from perspiration or rain.

2 oz. Lotion – Ultrathon® is the longest-lasting and most effective insect repellent on the market today. It repels mosquitoes for over 12 hours and ticks for over 9 hours, and is also effective against biting flies, gnats, chiggers, and fleas. Ultrathon® contains 33% DEET in a controlled-release polymer. Moisture resistant—lasts through splashes, perspiration, and rain. Also repels terrestrial leeches in tropical areas where pests occur.

CHILLY PAD™ COOLING TOWEL

The Chilly Pad™ provides an innovative way to cool down while enduring outdoor heat and/or high levels of physical activity. Perfect for anyone engaged in sports or work, the Chilly Pad™ is made from a hyper-evaporative material that retains water while remaining dry to the touch. When wet, the towel begins to evaporate and cool, providing cool, soft comfort to the user. When it stops cooling (about 1-4 hours, depending on conditions), you simply re-wet the towel in hot or cold water and ring it out. Within minutes, it's cool again. It's also machine washable, and comes in its own storage container for years of reliable use.

TOOTH PROOF SUPERFABRIC® OFFSHORE GLOVES

The ultimate in protection for your hands whether you're leadering a thousand pound marlin, grabbing a toothy fish at boat side, or filleting a pile of fish. Made from multiple layers of exclusive HMD SuperFabric® it is more resistant to punctures and cuts and more flexible for greater dexterity. The outer layer makes gripping slippery fish a snap, and provides protection when leadering large game fish to the boat – even with wire leaders! Fish slime and odors simply wash away. These are the best protective gloves available anywhere and they are a SeaGrip® exclusive.

No.
HIHGTP3000

ADHESIVE PLUS™ NON-SLIP GLOVES

Made from heavy-duty woven cotton, the outside surface is reinforced with a checkerboard pattern of soft, adhesive 'rubber' that gives you an incredible grip no matter how wet they get. Use them for everything from cutting bait to washing the boat and stop worrying about things slipping out of your wet hands. Machine washable.

No.
HIHG404L

ATLAS-FIT™ PREMIUM NON-SLIP GLOVES

No. BFWM-(M-XXL)* **Description** Wire Max

COLD PRO GLOVES

AFTCO Bluefever™ Cold Pro Gloves are perfect for those colder mornings running offshore to fish for spring striper or winter bluefin. Their "glove-within-a-glove" design features an inside liner of waterproof, breathable Hipora® fleece for exceptional warmth in temperatures down to 20° F. The Cold Pro Gloves have an outer construction which features a durable Tacky-Grip palm of rubberized polyester for a secure grip on slippery gaffs and boat hardware, even when wet. The Spandura® back and fingers, along with the neoprene knuckle pads, insulate and protect the hands without restricting movement. A full-knitted cuff helps seal out the chilling effects of wind and moisture, and a synthetic terry cloth thumb panel adds additional warmth and comfort.

No. BFCP-(M-XXL)* **Description** Cold Pro Gloves

AFTCO WATERPROOF RAINSUIT

Keeps you dry and comfortable under the worst of weather conditions!

No ordinary rainsuit, the AFTCO waterproof jacket and pant are designed in every way to keep you bone dry in the worst weather. Both jacket and pant are made from durable, lightweight 100% Tussor nylon, stain-resistant, and waterproof with tape sealed seams. Doublestorm flaps with rain gutter protect two-way front zipper on jacket, which also features: two waterproof zipper handwarmer pockets; two bellows chest pockets; extended cape back (to prevent overheating once a squall passes); 3-piece hood with adjustable draw cords; draw cord at hem; mesh-lined interior; and Velcro®-adjusted waterproof stretch cuffs on raglan sleeves. For the pant, 12-inch gusseted adjustable leg openings with 10-inch ankle zippers make for easy on-and-off, even over deck boots. Also featured is an elastic waist with snap closure, plus a waterproof zippered fly; zippered waterproof 27-inch side and 16-inch back pockets; and a Cordura®-lined utility pocket with Velcro® closure. Color: Black.
