Line Dispenser

Keep your line from unwinding and tangling with the line dispenser. You will always have easy tangle free access to your line by simply strapping the line dispenser around your spool and pulling it through.

NO. LDP3.

Packed 3 each per polybag with fold-over header card, 12 per inner box, 288 per case. Approx. case wtg. 7 lbs.

Plus 7 Monofilament Nylon

Plus 7 monofilament nylon line is formulated for superior flexibility and limpness for accurate, effortless casting and line control. Low stretch and a high-tensile strength give this line excellent hook-setting capabilities. It's made to resist cuts, scuffs and scrapes that can weaken line.

NO. 418B (mist blue)

NO. 418C (clear)

NO. 418G (green)

Packed 1 spool shrink wrapped with label, 12 spools per inner box, 120 per case. Approx. case wtg. 25 lbs.

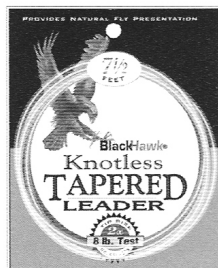

code	lb. test	approx. yardage
4	4 lb.	900
6	6 lb.	800

60	60 lb.	90
80	80 lb.	65

Knotless Tapered Leaders

These knotless, tapered leaders offer anglers a precise, uniform taper for perfect balance. Designed with a heavy butt to ensure a smooth turnover and natural presentation of the fly, they are supple enough to straighten out for effortless, accurate casting.

NO. KTL

Packed 1 coil per polybag with insert card, 12 cards per inner box, 480 per case. Approx. case wtg. 6 lbs.

No-Knot Eyelets

Forget loops, nail knots and splices with this speedy and easy method of joining tapered leader to fly line. Simply insert the barbed pin of the eyelet into the end of the fly line and you are able to add or change leaders quickly.

NO. FLE2

Packed 3 small and 3 large per polybag on a display card, 12 cards per inner box, 2,400 per case. Approx. case wtg. 11 lbs.

Connector Sleeves

Used with monofilament or wire, these connector sleeves are great for making leaders or rigs. They are the surest way to make a non-slip loop or join two lengths of stranded wire.

NO. CSLVB (black)

NO. CSLVN (nickel)

Packed 30 per polybag with full back header card, 12 cards per inner box, 480 per case.

60	60 lb.	0.029	0.73	39 lbs.

Ultra Thin Wire Leaders

Designed for use with action-sensitive lures these ultra-thin, super-tough, flexible wire leaders eliminate bite-offs. Hand-wrapped and assembled with a crane swivel the 12-lb and 18-lb leaders are fitted with strong dual lock snaps, the 27-lb, 36-lb and 55-lb come with a rugged coast lock snap. Available in sizes and strengths for most any toothy fish situation.

Snelled Baitholder Hook Assortment

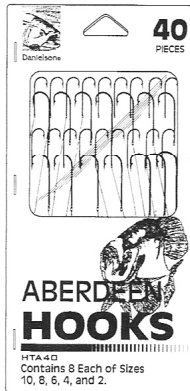

These snelled, extra sharp, forged down-eye, offset hooks store in a reusable fold-over card. This popular 60-piece assortment contains 15 double sliced, bronze baitholder hooks in each of sizes 8, 6, 4 and 2.

NO. 8660
Packed 60 hooks per pack, 12 packs per inner box, 240 per case. Approx. case wgt. 27 lbs.

Snelled Aberdeen Hook Assortment

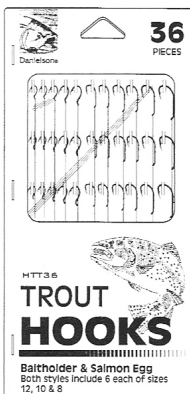

This 40-piece assortment includes eight snelled, gold Aberdeen hooks in each of sizes 10, 8, 6, 4 and 2. These long-shank, light wire hooks are tempered to bend before breaking. Conveniently stored in a reusable, fold-over card.

NO. HTA40
Packed 40 hooks per pack, 12 packs per inner box, 240 per case. Approx. case wgt. 22 lbs.

Snelled Trout Hook Assortment

The smorgasbord of snelled hooks in this assortment has been specifically selected for trout fishing. This 36-piece set contains 18 snelled bronze baitholder hooks and 18 snelled gold salmon egg hooks, each style in 3 sizes 8, 10 and 12. Packaged in a reusable fold-over card.

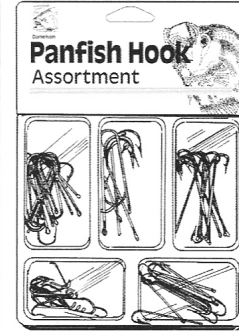

NO. HTT36
Packed 36 hooks per pack, 12 packs per inner box, 240 per case. Approx. case wgt. 20 lbs.

Trout Hook Assortment

This 60-piece set has all the sizes and styles of hooks that trout fishing demands. This assortment includes a variety of baitholder, live bait and gold treble hooks.

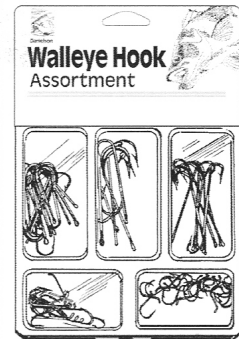

NO. HAT
Packed 60 hooks per clam-pack with header card, 12 packs per inner box, 120 per case. Approx. case wgt. 10 lbs.

Bass Hook Assortment

This 45-piece hook assortment has all the sizes and styles required for incredible bass fishing. The set includes baitholder, worm and weedless sproat hooks.

NO. HAB
Packed 45 hooks per clam-pack with header card, 12 packs per inner box, 120 per case. Approx. case wgt. 14 lbs.

Walleye Hook Assortment

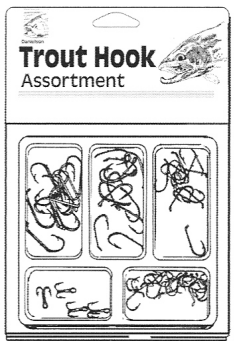

This assortment has everything you need for great walleye fishing. The 60-piece hook set includes a variety of Aberdeen, baitholder and live bait hooks.

NO. HAW
Packed 60 hooks per clam-pack with header card, 12 packs per inner box, 120 per case. Approx. case wgt. 11 lbs.

Catfish Hook Assortment

This 40-piece set has all the styles and sizes of hooks required for great catfishing. The assortment includes bronze baitholder and dough bait treble hooks.

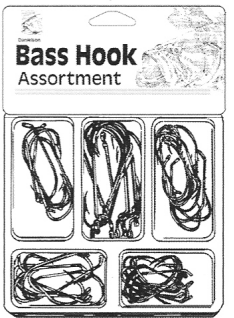

NO. HAC
Packed 40 hooks per clam-pack with header card, 12 packs per inner box, 120 per case. Approx. case wgt. 13 lbs.

Panfish Hook Assortment

This versatile set contains 60 assorted sizes and styles of hooks for all kinds of panfishing. The assortment includes Aberdeen, Carlisle and baitholder hooks.

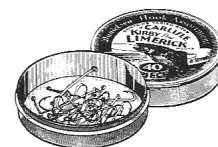

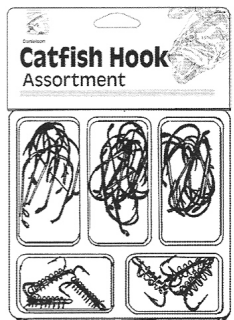

NO. HAP
Packed 60 hooks per clam-pack with header card, 12 packs per inner box, 120 per case. Approx. case wgt. 10 lbs.

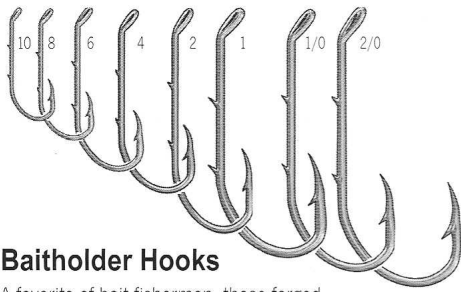

Bait Hook Assortment Tin

This assortment has a hook style and size for just about any type of bait fishing. The 40-piece set contains a variety of Limerick, Kirby and Carlisle hooks.

NO. 4832
Packed 40 hooks per tin on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 12 lbs.

Baitholder Hooks

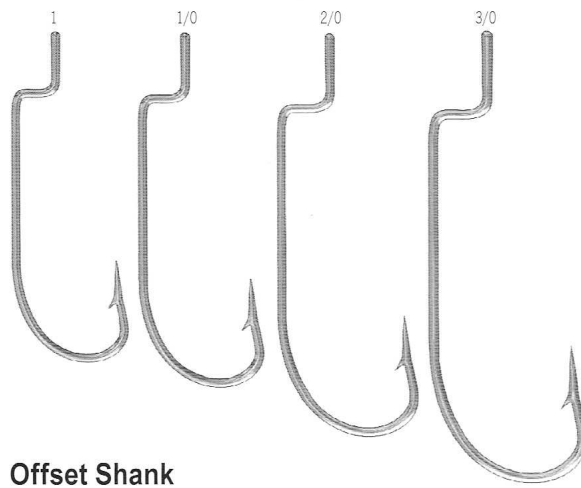

A favorite of bait fishermen, these forged, down-eye, offset baitholder hooks have a bronze finish and needle sharp points. Double sliced barbs on the back of the shank keep bait where it belongs.

NO. 562SP

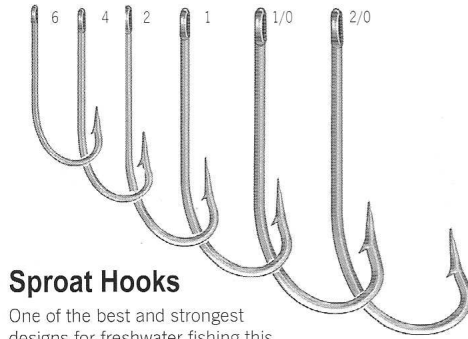

(bronze)
Packed by varied piece count per size in a polybag on a display card, 12 cards per inner box, 600 per case.

code	size	pcs./card	approx. case wgt.
14	14	3	7 lbs.
12	12	3	7 lbs.
10	10	3	8 lbs.
8	8	2	8 lbs.
6	6	2	9 lbs.
4	4	2	10 lbs.

25-Pack

NO. 562MB (bronze)
Packed 25 hooks per blister card, 12 cards per inner box, 600 per case.

code	size	approx. case wgt.
14	14	16 lbs.
12	12	17 lbs.
10	10	23 lbs.
8	8	27 lbs.

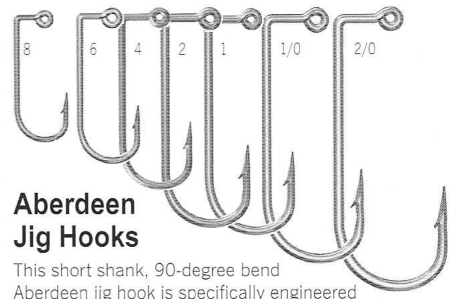

Sproat Hooks

One of the best and strongest designs for freshwater fishing this sproat hook features a parabolic bend, straight point and ringed eye. Ideal for use with plastic baits.

NO. HXSN

(nickel)
NO. HXSNB (blk/nkl)
Packed by varied piece count per size in a polybag on a display card, 12 cards per inner box, 600 per case.

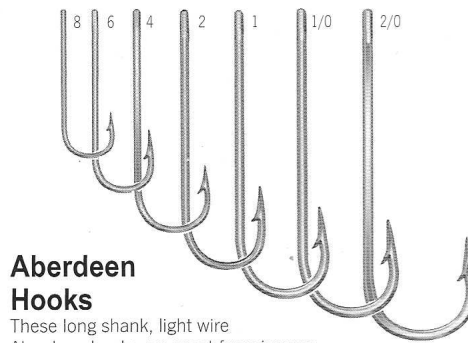

code	size	pcs./card	approx. case wgt.
6	6	10	8 lbs.
4	4	10	8 lbs.
2	2	9	9 lbs.
1	1	8	8 lbs.
1/0	1/0	6	7 lbs.
2/0	2/0	5	7 lbs.

Aberdeen Jig Hooks

This short shank, 90-degree bend Aberdeen jig hook is specifically engineered for lead head jigs and other molded applications. Made with light wire and tempered to flex before breaking, it is ideal for fishing in brushy water.

code	size	pcs./card	approx. case wgt.
NO. HXAJB (bronze)

Connecting Links

The unique design of these extra strong, sure-lock connecting links make them perfect for surf and bottom fishing slider rigs. (Nickel-plated solid brass).

NO. CLNK
 Packed 5 pieces per polybag with full back header card, 12 cards per inner box, 480 per case.

code	size	approx. case wgt.
14	14	11 lbs.
16	16	17 lbs.

Crossline Swivel with Safety Snap

This three-eye version of the barrel swivel gives fishermen excellent "no-twist" protection for river drift fishing and bottom walking bait rigs. Available in a black finish, the sure-lock safety snap provides quick and easy sinker hook-up.

NO. 2900SPBLK-6 (black)
 Packed 6 per polybag on a display card, 12 per inner box, 600 per case. Approx. case wgt. 16 lbs.

Change-A-Hook Snaps

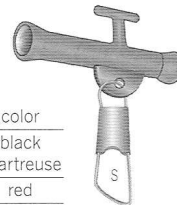

Change flies, lures and hooks the easy way with these strong, spring steel snaps. Simply snap them in or out.

NO. CHS9
 Packed 3 each of small, medium and large per polybag on a display card, 12 cards per inner box, 2,400 per case. Approx. case wgt. 11 lbs.

Sinker Slides with Safety Snaps

You'll feel the fish take the bait when you use these free-sliding sinker slides with safety snaps for attaching weight. Sensitivity and feel at the hook are not impaired by the sinker as the line slips freely through the plastic sleeve. The line may be wrapped around the T-tie to secure the sinker slide and sinker in a fixed position.

Slinky Cord

Made for production of slinky weights, this hollow core braided nylon cord works best with Danielson® slinky tube and ramrod and Danielson® lead slinky shot. Black in color and cut to 10-ft lengths this slinky cord is available in standard and magnum sizes.

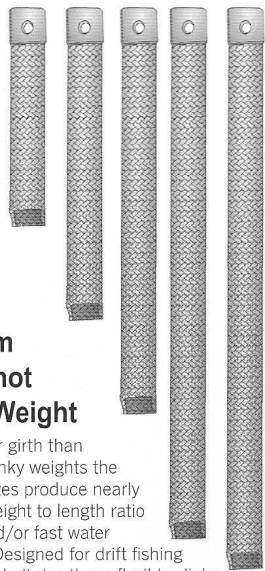

NO. SLWC10S (standard)

Packed 1 coil per polybag with full back header card, 12 cards per inner box, 288 per case. Approx. case wgt. 12 lbs.

NO. SLWC10M (magnum)

Packed 1 coil per polybag with full back header card, 12 cards per inner box, 288 per case. Approx. case wgt. 19 lbs.

1/2 oz. 3/4 oz. 1 oz. 1-1/4 oz. 1-1/2 oz.

Magnum Lead Shot Slinky Weight

With a wider girth than standard slinky weights the magnum sizes produce nearly twice the weight to length ratio for deep and/or fast water situations. Designed for drift fishing and bottom bait rigs these flexible slinky weights are engineered to be snag resistant.

NO. SLWM

Packed 2 per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

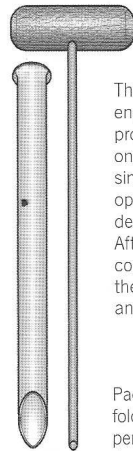

code	weight	approx. case wgt.
1/2	1/2 oz.	11 lbs.
3/4	3/4 oz.	15 lbs.
1	1 oz.	20 lbs.
1-1/4	1-1/4 oz.	24 lbs.
1-1/2	1-1/2 oz.	30 lbs.

100-Pack

NO. SLWMB

Packed 100 per bag, 1 bag per inner box.

code	weight	bags/case	approx. case wgt.
1/2	1/2 oz.	10	33 lbs.
3/4	3/4 oz.	5	24 lbs.
1	1 oz.	5	33 lbs.
1-1/4	1-1/4 oz.	5	41 lbs.
1-1/2	1-1/2 oz.	5	49 lbs.

Slinky Tube with Ramrod

This slinky tube and ramrod are engineered for quick and efficient production of slinky weights. With one end of the slinky cord sealed simply insert the tube into the open end and fill with shot to the desired weight using the ramrod. After sealing the fill end of the cord attach swivel by means of the snap. Available in standard and magnum sizes.

NO. SLWTRS (standard)

NO. SLWTRM (magnum)

Packed 1 set per polybag with fold-over header card, 12 cards per inner box, 144 per case. Approx. case wgt. 12 lbs.

Lead Slinky Shot

Made specifically for production of slinky weights, this round lead shot works best with Danielson® slinky tube and ramrod and Danielson® slinky cord. Packaged in 5 lb. bags and available in standard and magnum sizes.

NO. SLWBSS (standard)

NO. SLWBSM (magnum)

Packed 5 lbs. per sealed polybag with stick-on label, 5 bags per case. Approx. case wgt. 26 lbs.

1/4 oz. 3/8 oz. 1/2 oz. 5/8 oz. 3/4 oz. 1 oz.

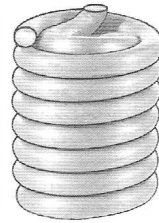

EnviroQuest® Standard Steel Shot Slinky Weights

Ideal for drift fishing and bottom bait rigs, these flexible slinky weights are snag resistant against rocks and weeds. Environmentally smart, the tough polypropylene cord is filled with steel shot.

NO. EQSW

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	weight	pcs./bag	approx. case wgt.
1/4	1/4 oz.	3	8 lbs.
3/8	3/8 oz.	3	11 lbs.

1-1/2	1-1/2 oz.	29 lbs.

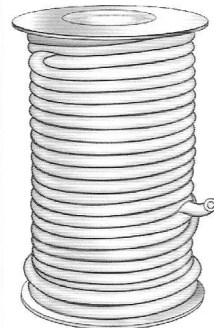

Hollow Core Lead Wire

Perfect for stream and drift fishing this hollow core lead wire comes in 3/16" and 1/4" sizes. Conveniently coiled in one pound spools.

Packed individually shrink-wrapped with a label, 25 per case.

NO.	wire diameter	approx. case wgt.
PL3161H	3/16"	25 lbs.
PL141H	1/4"	29 lbs.

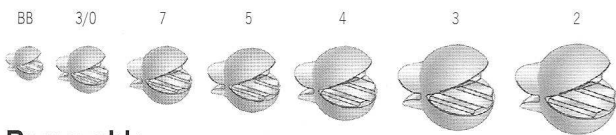

Latex Tubing

Spooled in 50' rolls, this surgical grade latex tubing is used with lead cinches, snubbers and even sling shots. Available in amber or black to fit 3/16" or 1/4" lead wire.

Packed 1 roll per dispenser box, 40 per case.

NO.	fits wire diameter	color	approx. case wgt.
RT316A	3/16"	amber	39 lbs.
RT316B	3/16"	black	39 lbs.
RT250A	1/4"	amber	45 lbs.
RT250B	1/4"	black	45 lbs.

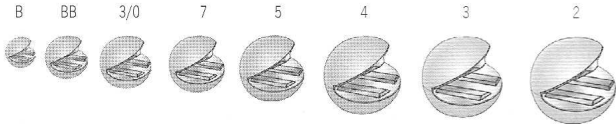

Removable Split-Shot Sinkers

Especially helpful when a small amount or slight variation of weight is required, these split-shot sinkers feature an easy on and off application. Just squeeze the jaws to attach and the neck lever to remove. The grip-lock jaw holds firm without damaging the line.

NO. SS

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	size	pcs./bag	approx. case wgt.
BB	BB	60	10 lbs.
3/0	3/0	40	11 lbs.
7	7	30	18 lbs.
5	5	20	15 lbs.
4	4	15	16 lbs.
3	3	11	17 lbs.
2	2	7	18 lbs.

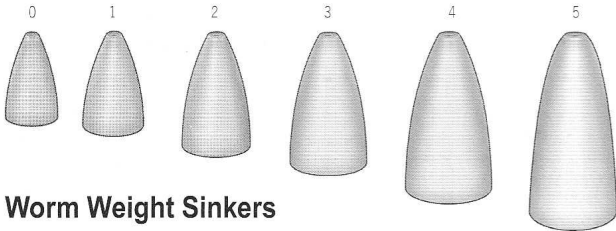

Round Split-Shot Sinkers

A great sinker for those times when weeds present a frustrating snagging problem or when just a small amount or variation in weight is needed. The soft lead tightly grips the line without damaging it. Simply squeeze with your fingers to apply.

NO. RS

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	size	pcs./bag	approx. case wgt.
B	B	60	9 lbs.
BB	BB	60	13 lbs.

3	3	1/4 oz.	8	20 lbs.
4	4	3/8 oz.	6	21 lbs.
5	5	1/2 oz.	4	20 lbs.

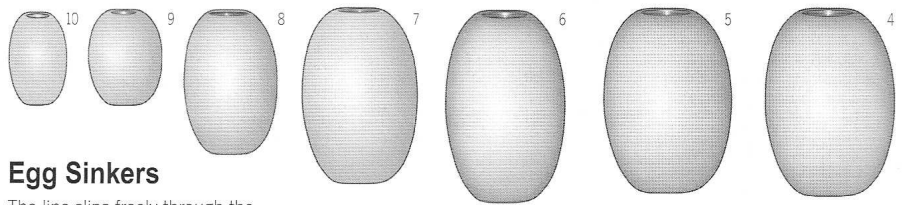

Pinch-On Sinkers

Flexible tabs allow these pinch-on sinkers to be put on and taken off easily without disturbing other tackle. A deep groove slot firmly holds the line, and the streamline shape permits the sinker to negotiate through weeds and over rocks.

NO. PO

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	size	weight	pcs./bag	approx. case wgt.
2	2	1/8 oz.	10	12 lbs.
3	3	3/16 oz.	8	19 lbs.
4	4	1/4 oz.	6	16 lbs.
5	5	3/8 oz.	4	17 lbs.
6	6	1/2 oz.	3	15 lbs.

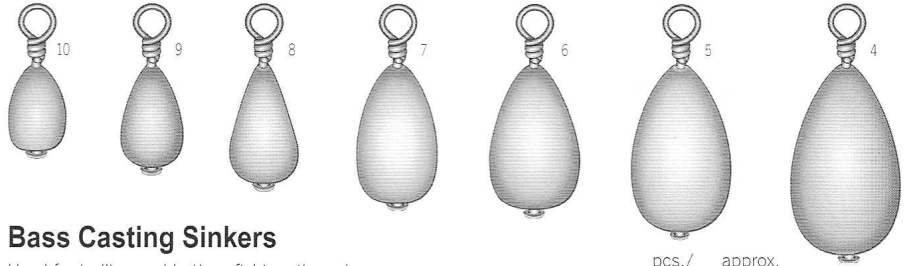

Egg Sinkers

The line slips freely through the center hole of these egg sinkers to allow sensitivity and feel at the hook. Primarily used for bottom fishing, their egg shape permits the sinker to slide through weeds and over rocks.

NO. ES

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	size	weight	pcs./bag	approx. case wgt.
10	10	1/8 oz.	10	13 lbs.
9	9	1/4 oz.	7	16 lbs.
8	8	1/2 oz.	5	23 lbs.
7	7	3/4 oz.	3	23 lbs.
6	6	1 oz.	2	20 lbs.
5	5	1-1/4 oz.	2	25 lbs.
4	4	1-1/2 oz.	2	28 lbs.

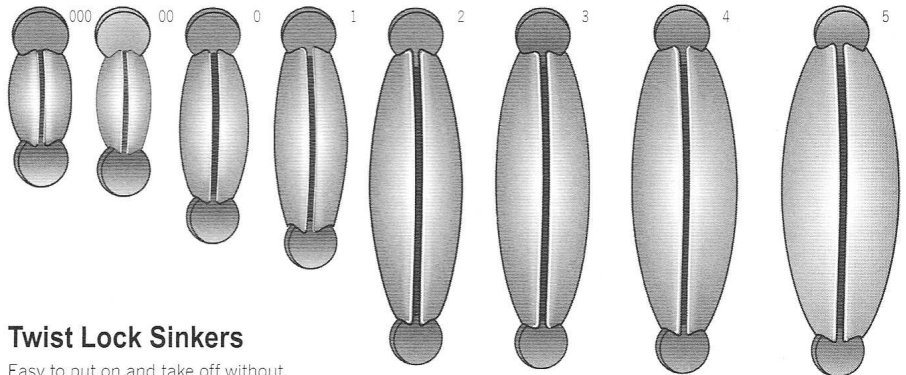

Bass Casting Sinkers

Used for trolling and bottom fishing, these bass casting sinkers have a swiveling brass eyelet that makes them superb for fishing in strong currents and over rocks. Ideal for sinker drops and three-line hook-ups.

NO. BS

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	size	weight	pcs./bag	approx. case wgt.
10	10	1/8 oz.	5	7 lbs.
9	9	3/16 oz.	5	9 lbs.
8	8	1/4 oz.	4	10 lbs.
7	7	3/8 oz.	4	16 lbs.
6	6	1/2 oz.	3	15 lbs.
5	5	3/4 oz.	2	15 lbs.
4	4	1 oz.	2	19 lbs.

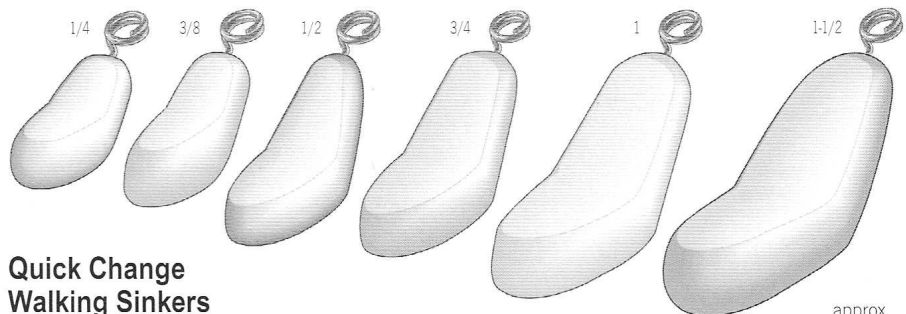

Twist Lock Sinkers

Easy to put on and take off without disturbing other tackle, these rubber core sinkers guard against line damage. They fit snugly against the line by simply twisting their rubber ears.

NO. TL

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	size	weight	pcs./bag	approx. case wgt.
000	000	1/16 oz.	8	7 lbs.
00	00	1/8 oz.	6	8 lbs.
0	0	1/4 oz.	5	13 lbs.

2	2	1/2 oz.	3	14 lbs.
3	3	3/4 oz.	3	23 lbs.
4	4	1 oz.	2	19 lbs.
5	5	1-1/16 oz.	2	21 lbs.

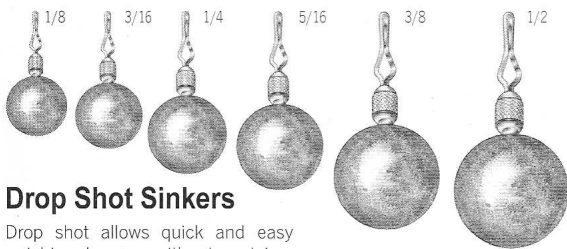

Quick Change Walking Sinkers

Designed to slide freely on the line to keep bait off the bottom and to resist snags. These walking sinkers feature a unique quick change, no-tie eyelet.

NO. SWS

Packed by varied piece count per size in a color coded zip-lock polybag, 12 bags per inner box, 144 per case.

code	weight	pcs./bag	approx. case wgt.
1/4	1/4 oz.	10	25 lbs.
3/8	3/8 oz.	8	29 lbs.
1/2	1/2 oz.	7	33 lbs.
3/4	3/4 oz.	6	43 lbs.
1	1 oz.	5	47 lbs.
1-1/2	1-1/2 oz.	4	55 lbs.

Drop Shot Sinkers

Drop shot allows quick and easy weight change without retying. Simply tie a knot at the end of your line, run it through the eye of the swivel and pull tight. The line wedges itself in the V-shaped eye for a secure hold.

NO. DSR

Packed by varied piece count per size on a blister card, 12 cards per inner box, 144 per case.

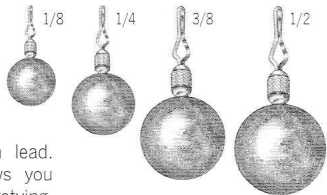

code	weight	pcs./ card	approx. case wgt.
18	1/8 oz.	7	10 lbs.
316	3/16 oz.	6	11 lbs.
14	1/4 oz.	6	16 lbs.
516	5/16 oz.	5	18 lbs.
38	3/8 oz.	5	20 lbs.
12	1/2 oz.	4	21 lbs.

Tungsten Drop Shot Sinkers

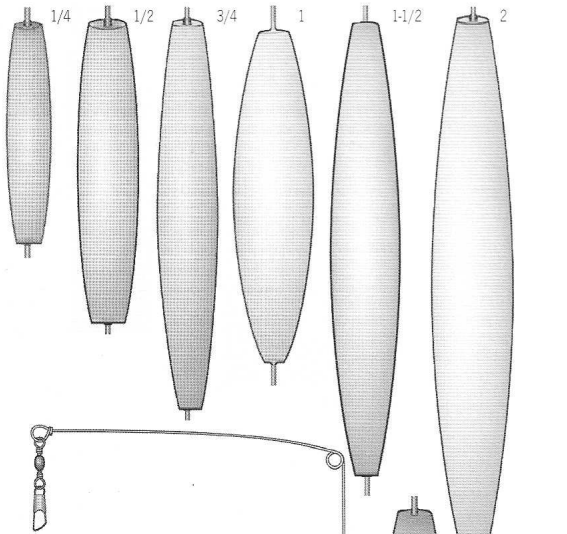

For finesse drop shot situations ultra dense tungsten provides the desired weight with much less mass than lead. Special V-shaped eye allows you to change weight without retying. Simply tie a knot at the end of your line, run it through the swivel, pull up and tight and you're ready to fish.

NO. DSTR

Packed by varied piece count per size on a blister card, 12 cards per inner box, 144 per case.

code	weight	pcs./ card	approx. case wgt.
18	1/8 oz.	8	12 lbs.
14	1/4 oz.	4	12 lbs.
38	3/8 oz.	3	13 lbs.
12	1/2 oz.	2	12 lbs.

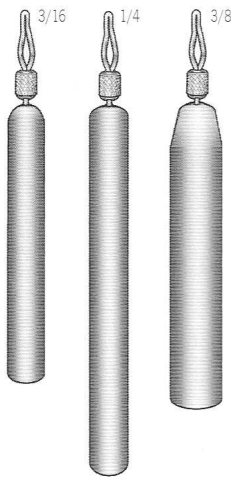

Bottom Walking Sinkers

These bottom walking sinkers eliminate snagging when you're trolling or drifting with live bait or a lure. Feel the bottom of the lake or river without annoying hang-ups by walking your line and bait over snags, rocks and weeds. They also improve bait action. Choose from several different weights, each on a 12" leg with a 4-1/2" arm and snap swivel for mainline hook-up.

NO. SBW

Packed 2 per polybag with header card, 12 cards per inner box.

code	weight	cards/ case	approx. case wgt.
1/4	1/4 oz.	240	18 lbs.
1/2	1/2 oz.	240	27 lbs.
3/4	3/4 oz.	240	31 lbs.
1	1 oz.	240	37 lbs.
1-1/2	1-1/2 oz.	120	26 lbs.
2	2 oz.	120	33 lbs.
2-1/2	2-1/2 oz.	120	45 lbs.
3	3 oz.	120	51 lbs.

Pencil Drop Shot Sinkers

Special line-gripping V-shaped eye allows you to change drop shot weight without retying. Simply tie a knot at the end of your line, run it through the swivel, pull up and tight and you're ready to fish.

NO. DSP

Packed by varied piece count per size on a blister card, 12 cards per inner box, 144 per case.

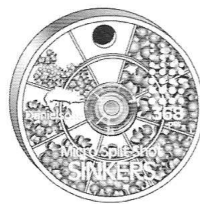

code	weight	pcs./ bag	approx. case wgt.
316	3/16 oz.	6	12 lbs.
14	1/4 oz.	6	17 lbs.
38	3/8 oz.	5	21 lbs.

Twist-On Line Sinkers

Designed for convenience, these lead strips easily twist on and off your line. Simply tear a strip out as you would a match and wrap it around line or hook. Attach one or more or even a partial strip to achieve the weight desired.

NO. TOLS

Packed 1 matchbook dispenser per polybag with insert card, 24 cards per inner box, 240 per case. Approx. case wgt. 11 lbs.

Micro Split-Shot

Ideal for any fishing situation that requires a slight amount or small variation in weight. Choose from seven micro sizes of split-shot in this 368-piece dial box selector.

NO. MS368

Packed 1 assortment per selector, 12 selectors per inner box, 144 per case. Approx. case wgt. 24 lbs.

Removable Split-Shot

Four popular sizes of removable split-shot sinkers are showcased in this 78-piece dial box selector. Sinkers feature an easy on and off application and they tightly grip the line without damaging it.

NO. RSSD78

Packed 1 assortment per selector, 12 selectors per inner box, 144 per case. Approx. case wgt. 34 lbs.

Removable Split-Shot

Five popular sizes of removable split-shot are showcased in this 124-piece dial box selector. Sinkers feature easy on and off application and grip lock jaws.

NO. RSSD124

Packed 1 assortment per selector, 12 selectors per inner box, 72 per case. Approx. case wgt. 32 lbs.

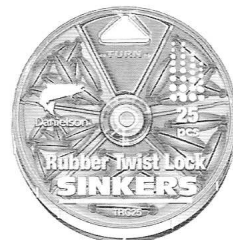

Egg Sinkers and Split-Shot

You'll be outfitted for bottom fishing with the 23 free sliding egg sinkers in various weights in this dial box selector. Included are 32 split-shot in assorted sizes for use as sinker stops.

NO. ADESS5

Packed 1 assortment per selector, 12 selectors per inner box, 72 per case. Approx. case wgt. 38 lbs.

Rubber Core Twist Lock Sinkers

This dial box assortment contains 25 rubber twist lock sinkers in five popular sizes. They're easy to put on and take off with just a twist of their rubber ears.

NO. TRC25

Packed 1 assortment per selector, 12 selectors per inner box, 72 per case. Approx. case wgt. 27 lbs.

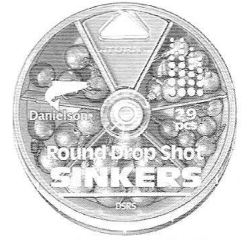

Round Split-Shot

Four popular sizes of round split-shot sinkers are featured in this 78-piece dial box selector. Split-shot is great whenever you need a slight variation of weight.

NO. RS78

Packed 1 assortment per selector, 12 selectors per inner box, 144 per case. Approx. case wgt. 31 lbs.

Drop Shot Sinkers

Five sizes of round drop shot sinkers are featured in this 29-piece dial box selector. The line wedges itself in the V-shaped eye for quick and easy weight change without retying.

NO. DSRS

Packed 1 assortment per selector, 12 selectors per inner box, 72 per case. Approx. case wgt. 40 lbs.

Bass Casting Sinkers

Ideal for sinker drops and three-line hook-ups, this dial box selector features 27 bass casting sinkers with swiveling brass eyelets. Comes in five popular sizes.

NO. BC27

Packed 1 assortment per selector, 12 selectors per inner box, 72 per case. Approx. case wgt. 37 lbs.

Worm Weight Sinkers

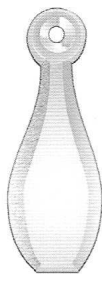

Choose from 29 worm weight sinkers in five popular sizes in this dial box selector. These sinkers easily slip through weeds and over rocks to protect the worm from snags and tears.

NO. WS29

Packed 1 assortment per selector, 12 selectors per inner box, 72 per case. Approx. case wgt. 29 lbs.

Bank Sinkers

Used from a boat, pier and the shore, these bank sinkers are especially popular with bottom fishermen. Designed specifically to prevent snags, these bank sinkers feature a molded eye in the head of the sinker.

NO. 125B

Bulk packed by varied piece count per size in a polybag with stick on label, 5 bags per case.

code	weight	pcs./ bag	pcs./ case	approx. case wgt.

NO. BDR6

Packed 15 pieces (luminous 13 pieces) per polybag with header card, 24 cards per inner box, 576 per case. Approx. case wgt. 12 lbs.

Bobber

Stop Knots with Beads

Fished with a slip float and assisted by a bead the bobber stop knot is used to set desired bait depth. Easy to use, simply run the line through the tube, push the knot onto the line, then tighten, trim and set to desired depth.

NO. BSTP

Packed 3 per polybag with full back header card, 12 cards per box, 1,200 per case. Approx. case wgt. 10 lbs.

NO. BSTPMB (carded) 25-Pack

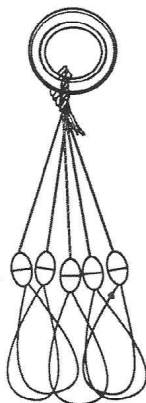

Packed 25 per polybag with full back header card, 12 cards per box, 600 per case. Approx. case wgt. 11 lbs.

Rubber Bobber/Sinker Stops

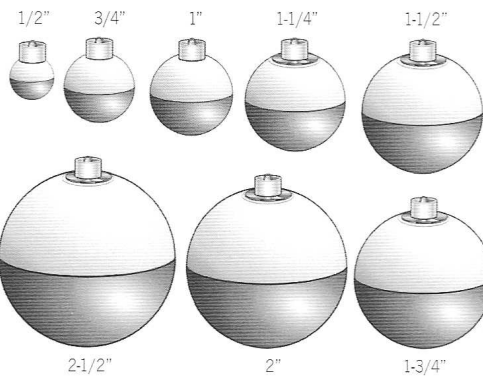

These innovative stops are ideal for slip floats or adjustable sinker rigs. The soft rubber stop grips monofilament line securely without crimping or causing damage. Easy to use, simply run the line through the wire loop and pull the stop onto the line. The small egg shape design permits the stop to wind onto reels and to cast easily through the rod guides.

NO. BSTPR

Packed 10 stops on a ceramic ring in a polybag on a display card, 12 cards per inner box, 1,200 per case.

11	1-3/16"	5-1/8"	35 lbs.

3V Lithium Float Batteries

Each 3-volt lithium battery keeps the light emitting diode of our item NO. EF electronic floats burning for approximately 15 hours. Simply reverse battery for daytime fishing and safe storage. Always tighten the float casing securely to keep the battery dry.

NO. EF3VB

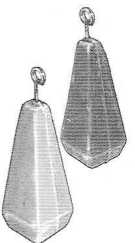

Packed 2 batteries per blister card, 12 cards per inner box, 1,200 per case. Approx. case wgt. 21 lbs.

Rubber Practice Plugs

Indoors or outdoors, these rubber casting plugs are a great training aid for the novice and pro alike. Especially helpful when getting accustomed to the feel of a new reel or rod. Includes 1/4 oz. and 3/8 oz. sizes.

NO. PPAR

Packed 1 of each size per blister card, 12 cards per inner box, 480 per case. Approx. case wgt. 35 lbs.

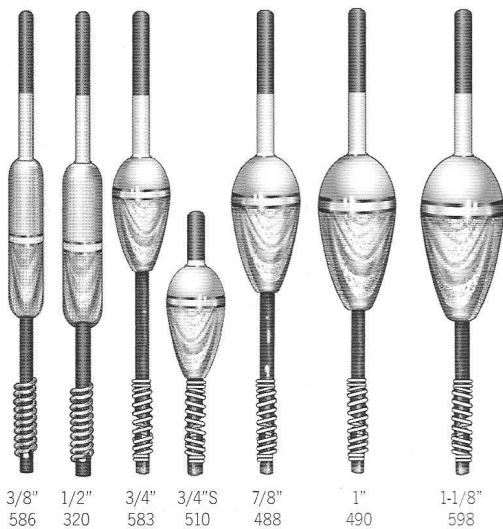

Plastic Practice Plugs

Practice makes perfect. You'll be a dead ringer with these casting plugs. Designed to improve accuracy, these plugs are great for indoor and outdoor use. Includes 1/4 oz. and 3/8 oz. sizes.

NO. PPAP

Packed 1 of each size per blister card, 12 cards per inner box, 480 per case. Approx. case wgt. 27 lbs.

Balsa Spring Floats

The tension of the spring gently secures the line to these genuine balsa wood floats. To attach, simply compress the spring and place the line in the stem slot. Finished in fluorescent red and chartreuse with black and white striped accents the entire float is clear coated to prevent cracking and splitting.

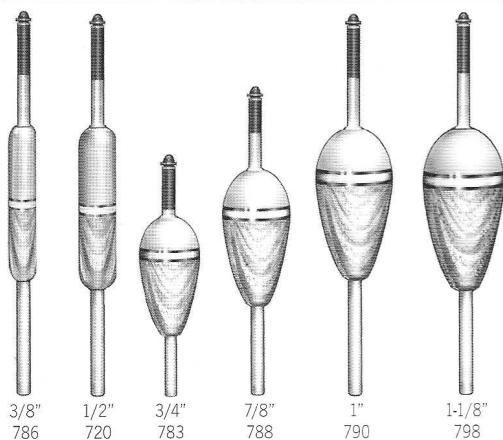

NO. BFBSP (bulk) 12-Pack

Packed 12 each per polybag with header card, 144 each per inner box, 1,728 per case.

NO. BFSP

Packed 1 float per polybag with header card, 12 bags per inner box, 288 per case.

NO. RWDH2 (hook size 2)

Packed 1 rig per polybag with insert card, 12 cards per inner box, 240 per case. Approx. case wgt. 5 lbs.

Bullhead/Catfish Rig

Sharp teeth and powerful jaws are no match for the nylon-coated, stranded stainless steel leader of this bullhead rig. It features a barrel swivel for an easy mainline hook-up and both the 12" leader and single 6" drop have nickel interlock snaps.

NO. BH24

Packed 1 rig per polybag with insert card, 12 cards per inner box, 600 per case. Approx. case wgt. 14 lbs.

3-Way River Rig

Also known as the Wolf River Rig, this effective fast water rig catches bass, walleye and pike! Features include a three-way swivel, heavy test nylon monofilament, size 4 gold Aberdeen hook and a bass casting sinker.

NO. RGWR

Packed 1 rig per polybag with insert card, 12 cards per inner box, 240 per case. Approx. case wgt. 19 lbs.

Hook, Swivel and Sinker Assortment

Complete your tackle box with this 75-piece assortment. It contains baitholder and Aberdeen hooks, brass snap swivels, removable split-shot, and bass casting sinkers in a variety of sizes to cover all bases.

NO. D1007

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 29 lbs.

Snap Swivel Assortment

For a quick change of lure and leader, you can choose just the right safety snap swivel from this 20-piece assortment.

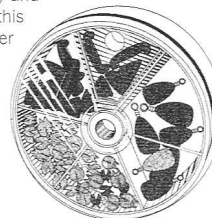

It is easy to find the swivel you are looking for through the transparent lid of this five compartment dial box. Made of solid brass, they have attached sure-lock safety snaps.

NO. D1002 (brass)
NO. D1009 (black)

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 15 lbs.

Sinker Assortment

Made with soft virgin lead to ensure quality and consistency, this 62-piece sinker assortment contains split-shot, bass casting, pinch-on and worm weights in a variety of sizes to meet any casting, trolling or bottom fishing situation.

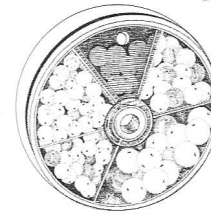

NO. D1001

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 120 per case. Approx. case wgt. 30 lbs.

Bead Assortment

Perfect for making or modifying lures and rigs, you can choose from 120 pieces of fluorescent red or chartreuse color beads in 5, 6 and 8 millimeter sizes.

A superb buy, it is easy to select the beads you want through the see through lid of this five compartment, impact-resistant dial box.

NO. D1008

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 120 per case. Approx. case wgt. 14 lbs.

Baitholder Hook Assortment

A favorite of bait fishermen, the double sliced barbs on the back of the shank of these down-eye, offset hooks keep the bait where it belongs!

This five compartment, impact-resistant dial box has 100 bronze baitholder hooks in assorted sizes.

NO. D1003

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 17 lbs.

Treble Hook Assortment

The razor sharp, hollow ground, curved points of these forged bronze treble hooks can stand up to the bite of even the mightiest gamefish!

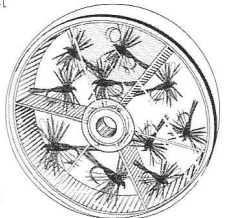

The see-through plastic lid of the five compartment dial box lets you find the hook size you are looking for in this 20-piece set.

NO. D1005

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 13 lbs.

Trout Fly Assortment

Hand-tied by skilled craftsmen, this 10-piece assortment has just the dry flies you'll need for fishing rivers and mountain lakes. Easily choose from a variety of fish catching patterns and sizes, through the transparent lid of this five compartment dial selector box.

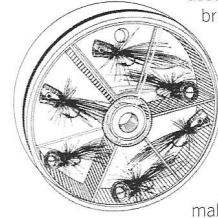

NO. D1004

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 13 lbs.

Popper Assortment

There is no doubt that you can bring a lunker to the surface with this complete selection of top-water bugs. A perfect addition to any tackle box, this assortment has six brilliantly colored poppers in an easy to use, impact-resistant dial box. Offering superb value, the clear lid makes it a snap to find your selection.

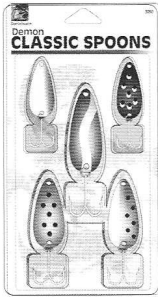

NO. D1006

Packed 1 assortment per dial box on a blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 12 lbs.

Demon Spoon Assortment

The Demon spoon assortment has the perfect lures that attract a variety of gamefish. These spoons are designed to wobble, dart and attract even the most cunning fish. This set includes five spoons of varying weights, colors and patterns that address the fishing situation at hand.

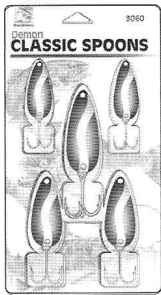

NO. 3050

Packed 5 spoons per blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 18 lbs.

Demon Spoon Assortment

It's a fact that fishermen catch fish with this five spoon assortment of varying weights. The darting and wobbling action, and red and white stripe design make the Demon one of the most effective spoons for trolling and casting.

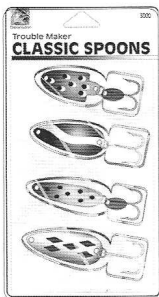

NO. 3060

Packed 5 spoons per blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 18 lbs.

Trouble Maker Spoon Assortment

The unique design of this four spoon set create a powerful influence over gamefish. Designed to attract attention with their darting and wobbling action, these casting and trolling spoons catch trout, bass and more!

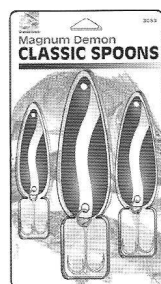

NO. 3000

Packed 4 spoons per blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 15 lbs.

Marble Spinner Assortment

These treble hook Marble spinners are killers on all types of gamefish! Great for fishing in fast water or trolling, their unique spinning action and hackle tail make fish strike out of instinct. This three pack assortment contains two 1/8 oz. and one 1/4 oz. lure.

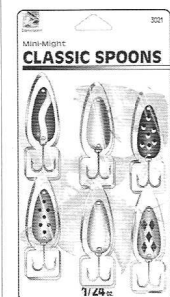

NO. 3013

Packed 3 spinners per blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 12 lbs.

Mini Mite Spoon Assortment

The unique shape and wobbling action of these Mini Mite lures catch fish in a flash! Irresistible to small gamefish, this assortment has six brilliantly painted spoons in the most popular patterns and colors.

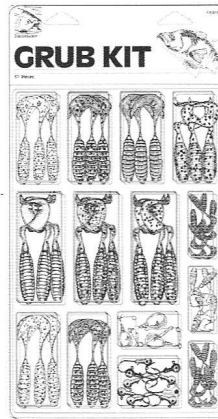

NO. 3021 (1/24 oz.)

NO. 3022 (1/8 oz.)

Packed 6 spoons per blister card, 12 cards per inner box, 144 per case. Approx. case wgt. 15 lbs.

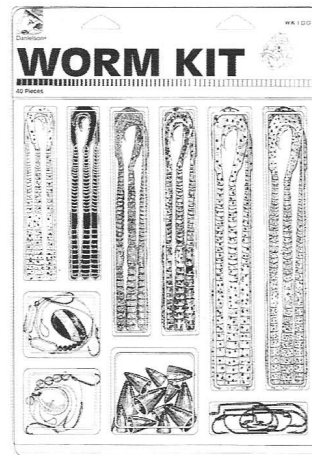

Grub Kit

The enticing, undulating motion of these grubs is proven deadly to panfish and gamefish of all types. The spiral ribbing creates sonic turbulence and traps air to be released as bubbles. This 57-piece kit includes grubs, split-tails, jig heads and jig spinners in an assortment of sizes and colors.

NO. CK200

Packed 1 kit per clam-pack with header card, 12 per inner box, 144 per case. Approx. case wgt. 51 lbs.

Worm Kit

With the look and feel of the real thing these worms provide the squirming action that gamefish can't resist. The soft textured body will have fish striking harder and holding on longer. This 40-piece kit includes worms, harnesses, hooks and worm weights in an assortment of sizes and colors.

NO. WK100

Packed 1 kit per clam-pack with header card, 12 per inner box, 60 per case. Approx. case wgt. 32 lbs.

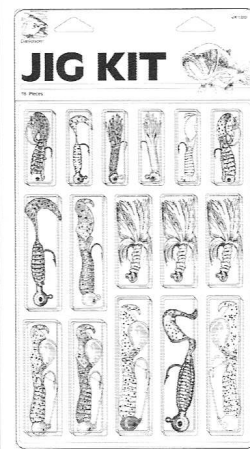

Jig Kit

Lively action and undulating motion make these jigs deadly on panfish and gamefish alike.

This 16-piece kit includes crappie jigs, mini jigs, grub jigs, spin grub jigs and spin split-tail jigs in an assortment of sizes and colors.

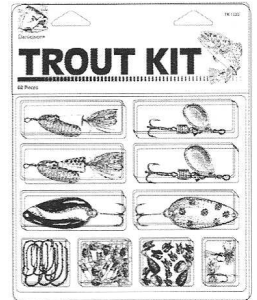

NO. JK100

Packed 1 kit per clam-pack with header card, 12 per inner box, 144 per case. Approx. case wgt. 34 lbs.

Trout Kit

Everything you need to fill that stringer is provided in this 68-piece trout kit. Selection includes spoons, spinners, flies, hooks, swivels and sinkers in an assortment of types, sizes, colors and patterns.

NO. TK100

Packed 1 kit per clam-pack with header card, 12 per inner box, 144 per case. Approx. case wgt. 35 lbs.

Panfish Kit

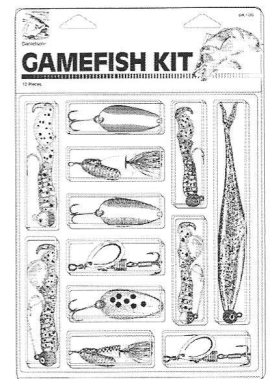

Even the most finicky panfish can't resist the lures in this 72-piece kit. Selection includes crappie jigs, mini jigs, grub jigs, spin grub jigs, crappie rigs, hooks, swivels and sinkers in an assortment of types, sizes and colors.

NO. PK100

Packed 1 kit per clam-pack with header card, 12 per inner box, 144 per case. Approx. case wgt. 37 lbs.

Gamefish Kit

Be prepared with this selection of proven lures for trout, bass, walleye and other gamefish. This 12-piece kit includes spoons, spinners, grub jigs, spin grub jig, spin split-tail jig and shad in an assortment of types, sizes, colors and patterns.

NO. GK100

Packed 1 kit per clam-pack with header card, 12 per inner box, 144 per case. Approx. case wgt. 39 lbs.

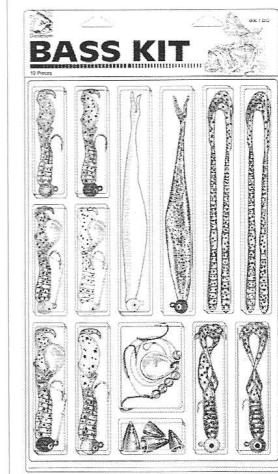

Bass Kit

With the look and feel of the real thing these soft bait lures provide the undulating action that bass can't resist. This 19-piece

kit includes worms, grub jigs, split-tail jigs, spin grub jigs, shad, worm harness and worm weights in an assortment of sizes and colors.

NO. BK100

Packed 1 kit per clam-pack with header card, 12 per inner box, 144 per case. Approx. case wgt. 54 lbs.

Dry Flies

These durable hand tied dry flies are realistic imitations of attractive food sources for trout. Usually fished with a conventional dead drift or by skittering them across the water's surface.

NO. FD

Packed 2 per blister card, 12 cards per inner box, 480 per case. Approx. case wgt. 11 lbs.

Halibut Spreader Bars

When using bait, this stainless steel wire spreader bar greatly increases your ability to catch halibut and other bottom fish. The spreader bar is most often fished with two hooks on a 2' to 4' wire or monofilament leader attached to the spreader's long arm. Weight is hung from the short arm while the mainline attaches to the swivel at the juncture.

NO. HSB

Packed 1 each per card, 12 each per inner box, 144 per case.

code	long arm	short arm	approx. case wgt.
S	12"	6"	20 lbs.
L	20"	8"	28 lbs.

Luminescent Double Drop Mono Rig

This rig is made with 250-lb test monofilament nylon and features two swivel attached 8" drops; each with a 4/0 corkscrew swivel and 3-1/2" length of luminescent tubing. Assembled with crane swivels, a sinker pin release and heavy duty swaged sleeves. Measures 24" in length.

NO. RXDDML

Packed 1 rig per polybag with fold-over header card, 12 cards per inner box, 288 per case. Approx. case wgt. 23 lbs.

Double Drop Wire Rig

Made with 60-lb test, nylon coated, multi-strand stainless steel wire, this rig features two swivel attached 5" drops; each with an interlock snap. Assembled with red fluorescent beads, crane swivels, an interlock snap sinker release and heavy-duty swaged sleeves. Measures 24" in length.

NO. RXDDWR

Packed 24 rigs with individual labels per ring, 6 rings per polybag, 20 bags per case. Approx. case wgt. 53 lbs.

Double Drop Mono Rig

This rig is made with 60-lb test monofilament nylon and features two swivel attached 5" drops; each with an interlock snap. Assembled with red fluorescent beads, crane swivels, an interlock snap sinker release and heavy-duty swaged sleeves. Measures 24" in length.

NO. RXDDMR

Packed 24 rigs with individual labels per ring, 6 rings per polybag, 20 bags per case. Approx. case wgt. 49 lbs.

Mono Spreader Bar

Use this spreader bar to keep your bait from tangling with the sinker when lowering it to the bottom. Attach your bait to the long arm and your weight to the short arm while the mainline attaches to the swivel at the juncture. This spreader bar is made with 250-lb test monofilament nylon, a 4/0 corkscrew swivel and a 3-1/2" length of luminescent tubing.

NO. MSBL

Packed 1 each per polybag with fold-over header card, 12 each per inner box, 288 per case. Approx. case wgt. 20 lbs.

Double Drop Spreader Arm Bottom Rigs

Made with 60-lb test, nylon-coated, multi-strand stainless steel wire, this 19" surf and pier rig is constructed with two 2-3/4" free-turning wire spreader arms which allow tangle-free bait movement! Assembled with red fluorescent beads, barrel swivel for mainline hook-up and an interlock snap for sinker attachment.

NO. 1040

Packed 2 per polybag with insert card, 12 cards per inner box, 240 per case. Approx. case wgt. 10 lbs.

NO. 1040R

Packed 24 rigs with individual labels per ring, 6 rings per polybag, 12 bags per case. Approx. case wgt. 19 lbs.

Double Drop Mono Bottom Rig

Perfect for surf, bay, river or pier, this rig is made with 60-lb test monofilament nylon and features two tied 5" drops; each with an interlock snap. Assembled with barrel swivels, connecting link sinker release and heavy-duty swaged sleeves. Measures 19" in length.

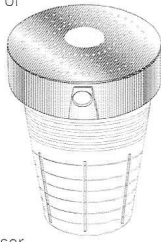

NO. RXBDDMR

Packed 24 rigs with individual labels per ring, 6 rings per polybag, 20 bags per case. Approx. case wgt. 36 lbs.

Cricket Cup

Designed for ease of use, this plastic cricket cup features multiple air vents on top and sides and climbing ledges to help prevent suffocation. Complete with convenient dispenser outlet; simply twist the top to open and close.

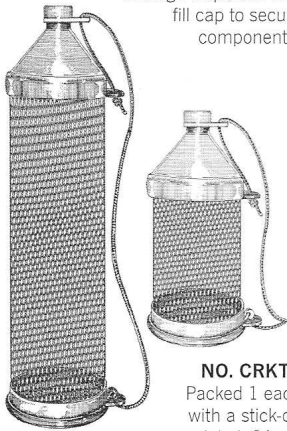

NO. CRKTC

Packed 1 each with a stick-on label, 24 per inner box, 72 per case. Approx. case wgt. 14 lbs.

Cricket Tubes

These easy to use cricket tubes feature a plastic nozzle dispenser and snap closure fill cap. Tubes are constructed of enameled diamond grid steel wire to allow for climbing and air circulation.

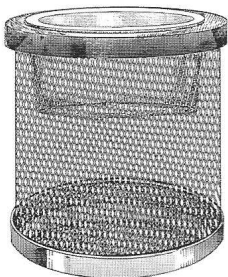

A carry cord is threaded through dispenser and fill cap to secure components.

NO. CRKTT

Packed 1 each with a stick-on label, 24 per inner box.

	code	length	dia.	each/ case	approx. case wgt.
S	6-1/2"	2-1/2"	7/2	72	14 lbs.

Cricket Basket

This cricket basket features an open-top, reach-in design with a sliding inner sleeve to prevent escape. The basket's molded plastic top and bottom secure enameled diamond grid steel wire sides that allow for climbing and air circulation. Complete with carry handle it measures 6" in diameter and 6" tall.

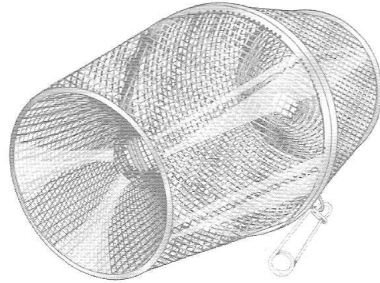

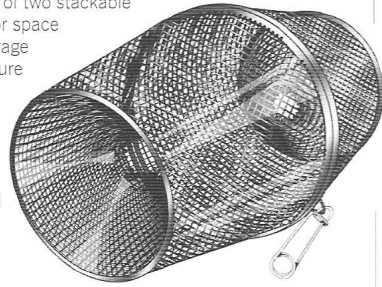

NO. CRKTB

Packed 1 each with a stick-on label, 12 per case. Approx. case wgt. 8 lbs.

Minnow Trap

Proven effective, the concave inward entrances funnel minnows into the trap. Vinyl-coated or zinc-plated to prolong use they are constructed with diamond grid steel wire welded to strong steel ring framing.

Consisting of two stackable sections for space saving storage they measure 9" in diameter at trap center with an assembled length of 16-1/2".

NO. MTW (vinyl-coated)

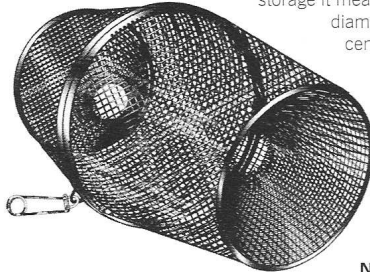

NO. MTWG (galvanized)

Packed 1 each with fold-over tag, 6 per inner box, 12 per case. Approx. case wgt. 21 lbs.

Crayfish Trap

Cone shaped inward entrances funnel crayfish into the trap and by design makes escape difficult. Vinyl-coated to prolong use it is constructed with diamond grid steel wire welded to strong steel framing.

Consisting of two stackable sections for space saving storage it measures 9" in diameter at trap center with an assembled length of 16-1/2".

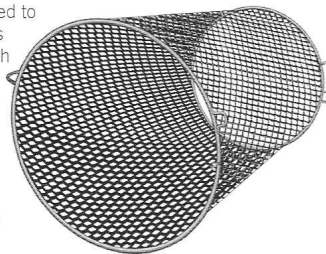

NO. MTWC

Packed 1 each with fold-over tag, 6 per inner box, 12 per case. Approx. case wgt. 21 lbs.

Trap Extension

This 15" extension section is used in conjunction with the minnow trap to increase capacity or for use as an eel pot. Complete with assembly clip it may also be used to extend the crayfish trap. Vinyl-coated to prolong use it is constructed with diamond grid steel wire welded to strong steel framing.

NO. MTWEWT

Packed 1 each with fold-over tag, 4 per case. Approx. case wgt. 8 lbs.

Minnow Trap Utility Clip

Quickly and easily assemble sections of the minnow or crayfish trap or the trap extension. Just squeeze to open; spring-action automatically returns the clip to the closed and locked position.

NO. MTWCLIP

Packed 2 clips per polybag with header card, 24 bags per inner box, 240 per case. Approx. case wgt. 14 lbs.

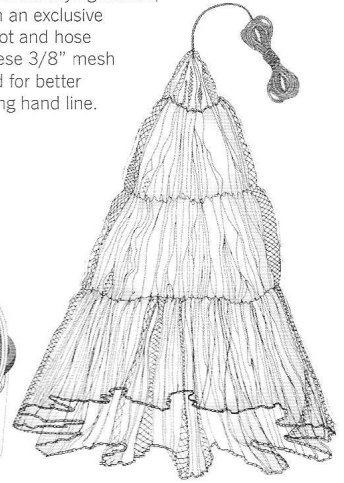

Monofilament Nylon Cast Nets with Bait Bucket

Each cast net is bonus packed in a bait bucket with a carrying handle, removable lid, an extra large bait access door with an exclusive locking system and built-in portable aerator clip slot and hose port. Designed to fully open and spread flatter, these 3/8" mesh nylon monofilament cast nets are weight balanced for better casting and sinking action and feature an extra long hand line.

NO. CNMB

Packed 1 each per plastic carry bucket with stick-on label, 6 per case.

4-Qt. Bait Bucket

Compact 4 quart size fits in coolers and live wells, yet is large enough for minnows, shrimp and leeches. Features include a removable lid with an extra large bait access door with an exclusive locking system, built-in portable aerator clip slot and hose port and sturdy carrying handle.

NO. BB4

Packed 1 each with stick-on label, 12 per case. Approx. case wgt. 9 lbs.

10-Qt. Bait Bucket 2-Piece

Two-piece, 10 quart inner/outer design allows water to be changed easily or the inner bucket to be tied to boat or dock for continuous bait aeration. Slotted drain port configuration channels water straight down to control splashing. Other features include built-in portable aerator clip slot and hose port and an extra large bait access door with an exclusive locking system plus sturdy carrying handles.

NO. BB210

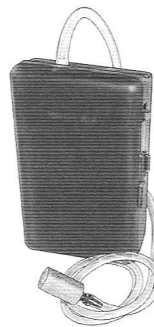

Packed 1 each with stick-on label, 6 per case. Approx. case wgt. 16 lbs.

Bellows Aerator

Features include air stone, hose and convenient clip-on attachment. Operates on a single "D" cell battery with a compartment for storing a spare battery. Battery not included.

NO. MP500

Packed 1 each per blister card, 12 per inner box, 48 per case. Approx. case wgt. 21 lbs.

Piston Aerator

This power packed piston pump comes complete with air stone, hose and handy clip-on attachment that easily hangs right from your minnow bucket.

Features include a solid bar battery contact, rubber assembly gasket and a non-corrosive switch. Powered by dual "D" cell batteries. Batteries not included.

NO. MP700

Packed 1 each per blister card, 12 per inner box, 48 per case. Approx. case wgt. 21 lbs.

Replacement Aerator Stones

Maintain proper oxygen levels with these replacement aerator stones. This great item is designed to fit most battery operated live bait aerators. For fresh or saltwater use.

NO. MPRS

Packed 2 per blister card, 12 cards per inner box, 240 per case. Approx. case wgt. 15 lbs.

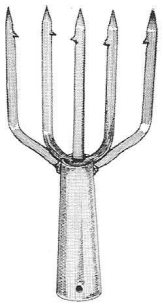

Jumbo Fish Spear

Designed for larger, heavier fish, this jumbo 5-prong spear measures 9-1/4" in length and 4-1/4" wide with 5" by 1/4" diameter tines. Constructed of tempered steel and finished in black enamel, this spear features razor sharp tips and sure-holding barbs.

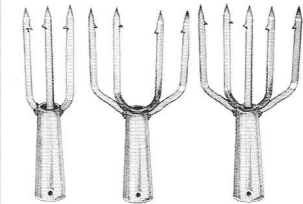

NO. FFS5J

Packed 1 each per skin-pack card, 12 per inner box, 60 per case. Approx. case wgt. 42 lbs.

Fish Spears

Featuring razor sharp tips and sure-holding barbs, these fish spears are constructed of tempered steel and finished in black enamel to prevent corrosion. All three sizes have a drilled ferrule for mounting.

NO. FFS

Packed 1 each per skin-pack card, 12 per inner box, 120 per case.

Packed 1 each with fold-over tag, 3 per bundle. Approx. case wt. 2 lbs.

SN140S
knotless nylon

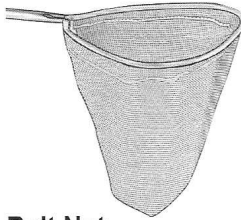

Knotless Nylon Telescoping Smelt and Shad Net

Designed to catch smelt, shad, herring, shrimp and other baitfish, this specialty net features a telescoping handle with 87" and 140" settings secured by strong push-button lock. The telescoping 1-1/8" into 1-1/4" diameter diamond embossed handle snaps into the 12" extension of its 20" x 19" x 1/2" diameter D-shaped bow. Available with 30" deep knotless nylon mesh netting.

NO. SN140S

(knotless nylon)

Packed 1 each with fold-over tag, 3 per bundle. Approx. case wgt. 7 lbs.

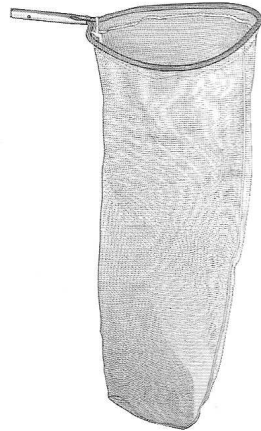

Bait Net

Designed for scooping shad, herring and other baitfish this bait net features 30" deep knotless nylon mesh netting. Measuring 6' in length with a 52" x 1-1/8" diameter diamond embossed handle and 20" x 19" x 1/2" diameter D-shaped bow.

NO. BN52F

Packed 1 each with fold-over tag, 3 per bundle. Approx. case wgt. 4 lbs.

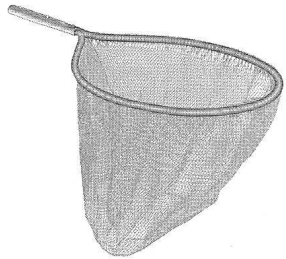

Smelt Surf Net

Designed specifically for use in the surf this smelt net features a 60" deep knotless nylon mesh netting for repeated scooping without risk of losing previously netted smelt. Measuring 6' in length with a 48" x 1-1/8" diameter diamond embossed handle that snaps into the 12" extension of its 20" x 19" x 1/2" diameter D-shaped bow.

NO. SN52F

Packed 1 each with fold-over tag, 3 per bundle. Approx. case wgt. 4 lbs.

SN140SM
monofilament

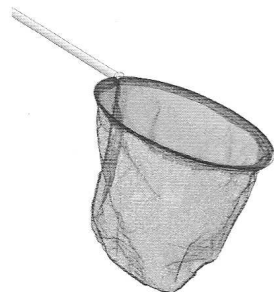

Monofilament Nylon Telescoping Smelt and Shad Net

Designed to catch smelt, shad, herring, shrimp and other baitfish, this specialty net features a telescoping handle with 87" and 140" settings secured by strong push-button lock. The telescoping 1-1/8" into 1-1/4" diameter diamond embossed handle snaps into the 12" extension of its 20" x 19" x 1/2" diameter D-shaped bow. Available with 22" deep monofilament nylon netting.

NO. SN140SM

(monofilament nylon)

Packed 1 each with fold-over tag, 3 per bundle. Approx. case wgt. 7 lbs.

Butterfly Net

An ideal butterfly and scientific net, it features a super soft fine mesh netting that will not harm insects. Constructed with a 13" diameter steel wire hoop and 20" aluminum handle with 15" deep net.

NO. BFN1320

Packed 1 each with wrap-around pegboard card, 24 per case. Approx. case wgt. 10 lbs.

Retractable Cord Trout Net

Designed for stream fishing, the teardrop-shaped basket of this landing net has a 14-1/4" x 11" hoop opening and is 19" deep. Featuring a retractable cord with snap, this aluminum frame net measures 20" in length. Available in a natural finish with durable polypropylene netting.

NO. D3X

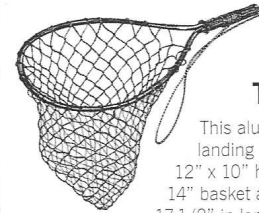

Packed 1 each with fold-over tag, 12 per bundle, 72 per case. Approx. case wgt. 27 lbs.

Trout Net

This aluminum frame landing net features a 12" x 10" hoop opening, 14" basket and measures 17-1/2" in length. Comfortable plastic grip is easy to handle even when wet. Elastic lanyard makes it convenient to carry.

NO. D3

Packed 1 each with fold-over tag, 12 per bundle, 144 per case. Approx. case wgt. 44 lbs.

Black Trout Net

This aluminum frame landing net features a 12" x 10" hoop opening, 14" basket and measures 17-1/2" in length. Comfortable plastic grip is easy to handle even when wet. Elastic lanyard makes it convenient to carry.

NO. D3BLK

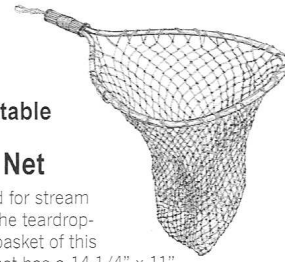

Packed 1 each with fold-over tag, 12 per bundle, 144 per case. Approx. case wgt. 45 lbs.

Scoop Nets

This wooden handle bait and crab scoop net features a circular hoop with a full sized, flat-bottomed basket of nylon netting.

Packed 1 each with stick-on label, 6 per inner box.

Bamboo Net

This lightweight trout net is conveniently sized for carrying, yet large enough for lunker trout. Crafted with a split bamboo laminate frame, soft nylon netting and an elastic lanyard for attaching to vest or belt. Net measures 20" in length. Hoop size is 13-1/2" x 8-1/2" and is 23" deep.

NO. NLWF

Packed 1 each per polybag with hang tag, 25 per case. Approx. case wgt. 14 lbs.

Classic Bamboo Net

Considered the standard, this classic trout net is crafted with a split bamboo laminate frame and soft nylon netting. A convenient elastic lanyard attaches to vest or belt. Net measures 23" in length. Hoop size is 15" x 11" and is 23" deep.

NO. BLW32

Packed 1 each per polybag with hang tag, 25 per case. Approx. case wgt. 14 lbs.

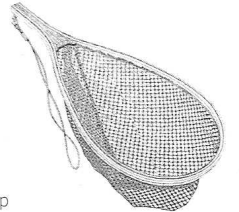

Catch & Release Bamboo Net

Designed for catch and release, this trout net features a knotless nylon mesh netting with an elongated net bottom so fish lay flat. Crafted with a split bamboo laminate frame, it has an elastic lanyard for attaching to vest or belt. Net measures 20" in length. Hoop size is 13-1/2" x 8-1/2" and is 8" deep.

NO. NLWFCR

Packed 1 each per polybag with hang tag, 25 per case. Approx. case wgt. 14 lbs.

Catch & Release Classic Bamboo Net

Designed for catch and release, this classic trout net features a knotless nylon mesh netting with an elongated net bottom so fish lay flat. Crafted with a split bamboo laminate frame it has an elastic lanyard for attaching to vest or belt. Net measures 23" in length. Hoop size is 15" x 11" and is 9" deep.

NO. BLW32CR

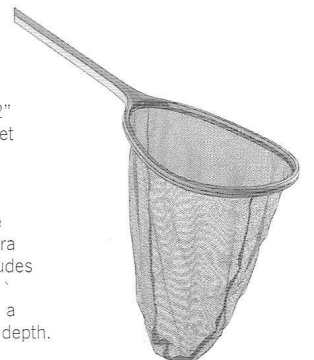

Packed 1 each per polybag with hang tag, 25 per case. Approx. case wgt. 17 lbs.

Catch & Release Long Handle Bamboo Net

Both hoop and extra long 32" handle of this classic trout net are crafted with laminated split bamboo and feature knotless nylon catch and release netting. Ideal for use from a boat or anywhere extra reach is necessary. Net includes a clip-on elastic lanyard and measures 47" in length with a 15" x 11" hoop and 22" net depth.

NO. BLW32LHCR

Packed 1 each per polybag with hang tag, 10 per case. Approx. case wgt. 14 lbs.

Minnow Dip Net

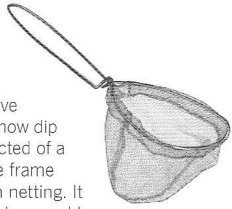

Great for bait buckets and live wells this minnow dip net is constructed of a one-piece wire frame and fine mesh netting. It measures 11" long and has a 4-1/4" x 3-3/4" D-shaped hoop.

NO. DN109

Packed 12 each per bundle, 720 per case. Approx. case wgt. 37 lbs.

NO. DN109C (label)

Packed 1 each with label, 12 per bundle, 720 per case. Approx. case wgt. 38 lbs.

Fluorescent Orange Dip Net

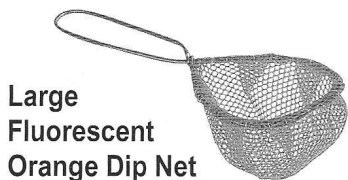

Featuring a bright fluorescent orange mesh netting for easy visibility this minnow dip net is ideally suited for ice fishing. One-piece wire frame construction measures 11" long with a 4-1/4" x 3-3/4" D-shaped hoop.

NO. IFDN109

Packed 12 each per bundle, 720 per case. Approx. case wgt. 42 lbs.

NO. IFDN109C (label)

Packed 1 each with label, 12 per bundle, 720 per case. Approx. case wgt. 44 lbs.

Large Fluorescent Orange Dip Net

The high visibility fluorescent orange mesh netting of this larger and stronger minnow dip net makes it ideal for ice fishing. One-piece heavy-gauge wire construction measures 11" long with a 4" x 5" D-shaped hoop.

NO. IFDNDLX

Packed 1 each with label, 12 per bundle, 480 per case. Approx. case wgt. 55 lbs.

Large Minnow Dip Net

Featuring fine mesh netting this large size minnow dip net is made stronger with one-piece, heavy-gauge wire frame construction. It measures 11" long and has a 4" x 5" D-shaped hoop.

NO. DNDLX

Packed 1 each with label, 12 per bundle, 480 per case. Approx. case wgt. 48 lbs.

Jumbo Bait Dip Net

Built to handle large bait this jumbo dip net is constructed of a one-piece, extra heavy-gauge wire and features a deep basket mesh net. It measures 16" long and has a 5" x 6" D-shaped hoop.

NO. DNJ

Packed 1 each with label, 12 per bundle, 120 per case. Approx. case wgt. 35 lbs.

Floating Minnow Dip Net

Featuring a fluorescent red and white floating foam handle this dip net is ideal for bait bucket and live well. Constructed of one-piece wire frame and fine mesh netting it measures 11" long and has a 4-1/4" x 3-3/4" D-shaped hoop.

NO. DN109F

Packed 1 each with label, 12 per bundle, 240 per case. Approx. case wgt. 17 lbs.

Plastic Bait Scoop

Ideal for leeches and minnows this plastic bait scoop has a D-shaped basket with drain holes and features a hook remover at the end of the handle. It measures 8-1/2" long and has a 3-1/4" x 3-1/4" x 1-3/8" deep basket.

NO. PBS

Packed 2 each with stick-on label, 288 per case. Approx. case wgt. 19 lbs.

Deluxe Plastic Fish Billie Club

Made of strong highly durable plastic, this deluxe billie club is the best way to subdue any large catch. The knuckle guard is designed to protect your hand and also prevents the club from rolling around on your boat deck. The contour fitted grip will prevent the club from slipping out of your hand and insures subduing the fish with one swing.

NO. FBPC

Packed 1 each with hang tag, 6 each per inner box, 48 per case. Approx. case wgt. 49 lbs.

Fish Billie Club

This practical billie club is the quick and humane way to subdue your catch. Lathed from fine hardwood, it has a nylon lanyard at the handle for safety. Measures 15-3/4" in length by 1-9/16" in diameter.

NO. FBC

Packed 1 each with a stick-on label, 48 per case. Approx. case wgt. 33 lbs.

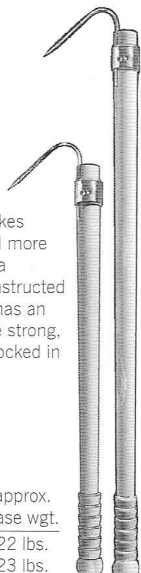

Commercial Gaffs

These heavy-duty gaffs are what commercial fishermen use. The proven hook design makes gaffing safer, easier and more accurate. Also used as a clubbing device it is constructed of solid hardwood and has an easy to grip handle. The strong, stainless steel hook is locked in place with a stainless steel sleeve.

NO. CG

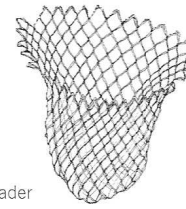

Bulk packed 1 each with tip protector.

code	length	pack	case approx. wgt.

Landing Net Display Rack

Allows an upright presentation of landing nets or rod and reel combos with either pegboard or slotwall fixtures. Constructed of vinyl-coated steel wire this 22" wide rack features 8 tubes that will accept handles up to 1-5/8" diameter. Slotwall use requires LNR8SWA Slotwall Adapters.

NO. LNR8

Packed 1 each per polybag, 6 per case. Approx. case wgt. 27 lbs.

LNR8 Slotwall Adapter

Brackets adapt LNR8 Landing Net Display Rack to slotwall systems. Features include security clips for locking brackets in place.

NO. LNR8SWA

Packed 1 pair per polybag, 36 pair per case. Approx. case wgt. 30 lbs.

Landing Net Floor Display Rack

Multi-level 66-slot grids allow upright display of a number of landing nets in various combinations of styles and sizes. Casters allow easy portability and are spaced 20" apart on each end to insure stability. Bottom mesh grid prevents long-handled nets from reaching the floor. Rack measures 48" wide and 34" tall with an 8" grid width.

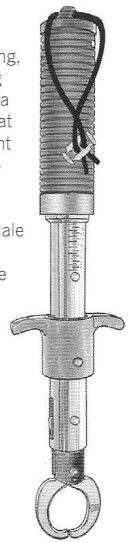

NO. LNFDF

Packed 1 display per case. Approx. case wgt. 24 lbs.

Lip Grip with Scale

Lip Grip is a fish landing, handling and weighing tool. Features include a positive locking jaw that tightens with the weight of the fish and a cushioned handle that swivels to reduce the torque. A calibrated scale weighing up to 30 lbs. is incorporated into the stainless steel housing while an adjustable lanyard secures the tool to wrist. Excellent for catch and release applications.

NO. LG

Packed 1 each per clam-pack, 12 packs per inner box, 48 per case. Approx. case wgt. 50 lbs.

55-lb T-Handle Scale

Comfortable T-handle design and a light weight, aluminum housing make this 55-lb spring scale ideal for weighing big fish. Engineered for quality and accuracy, it's easy to read gauge has a sliding ring for precise measurement in pounds and kilograms. Scale includes a folding ring for hanging.

NO. STH55

Packed 1 each per blister card, 12 cards per inner box, 96 per case. Approx. case wgt. 38 lbs.

100-lb Spring Scale

This rugged, metal spring scale is for the big ones! Reading in both pounds and kilograms, it features a polished brass face plate and strong chrome weighing hook and hanging ring.

NO. 112

Packed 1 each per skin-pack card, 12 cards per inner box, 36 per case. Approx. case wgt. 27 lbs.

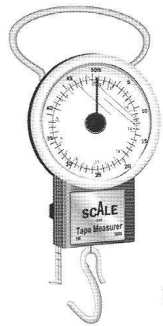

50-lb Spring Scale

Engineered for quality and accuracy, this rugged, metal spring scale weighs in both pounds and kilograms. It has a strong chrome weighing hook, hanging ring and polished brass face plate.

NO. 56

Packed 1 each per skin-pack card, 12 cards per inner box, 60 per case. Approx. case wgt. 31 lbs.

50-lb Easy-Read Scale

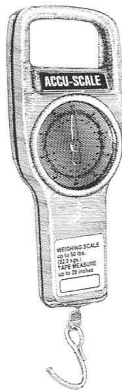

No more doubts about how much the big one really weighs when you use this deluxe fish scale with a folding handle. Fitting conveniently into your tackle box, it weighs fish up to 50 pounds. An easy to read dial gauge measures in both pounds and kilograms. Complete with 39" retractable tape measure.

NO. DS50R

Packed 1 each per blister card, 10 per inner box, 100 per case. Approx. case wgt. 39 lbs.

50-lb Deluxe Scale

Precise springs measuring in pounds and kilograms guarantee the accuracy of this deluxe 50-lb scale. Lightweight and easy to store, it has a chrome weighing hook and molded handle for a comfortable grip and 39" retractable tape measure.

NO. DS50

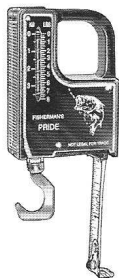

Packed 1 each per blister card, 10 per inner box, 100 per case. Approx. case wgt. 46 lbs.

8-lb Pocket Scale

This compact scale features a 24" retractable tape measure and fold-up weighing hook. Measuring in both kilograms and pounds, it is great for panfish and trout. Slips easily into vest pocket.

NO. 259

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wgt. 14 lbs.

28-lb Pocket Scale

Take all of your trophy bass or trout's vital stats with this lightweight 28-lb scale. Measuring in both kilograms and pounds, it features easy to read numerals, a 38" retractable tape measure and a fold-up weighing hook.

NO. 228

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wgt. 33 lbs.

Polycord Stringers

What a value! These promotional fish stringers feature twisted, heavy-duty polycords and rust-resistant rings and threading needles.

NO. 9403PT

Packed 1 each per polybag with header card, 24 per inner box, 288 per case.

code	length	approx. case wgt.

7 Snap Chain Stringer

Display your catch of the day with this popular seven snap, 40" stringer. It features single swivel construction that prevents tangles, easy to open, secure lock snaps and cadmium plating that is tough on corrosion.

NO. 7320

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 37 lbs.

9 Snap Chain Stringer

This sturdy 46" nine snap stringer makes sure the big ones don't get away after they're caught. The single swivel construction prevents tangles, and it has easy open, secure-lock snaps and corrosion-resistant cadmium plating.

NO. 9320

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 44 lbs.

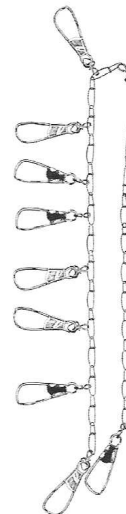

Swivel Snap Chain Stringer

Tangling and twisting are virtually eliminated with this 48" chain stringer with nine swiveling snaps. The chain and snaps are cadmium plated to protect against corrosion.

NO. 4212

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 51 lbs.

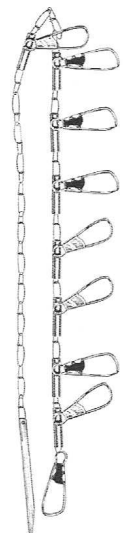

Sliding Snap Chain Stringer

This 60" cadmium plated chain stringer features nine heavy-duty snaps. One is an end snap and the other eight easily slide over the threading needle and onto the chain. Sliding sleeve snaps allow you to work with one snap at a time, without picking up the whole stringer.

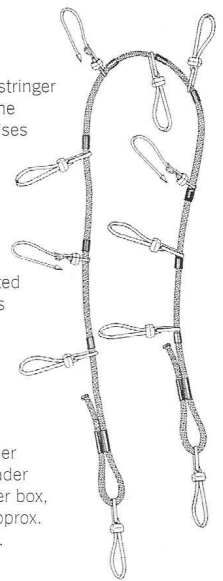

NO. 4100

Packed 1 each per polybag with header card, 12 per inner box, 72 per case. Approx. case wgt. 42 lbs.

Silent Stringer

This 108" silent stringer does not make the fish spooking noises that most chain stringers cause when they rub against the side of the boat. It is constructed of a heavy-duty, twisted polycord and has 11 nylon safety lock snaps.

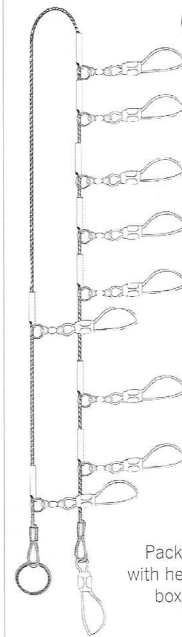

NO. 4200

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 38 lbs.

Sliding Snap Cable Stringer

Free turning crane swivels virtually eliminate tangling and twisting with this 10 snap stringer. Brass sleeves allow the easy open, secure lock snaps to glide along a 72" vinyl-coated steel cable—all with minimal noise. An end snap is permanently looped to the cable and a large split ring at the other end guarantees a secure hook-up.

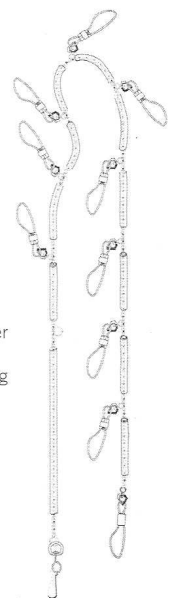

NO. S2793

Packed 1 each per vinyl bag with header card, 12 per inner box, 120 per case. Approx. case wgt. 64 lbs.

Deluxe Brass Chain Stringer

This deluxe chain stringer features a strong 72" brass chain encased in a clear vinyl tubing that minimizes noise. This tangle-free stringer comes complete with 10 safety lock swiveling snaps which are chrome-plated to resist corrosion.

NO. 1150

Packed 1 each per vinyl bag with header card, 12 per inner box, 72 per case. Approx. case wgt. 44 lbs.

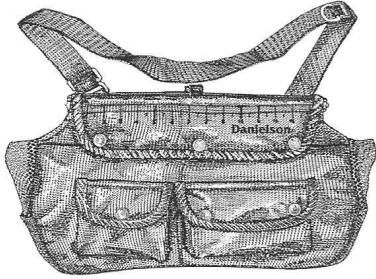

Canvas Creel

Fish can be conveniently stored and carried with this top-quality 14-1/2" x 9" fabric creel with vinyl lining. Features include an adjustable shoulder strap, two snap-closure compartments, nylon mesh side vents and a convenient silk screened ruler.

NO. 8381

Packed 1 each per polybag with hang tag, 50 per case. Approx. case wgt. 29 lbs.

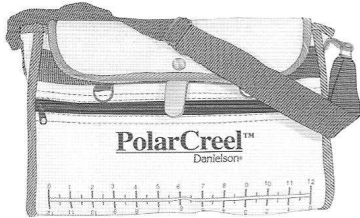

Jumbo Canvas Creel

Take the big one home in this large 19" x 12" fabric creel. It features a vinyl interior, two snap-closure compartments for extra storage, nylon mesh side vents and a silk-screened ruler.

NO. G20

Packed 1 each per polybag with hang tag, 24 per case. Approx. case wgt. 22 lbs.

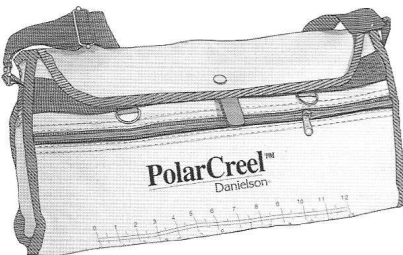

Polar Creel

Occasionally soaking this canvas Polar Creel will allow evaporation to keep fish cool and fresh. Both creel pouch and zippered pocket feature a pull-out vinyl liner for easy cleaning. A protective apron keeps the wearer dry. Measures 14" x 9".

NO. PC200

Packed 1 each per polybag with hang tag, 25 per case. Approx. case wgt. 19 lbs.

Jumbo Polar Creel

Evaporation will keep fish cool and fresh when you occasionally soak this jumbo size Polar Creel. Both creel and zippered pocket feature a pullout vinyl liner for easy cleaning. A protective apron keeps the wearer dry. Measures 18" x 9".

NO. PC300

Packed 1 each per polybag with hang tag, 25 per case. Approx. case wgt. 24 lbs.

Classic 15" Rattan Creel

Woven wicker construction allows necessary air ventilation for keeping fish cool and fresh. Measuring 15" this creel features synthetic leather trim, carry handle and printed ruler. Harness not included.

NO. 8315

Packed 1 each with hang tag, 6 per case. Approx. case wgt. 10 lbs.

Classic 18" Rattan Creel with Tackle Pouch

Woven wicker construction allows necessary ventilation for keeping fish cool and fresh. Measuring 18" this creel features handy tackle pouch on front, synthetic leather trim, carry handle and printed ruler. Harness not included.

NO. 8318

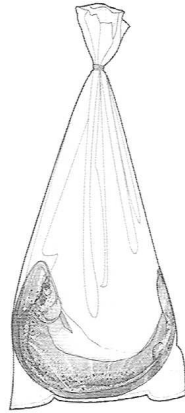

Packed 1 each with hang tag, 6 per case. Approx. case wgt. 12 lbs.

Commercial Fish Bag

This is the same bag used by charter boats for storing large fish on ice with minimal blood and slime transfer. Measuring 18" x 40" this tough 4-mil polybag is ideal for transporting fish from boat to home.

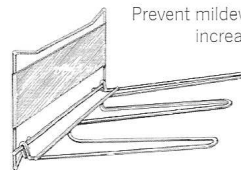

NO. FB882

Packed 250 per case. Approx. case wgt. 48 lbs.

Wall-Mount Boot Hanger

Prevent mildew, cracks and creases while increasing the life span of waders and packs by properly storing them with this wall mounted boot hanger. Constructed of a durable steel wire design.

NO. 580

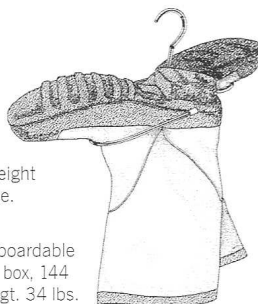

Packed 1 each per peg-boardable sleeve card, 12 per inner box, 72 per case. Approx. case wgt. 43 lbs.

Boot Hanger

The steel wire design of this boot hanger aids in drying boots and waders, and helps prevent mildew, cracks and creases. Absorbs weight of boots and saves space.

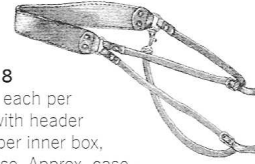

NO. 580S

Packed 1 each per peg-boardable sleeve card, 12 per inner box, 144 per case. Approx. case wgt. 34 lbs.

Creel Harness

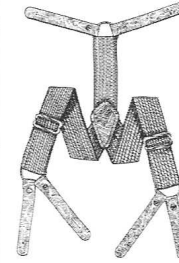

Made of synthetic leather, this harness has a 2" x 18" shoulder strap, and creel and waist straps. Designed for use with rattan or split willow creels, it has solid brass hardware.

NO. CH18

Packed 1 each per polybag with header card, 12 per inner box, 72 per case. Approx. case wgt. 31 lbs.

Y-Back Wader Suspender

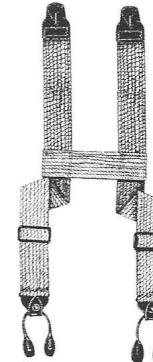

This premium quality, Y-back wader suspender features an elastic back strap and fully adjustable 1-1/2" shoulder straps for a comfortable fit. Straps are double reinforced where joined and equipped with two synthetic leather clasps attached to a rust resistant "D" ring. One size fits all.

NO. WDS

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 47 lbs.

H-Back Wader Suspender

Specifically designed for the serious outdoorsman, this wader suspender features H-back swing-free construction and 2" straps for maximum comfort. Non-glare black plastic slides, snap off front tabs, and synthetic leather loops make this suspender perfect for fishing and hunting. Adjusts up to 32" long.

NO. WSDSLX

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 74 lbs.

Wader Belt

Designed to provide outstanding support and comfort, this deluxe wader and bait box belt features a quick release buckle made of black, non-reflective plastic. Constructed of heavy-duty 1-1/4" webbing, this belt adjusts up to 50" in length.

NO. WDSB

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 23 lbs.

Polarized Sportsman's Glasses

These sportsman's glasses protect eyes by polarizing unwanted glare. They feature tinted plastic lenses and an elastic lanyard. Available with smoke lenses for all-purpose use, or amber lenses for cloudy and foggy days.

code	frame color	lens color
A	black	amber
S	black	smoke

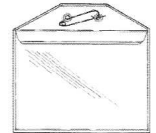

NO. 24161

Packed 1 pair per polybag with hang tag, 12 pair per inner box, 300 per case. Approx. case wgt. 34 lbs.

Pin-On License Holder

This pin-on license holder puts your fishing or hunting license just where you need it. Made of soft, pliable, clear vinyl, it measures 4-1/4" x 3-1/8" and attaches with a brass safety pin.

NO. LHPO

Packed 1 each per polybag with header card, 12 per inner box, 240 per case. Approx. case wgt. 14 lbs.

Retractable Accessory Reel

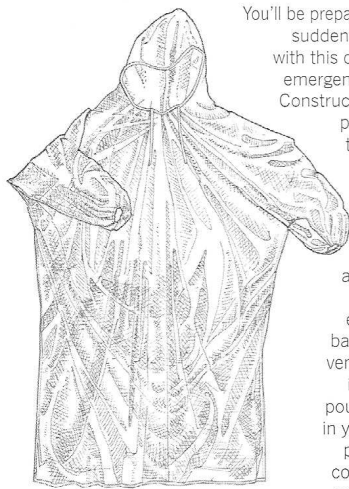

This clip-on accessory reel attaches to vest or shirt for easy access to line clippers, forceps, hook hone and other selected tools. A connecting clip secures equipment to a strong retractable nylon cord for convenient out of the way storage.

NO. RCR

Packed 1 each per blister card, 12 per inner box, 288 per case. Approx. case wgt. 20 lbs.

Emergency Poncho

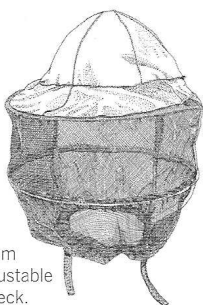

You'll be prepared for that sudden down-pour with this comfortable emergency poncho. Constructed of clear polyethylene to keep bad weather out, this poncho features a drawstring hood and elastic wrist bands. It conveniently folds into a small pouch to store in your pocket, purse, glove compartment or back pack.

NO. RWP

Packed 1 each per polybag with insert label, 40 per inner box, 240 per case. Approx. case wgt. 52 lbs.

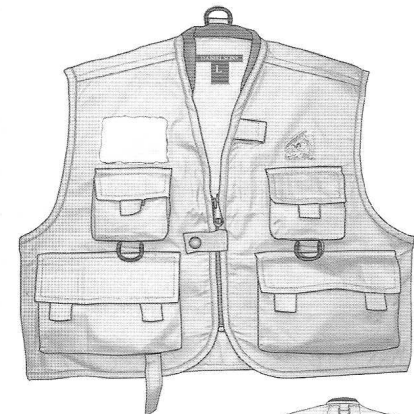

Mosquito Head Net

The fine mesh netting of this mosquito head net keeps out the smallest insects without obstructing vision. Made with a cool cotton hat style top and neck back it features formed hat and shoulder rings to keep mesh away from face and neck. Includes adjustable headband and drawstring neck.

Fillet Board

The fillet board's ribbed grooves and rust resistant, deep jaw steel clamp firmly holds your catch, letting you use your hands for filleting. Measuring 24" x 6" x 3/4", this hardwood board cleans up easily.

NO. FB246

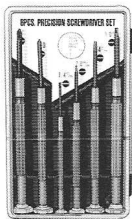

Packed 1 each skin-packed with insert label, 12 per case. Approx. case wtg. 32 lbs.

Pocket Screwdriver Set

This set contains six precision screwdrivers with standard and Phillips head blades. Packaged in a durable plastic case, this set is great to have in a tackle box for in-the-field repairs.

NO. TK106

Packed 1 set per blister card, 20 per inner box, 120 per case. Approx. case wtg. 38 lbs.

Pocket Tool Kit

This handy sportsman's kit includes: plastic handle with universal chuck, conventional blade screwdriver, Phillips screwdriver, awl and small crescent wrench conveniently packaged in a vinyl case.

NO. TK308

Packed 1 kit per blister card, 24 per inner box, 288 per case. Approx. case wtg. 35 lbs.

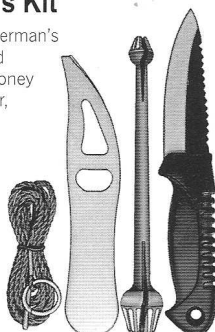

Fisherman's Kit

Four essential fisherman's tools are packaged together in this money saving kit: stringer, knife, scaler and hook remover.

NO. 6150

Packed 1 kit per blister card, 12 per inner box, 120 per case. Approx. case wtg. 40 lbs.

Bait Knife

This finely crafted bait knife is a must in every fisherman's tackle box. It has a 3-3/8" stainless steel blade and plastic handle. The top side of the blade has a saw tooth edge for cutting bones and cartilage. The sharpened edge is great for cleaning and scaling fish and cutting bait.

NO. BK350

Packed 1 each per polybag with insert card, 12 per inner box, 120 per case. Approx. case wtg. 14 lbs.

NO. BK350BULK

Bulk packed 12 each per inner box, 240 per case. Approx. case wtg. 21 lbs.

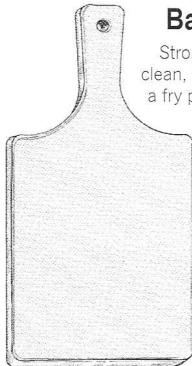

Bait Cutting Board

Strong, durable, and a snap to clean, this bait cutting board has a fry pan style handle with a die cut hole that makes it easy to store. Made of tough polyethylene, it measures 7" x 14" and is 1/2" thick.

NO. CBRD

Individually shrink-wrapped with insert label, 12 per inner box, 36 per case. Approx. case wtg. 45 lbs.

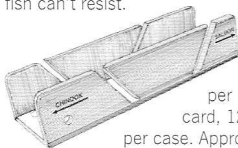

Bait Cutting Guide

This durable plastic guide provides two cut plug angles to ensure your bait has the rolling action fish can't resist.

NO. BCG1

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wtg. 25 lbs.

Premier Oyster Knife

Fitting precisely in your hand, this oyster knife is designed specifically for opening the shell and removing the delectable oyster. This classic knife is made with a tempered stainless steel blade that is available in two lengths. Handle has a molded thumb guard and is slip-resistant.

Packed 1 each per skin-pack card, 12 per inner box, 120 per case.

NO.	blade length	approx. case wtg.
OK2625R	2-5/8"	29 lbs.
OK375R	3-3/4"	30 lbs.

Oyster Knife with Guard

Especially engineered for a tight grip, this superb shucking knife has a 360-degree guard for added safety. And the contoured wooden handle of this knife won't slip out of your hand. This heavy-duty oyster knife has a 3-1/2" tempered stainless steel blade.

NO. 4018AHD

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wtg. 24 lbs.

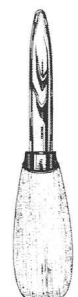

Oyster Knife

This affordable oyster knife is made for shucking. The tight-grip wooden handle resists slipping, and the 3" stainless steel blade gets the job done safely.

NO. 4018A

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wtg. 21 lbs.

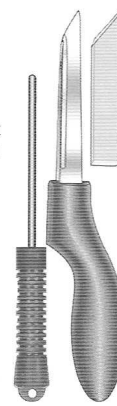

Pin Bone Knife with Sharpening Steel

Designed to remove the pin bones of most fish this patented knife is quick and easy to use. With skin side of fillet down, draw blade back toward the tail along the row of pin bones. Hidden pin bones and surrounding flesh are removed in a single cut. Unique stainless steel blade and engineered plastic handle are easy to clean and maintain. Sharpening steel and blade cover are included.

NO. PNBNR

Packed 1 each per clam-pack, 12 per inner box, 144 per case. Approx. case wtg. 46 lbs.

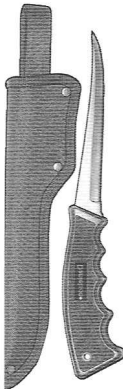

Premium Fillet Knife with Sheath

Designed and engineered for filleting fish this knife is constructed with a super sharp 6" stainless steel blade and a non-slip, ergonomically correct handle. Features include full tang construction for superior strength and a reinforced oxford nylon sheath with built in plastic insert to secure blade tip.

NO. FK6P

Packed 1 each per clam-pack with insert label, 12 per inner box, 72 per case. Approx. case wtg. 26 lbs.

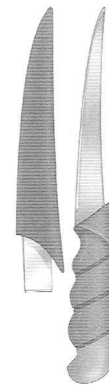

Floating Fillet Knife with Sheath

One of the most popular knives available today! Not only does this fillet knife combine value and superb quality, but it floats. It has an ultra-sharp, 6" tempered stainless steel blade and a hollow cavity handle with removable cap. It comes complete with an attractive clip-on plastic sheath.

NO. FK6F

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wtg. 35 lbs.

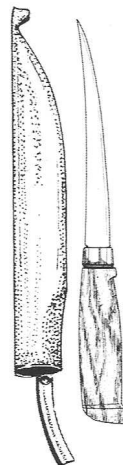

Fillet Knife with Sheath

This razor sharp knife makes filleting easy. The tempered 6-1/4" stainless steel blade has just the right flex to make short work of filleting. This knife features a sure-grip wooden handle and plastic sheath with belt loop.

NO. FK6W

Packed 1 each per blister card, 12 per inner box, 60 per case. Approx. case wtg. 19 lbs.

Spoon Knife

This ultra-sharp knife has just the right flex for smooth precision filleting. And with a spoon molded to the handle, it permits quick and complete evisceration of salmon and big trout. Features include a 6-1/2" tempered stainless steel fillet blade and a finely crafted handle that resists slipping, even when wet.

NO. GK6R

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wtg. 45 lbs.

Sharpening Steel w/Rubber Handle

Designed for fishermen, this multi-surface, diamond dust impregnated sharpening steel features both round and flat surfaces and a grooved slot for sharpening hooks.

NO. SSRH

Packed 1 each per clam-pack with insert label, 12 per inner box, 144 per case. Approx. case wtg. 10 lbs.

Hook Point File

Put the bite back in your favorite hooks with this superb, light-weight file. Made of high-carbon steel, this file has an ultra fine cutting edge that makes hooks razor sharp in seconds. Measuring 3/8" x 5-1/4", it has a tapered, round plastic handle for a comfortable, sure grip.

NO. HPF

Packed 1 each per skin-pack card, 12 per inner box, 300 per case. Approx. case wtg. 12 lbs.

Hook File with Handle

Every fisherman knows a sharp hook can be the difference between catching and losing a trophy fish! This top of the line 3" file is constructed of high-carbon steel and has an easy to grip 3" plastic handle.

NO. HF1

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wtg. 21 lbs.

Hook File

The superior quality of this file makes a point for better hooked fish. Made of high-carbon steel, this ultra-fine hook file measures 3/4" x 5-1/2". It is small enough to slip into a vest pocket. Treating the file with a silicone lubricant helps to prevent corrosion.

NO. HF2

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wtg. 13 lbs.

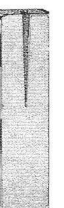

Hook Hone

The slotted design of this fine-grain hard stone, hones and polishes hooks to a razor sharp point. Its flat reverse side touches up knives quickly. This pocket size stone measures 3-1/8" long x 7/8" wide x 3/8" thick.

NO. HH25

Packed 1 each per blister card, 12 per inner box, 240 per case. Approx. case wtg. 23 lbs.

Line Clipper

The handiest tool a fisherman can own! This great item has a clipper, knife, disgorging, stiletto and a lanyard that conveniently attaches to a vest.

NO. 71

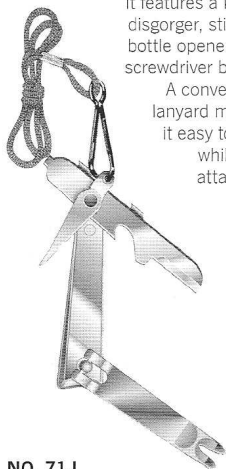

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wgt. 12 lbs.

Jumbo Line Clipper

This clipper is great for any tackle box or vest pocket.

It features a knife, disgorging, stiletto, bottle opener and screwdriver blade.

A convenient lanyard makes it easy to use while it's attached to a vest.

NO. 71J

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wgt. 19 lbs.

Line Cutter with Spike

This stainless spring steel tweezers-type nipper is designed for cutting and trimming fishing line. Features include a recessed spike and a hole for attaching a lanyard.

NO. LCWS

Packed 1 each per blister card, 12 cards per inner box, 288 per case. Approx. case wgt. 14 lbs.

Braided Line Cutter

Designed to easily cut braided lines this tweezers-type nipper is made of strong, lightweight plastic with a razor sharp stainless steel blade. Safe and easy to use this cutter features a hole for attaching a lanyard.

NO. LCB

Packed 1 each per blister card, 24 per inner box, 288 per case. Approx. case wgt. 8 lbs.

Hook Remover

Two heads together can solve more problems than one, especially when you need to retract an engulfed hook. Simple and economical, this sturdy 6-3/4" hook remover features a small and large head for all hook sizes.

NO. 190

Packed 1 each per polybag with header card, 24 per inner box, 720 per case. Approx. case wgt. 32 lbs.

Trigger Hook Remover

No need to touch the fish or see the hook. Simply engage the leader, slide down over the shank of the hook and pull the trigger. This hook remover automatically reverses the hook so you can easily remove it. It features rugged plastic construction with a stainless steel wire eye.

NO. 195

Packed 1 each per blister card, 12 per inner box, 240 per case. Approx. case wgt. 29 lbs.

Pistol Grip Hook Remover

The right angle design of this pistol grip hook remover allows you a clear view when retracting swallowed hooks, lures and flies. Hand-to-jaw spring-action, serrated jaw and a corrosion-resistant zinc plating are the unique features that make this deluxe hook remover very functional and a superb value.

NO. BHR8

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wgt. 52 lbs.

Hook Remover

This is just the instrument you need to remove a swallowed hook, lure or fly in a jiffy. Spring-loaded action, grip-tight jaws and zinc-plating that is tough on corrosion make this the ideal hook remover.

NO. HR8

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wgt. 47 lbs.

Quick-Trigger Hook Remover

From a panfish to a large mouth lunker, this hook remover instantly removes the hook without ever touching the fish. Simply put the fishing line in the guide slot and slide the hook remover down the line and over the shank of the hook. With the line drawn tight, pull the spring-loaded trigger and the hook is automatically removed... it's that easy! It is made of chrome-plated steel to resist corrosion.

NO. HR

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wgt. 35 lbs.

Skinning Pliers

Skinning all types of fish is as easy as 1,2,3 with these superbly constructed skinning pliers! They feature a 1-1/4" width jaw, firm spring-loaded grip and a plated finish that acts tough on corrosion.

NO. 4976

Packed 1 each per polybag with header card, 12 per inner box, 120 per case. Approx. case wgt. 32 lbs.

Fish Mouth Spreader

This jaw spreader holds the mouth wide open while you remove a hook or scale and clean your catch. Easy to use, simply insert it into the fish's mouth, turn and disengage the spring-loaded jaws. Made of spring steel and finished in black enamel to resist corrosion.

NO. FMS

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wgt. 14 lbs.

Jumbo Fish Mouth Spreader

Made for large, heavy-mouthed fish, this jumbo fish mouth spreader holds the fish's jaws wide open while you easily remove the hook or clean and scale your prize. A snap to use, simply insert the spreader into the fish's mouth, turn and disengage the spring-loaded jaws. Made of spring steel and finished in black enamel to resist corrosion.

NO. FMSJ

Packed 1 each per skin-pack card, 12 per inner box, 120 per case. Approx. case wgt. 19 lbs.

Fish Scaler

Make quick, light work of scaling fish with this rust resistant 7" scaler. Features include a double row of serrated teeth and a tapered design for those hard to reach places.

NO. FS7

Packed 1 each per polybag with insert card, 12 per inner box, 120 per case. Approx. case wgt. 16 lbs.

Rubber Handle Scaler

With the comfortable, angled sure-grip, rubber handle, you can scale your prize catch in seconds. This great tool resists rust and has double-bladed construction with 2 rows of serrated teeth for lightening fast scaling.

NO. FSRH

Packed 1 each per polybag with header card, 12 per inner box, 120 per case. Approx. case wgt. 51 lbs.

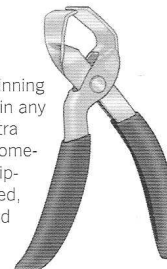

Deluxe Skinning Pliers

The mighty jaws of these skinning pliers make it a breeze to skin any type of fish. They feature extra heavy-duty, 1-1/2" wide chrome-plated jaws for maximum gripping power, and spring-loaded, vinyl-coated handles for good control and a sure grip.

NO. DSP2

Packed 1 each per skin-pack card, 12 per inner box, 60 per case. Approx. case wgt. 33 lbs.

Surgical Pliers with Scissors

This 6" combination pliers and scissors is one of the handiest fishing tools you can own. Cutting blades clip monofilament, while serrated jaws remove hooks and crimp split-shot. Locks closed for use as a stream-side vise.

NO. PHS6

Packed 1 each per blister sleeve, 12 per inner box, 144 per case. Approx. case wgt. 19 lbs.

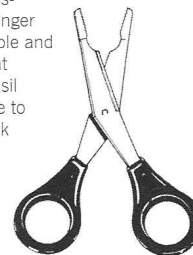

Fishing Scissors

These stainless steel scissors have large plastic finger loops that are comfortable and easy to use. The efficient design of this great utensil has a serrated plier nose to crimp split-shot and work as a hook remover. It's small enough for a tackle box or vest pocket.

NO. FS1

Packed 1 each per blister sleeve, 12 per inner box, 144 per case. Approx. case wgt. 14 lbs.

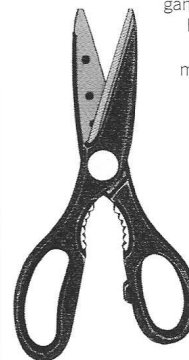

Sportsman's Shears

This handy, full sized 8" game and fish shears features high carbon, stainless steel blades and comfortable molded handles with built-in vise gripping jaws. These indispensable shears are made with the outdoor enthusiast in mind to provide options that are not practical with a knife. Lightweight and easy to use, these shears are great for many household uses.

NO. FS8

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wgt. 41 lbs.

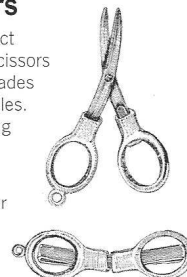

Folding Scissors

Neatly folding for compact storage, these durable scissors feature stainless steel blades and chrome-plated handles. Great for fishing, camping or traveling.

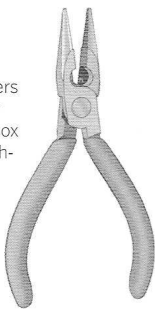

NO. 67100

Packed 1 each per blister card, 24 per inner box, 288 per case. Approx. case wgt. 15 lbs.

Long Nose Pliers

These long nose pliers are a must for every fisherman's tackle box or vest. Made of high-carbon steel, they feature tight-grip jaws, sharp cutting edge and EVA foam sure-grip handles.

Packed 1 each per blister sleeve, 12 per inner box, 48 per case.

NO.	size	approx. case wgt.
T5	5"	13 lbs.

CL6	6"	17 lbs.
CL8	8"	25 lbs.

Long Nose Pliers with Nylon Sheath

Quick and easy access to pliers is made possible with the holster style sheath made of tough, oxford nylon. Available with 6" or 8" long nose pliers.

Packed 1 each per blister sleeve, 12 per inner box, 48 per case.

NO.	size	approx. case wgt.
T6S	6"	18 lbs.
T8S	8"	26 lbs.

Diagonal Cutter

These diagonal cutters with EVA foam sure-grip handles are the perfect tool for cutting all types of line and lead wire. Its 5" size makes it ideal to slip into a vest pocket or carry along in a tackle box.

NO. DC5

Packed 1 each per blister sleeve, 12 per inner box, 48 per case. Approx. case wgt. 13 lbs.

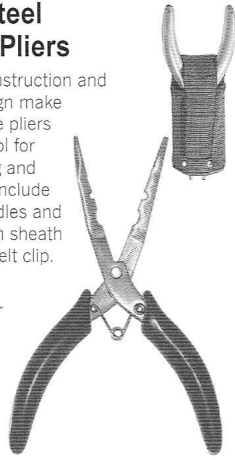

Stainless Steel Long Nose Pliers

Stainless steel construction and spring action design make these 6" long nose pliers an ideal fishing tool for pinching, crimping and cutting. Features include soft vinyl grip handles and a heavy-duty nylon sheath with spring steel belt clip.

NO. PSLN6

Packed 1 each per clam-pack with insert label, 12 per inner box, 48 per case. Approx. case wgt. 16 lbs.

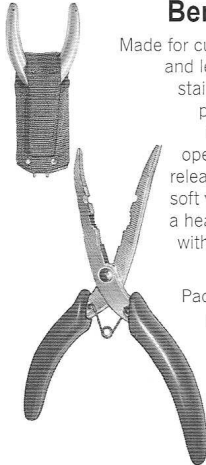

Stainless Steel Bent Nose Pliers

Made for cutting line, wire leader and lead wire these 4-1/2" stainless steel side cutter pliers are an ideal fishing tool. Spring action opens pliers when grip is released. Features include soft vinyl grip handles and a heavy-duty nylon sheath with spring steel belt clip.

NO. PSBN6

Packed 1 each per clam-pack with insert label, 12 per inner box, 48 per case. Approx. case wgt. 15 lbs.

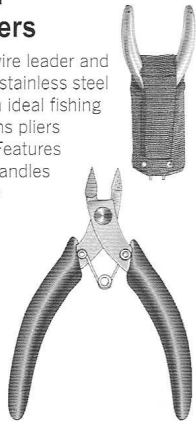

Stainless Steel Side Cutter Pliers

Made for cutting line, wire leader and lead wire these 4-1/2" stainless steel side cutter pliers are an ideal fishing tool. Spring action opens pliers when grip is released. Features include soft vinyl grip handles and a heavy-duty nylon sheath with spring steel belt clip.

NO. PSSC4

Packed 1 each per clam-pack with insert label, 12 per inner box, 48 per case. Approx. case wgt. 15 lbs.

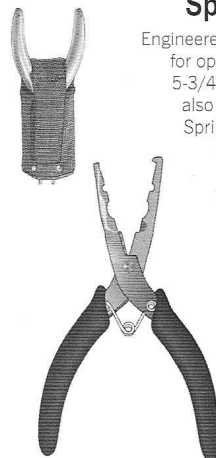

Stainless Steel Split Ring Pliers

Engineered with a hooked nose for opening split rings these 5-3/4" stainless steel pliers also pinch, crimp and cut. Spring action opens pliers when grip is released. Features include soft vinyl grip handles and a heavy-duty nylon sheath with spring steel belt clip.

NO. PSSR6

Packed 1 each per clam-pack with insert label, 12 per inner box, 48 per case. Approx. case wgt. 16 lbs.

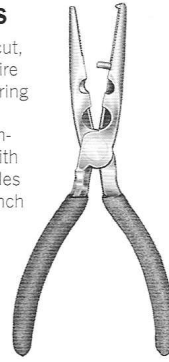

Lead Wire Pliers

Specifically designed to cut, flatten and punch lead wire these 7" long-nose, split-ring pliers are a must for the steelheader. Made of high-carbon steel and fitted with EVA foam sure-grip handles they feature a unique punch pin and a crimp-free cutting surface for hollow core wire.

NO. LWP7

Packed 1 each per blister sleeve, 12 per inner box, 48 per case. Approx. case wgt. 22 lbs.

Split Ring Pliers

Designed to do more than just split rings, these pliers also serve as wire cutters and crimp a variety of leader sleeves and line stops. Also serving as a device to open split-shot without the danger of cutting the line, these pliers feature a chrome-plated finish and vinyl-coated handles for a sure grip.

NO. SRP

Packed 1 each per blister card, 24 per inner box, 240 per case. Approx. case wgt. 46 lbs.

Long Nose Split Ring Pliers

These small 5" vest pocket size long nose pliers are designed with a special hook nose that easily opens most any split ring. Made of polished high-carbon steel with EVA foam sure-grip handles.

NO. SRPLN5

Packed 1 each per blister sleeve, 12 per inner box, 48 per case. Approx. case wgt. 11 lbs.

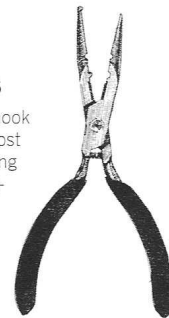

Spring-Action Long Nose Split Ring Pliers

Designed with a special hook nose that easily opens most any split ring, these 6" long nose pliers feature spring-loaded construction so they snap open when released. Featuring three crimping functions and made of polished high-carbon steel with EVA foam sure-grip handles.

NO. SRPLN6

Packed 1 each per blister sleeve, 12 per inner box, 48 per case. Approx. case wgt. 13 lbs.

Stainless Steel Long Nose Pliers

Constructed with corrosion resistant 420 stainless steel these 7" long nose pliers feature comfortable sure-grip molded rubber handles. Tight-grip jaws and sharp cutting blades are designed to work hard.

NO. PL7SS

Packed 1 each per blister sleeve, 12 per inner box, 48 per case. Approx. case wgt. 20 lbs.

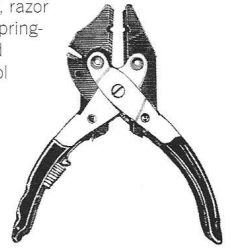

Sportsman's Pliers

Perhaps the finest multi-purpose fishing pliers ever made! These 5" corrosion-resistant, tempered steel pliers have vise-like jaws that won't let go! Strong, razor sharp cutters and spring-loaded, vinyl-coated handles offer control and a non-slip grip.

NO. 4969S

Packed 1 each per blister card, 12 per inner box, 120 per case. Approx. case wgt. 47 lbs.

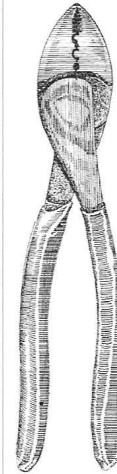

Chrome Vanadium Crimping Pliers

These heavy-duty 10" pliers crimp all sizes of leader sleeves and line stops. They cut all sizes of braided and solid steel fishing lines as well. Forged with high-carbon steel and featuring hardened crimping and cutting surfaces, these pliers have EVA foam sure-grip handles. They are the perfect companion for saltwater and freshwater fishing.

NO. FC10

Packed 1 each per blister sleeve, 12 per inner box, 48 per case. Approx. case wgt. 54 lbs.

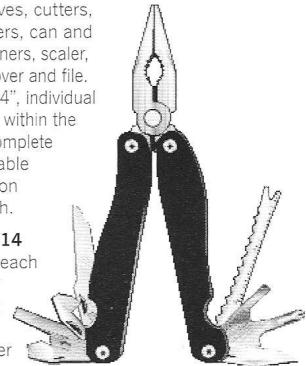

Pliers Head 14-In-1 Multi-Function Tool

Designed for maximum comfort, this quality 14-in-1 tool features a contoured handle design with nylon covers. Made of stainless steel, functions include: pliers, knives, cutters, screwdrivers, can and bottle openers, scaler, hook remover and file. Folding to 4", individual tools store within the handle. Complete with a durable oxford nylon belt sheath.

NO. MFT14

Packed 1 each per blister sleeve, 12 per inner box, 60 per case. Approx. case wgt. 38 lbs.

Pliers Head 10-In-1 Multi-Function Tool

Designed for the fisherman, this handy 10-in-1 tool folds to 2-1/2" with individual tools stored within the handle. Functions include: pliers, crimping tool, scissors, tweezers, hook sharpener, wrench, cutter, spike, knife and lanyard attachment.

Made of stainless steel, it features nylon handle covers and oxford nylon belt sheath.

NO. MFT10

Packed 1 assortment per clam-pack, 12 per inner box, 144 per case. Approx. case wgt. 16 lbs.

Color Glow Ice Jig Assortment

This 16-piece assortment features red, blue and green luminescent color glow finishes in a variety of the most popular teardrop, grub and glitter and rocker style ice jigs in the most commonly used sizes.

NO. IJACG16

Packed 1 assortment per clam-pack, 12 per inner box, 144 per case. Approx. case wgt. 17 lbs.

Panfish Ice Fishing Kit

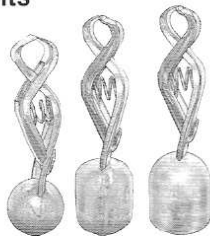

This 16-piece panfish ice fishing kit features a variety of popular teardrop, grub and glitter style ice jigs. Included is a fluorescent red depth finder weight and bullet and teardrop floats with wood picks.

NO. IJK16

Packed 1 kit per clam-pack, 12 per inner box, 144 per case. Approx. case wgt. 17 lbs.

Depthfinder Weights

With a depthfinder weight attached to a dropline, you can quickly find and measure the depth of any lake. Mark your fishing line to indicate the bottom, then fish your way up until you determine the depth the fish are located.

NO. DFW (natural)

NO. DFWFO (fluor. orange)

Packed 3 per polybag with header card, 12 bags per inner box, 144 per case.

code	weight	approx. case wgt.
3/4	3/4 oz.	18 lbs.
1-1/4	1-1/4 oz.	26 lbs.
1-1/2	1-1/2 oz.	31 lbs.

NO. DFWB (natural)

NO. DFWOB (fluor. orange)

Bulk packed 50 each per inner box, 500 per case.

code	weight	approx. case wgt.
3/4	3/4 oz.	26 lbs.
1-1/4	1-1/4 oz.	40 lbs.
1-1/2	1-1/2 oz.	50 lbs.

Lure Illuminator

This small key chain light is designed specifically for illuminating glow-in-the-dark lures and jigs. Encased in a stainless steel housing it features a purple spectrum light and a light-focusing lens to quickly charge luminescent glow finishes.

NO. LLCSP

Packed 1 each per blister sleeve, 200 per case. Approx. case wgt. 15 lbs.

Line Markers

Used to mark the surface and eliminate guessing when resetting tip-up line after a fish bite. This round 1/2" red and white line marker looks and attaches like a standard snap-on float.

NO. IFLM

Packed 3 per polybag with header card, 24 cards per inner box, 480 per case. Approx. case wgt. 8 lbs.

Sponge Bobbers

Ultra light and super sensitive these closed-cell foam bobbers are finished in high visibility fluorescent color.

Simply thread on and secure in the desired position with the accompanying wood pick.

NO. IFSPNGB

Packed 6 pieces per blister card, 12 cards per inner box, 480 per case. Approx. case wgt. 13 lbs.

Wire Spring Bobbers

Ultra sensitive, this light wire spring bobber with line guide, easily attaches to most rods. Adjustable for length, the spring sleeve locks the end loop onto the rod.

NO. IFSB

Packed 2 per blister card, 12 cards per inner box, 600 per case. Approx. case wgt. 25 lbs.

Flat Spring Bobbers

This ultra sensitive, super flat spring steel bobber easily attaches to most rods with shrink tubing included or with tape. Adjustable for length, these flat spring bobbers are available with highvisibility fluorescent or luminescent line guides.

NO. IFSBTG (glow)

NO. IFSBTS (fluor.)

Packed 2 per blister card, 12 cards per inner box, 480 per case. Approx. case wgt. 17 lbs.

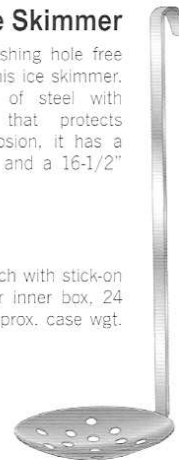

Steel Ice Skimmer

Keep your fishing hole free of ice with this ice skimmer. Constructed of steel with zinc-plating that protects against corrosion, it has a 5-3/4" ladle and a 16-1/2" handle.

NO. 4516

Packed 1 each with stick-on label, 12 per inner box, 24 per case. Approx. case wgt. 19 lbs.

Chipper Dipper Ice Skimmer

Crowbar tough, the Chipper Dipper ice skimmer features a chisel point blade at handle's end and an etched 15" ruler. Welded steel construction is zinc-plated to resist corrosion. Skimmer measures 20-1/2" in length with a 5-7/8" diameter ladle.

NO. ISCD

Packed 1 each with stick-on label, 12 per inner box, 24 per case. Approx. case wgt. 35 lbs.

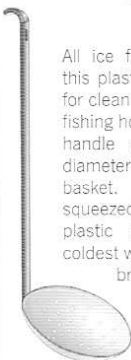

Plastic Ice Skimmer

All ice fishermen need this plastic ice skimmer for cleaning ice from the fishing hole. It has a 13" handle and a 4-3/4" diameter bright yellow basket. Ice can be squeezed off the flexible plastic basket in the coldest weather without breaking or losing its shape.

NO. ISP

Packed 1 each with stick-on label, 12 per inner box, 120 per case. Approx. case wgt. 21 lbs.

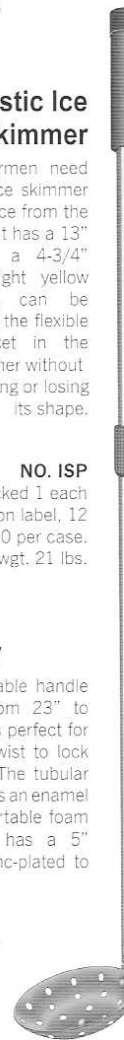

Telescopic Ice Skimmer

With a fully adjustable handle that telescopes from 23" to 38" this skimmer is perfect for thick ice. Simply twist to lock at desired length. The tubular steel handle features an enamel finish and a comfortable foam hand grip. Ladle has a 5" diameter and is zinc-plated to resist corrosion.

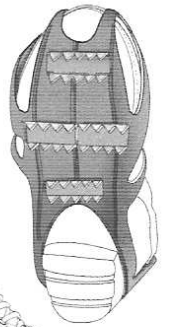

NO. IST

Packed 1 each with fold-over card, 12 per inner box, 24 per case. Approx. case wgt. 24 lbs.

Slip-Over Ice Cleats

A must for winter sportsmen, these easy-on rubber cleats provide a positive traction on icy surfaces. Stretch rubber construction slips over most footwear and features full sole coverage with three double-rows of steel-toothed cleats.

NO. IFCLR

Packed 1 pair per clam-pack, 12 pair per inner box, 24 per case.

code	size	approx. case wgt.
L	large	19 lbs.
XL	X-large	26 lbs.

Buckle-On Ice Cleats

Featuring rust resistant, light weight steel spikes, these ice cleats provide positive traction on icy surfaces. Designed for ice fishermen, they easily attach to any shoe or boot with a heavy-duty polypropylene strap fitted with a positive-lock, steel toothed buckle.

NO. IFCLB

Packed 1 pair per blister card, 12 pair per inner box, 144 per case. Approx. case wgt. 38 lbs.

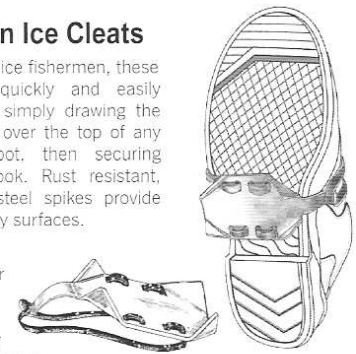

Quick-On Ice Cleats

Designed for ice fishermen, these cleats are quickly and easily attached by simply drawing the elastic strap over the top of any shoe or boot, then securing it to the hook. Rust resistant, light-weight steel spikes provide traction on icy surfaces.

NO. IFCLE

Packed 1 pair per blister card, 12 pair per inner box, 144 per case. Approx. case wgt. 50 lbs.

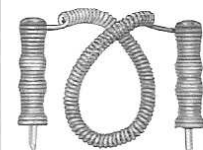

Ice Escape

A life preserver for ice fishermen and snowmobilers, these spikes allow you to pull yourself from broken ice. The snap together feature permits them to be worn around the neck for quick access in the event of an emergency.

NO. IFIE

Packed 1 per clam-pack with insert card, 12 per inner box, 72 per case. Approx. case wgt. 28 lbs.

Depth and Temperature Gauge

This depth and temperature gauge makes it easy to locate fish by providing both the water temperature and the depth of the temperature reading. Simply place the gauge on a line and drop it to any depth, wait 40 seconds, then retrieve to read the depth and temperature indicators. To reset, empty water by pressing the valve and shaking briskly.

NO. FL

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wgt. 17 lbs.

Reel Grease

This reel grease is exactly what the pros recommend when it comes to protecting spinning, casting and trolling reels from wear, rust and corrosion. Packaged in a spill-proof 1/2 oz. tube, this reel grease reduces friction and is impervious to saltwater and temperature variations.

NO. RG3

Packed 1 each per blister card, 12 per inner box, 300 per case. Approx. case wtg. 25 lbs.

Reel Oil

Protect your valuable reel from wear, rust and corrosion with this penetrating oil. Specifically formulated for spinning, casting and trolling reels. A protective film of this oil helps ensure a greater lifespan for your reel. Packaged in a spill-proof 7/8 oz. container.

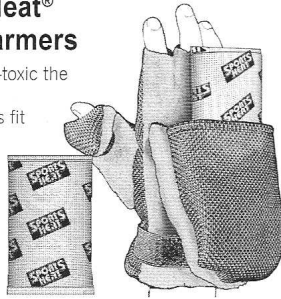

NO. RO1

Packed 1 each per blister card, 12 per inner box, 240 per case. Approx. case wtg. 28 lbs.

Sports Heat® Hand Warmers

Safe and non-toxic the Sports Heat® hand warmers fit comfortably in gloves or mittens. Once opened and exposed to air, oxidation of the all-natural ingredients produces a continuous and controlled heat for up to 8 hours.

NO. 47200

Packed 1 pair per sealed package, 40 pair per display box, 320 per case. Approx. case wtg. 35 lbs.

Sports Heat® Toe Warmers

Safe and non-toxic the Sports Heat® toe warmers fit comfortably in shoes or boots with an adhesive backing holding them in place. Once opened and exposed to air, oxidation of the all-natural ingredients produces a continuous and controlled heat to keep toes warm for up to 5 hours.

NO. 47300

Packed 1 pair per sealed package, 20 pair per display box, 160 per case. Approx. case wtg. 15 lbs.

Sports Heat® Body Warmer

Safe and non-toxic the Sports Heat® body warmer can be placed in pockets or comfortably between layers of clothing. Once opened and exposed to air, oxidation of the all-natural ingredients produces continuous and controlled heat for up to 20 hours.

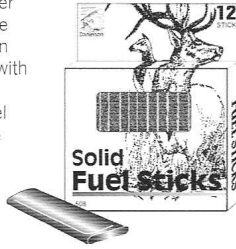

NO. 47100

Packed 1 per sealed package, 30 per display box, 240 per case. Approx. case wtg. 33 lbs.

Solid Fuel Sticks

For use with Danielson® item number 507P Pocket Handwarmer shown below, these solid fuel sticks can be lighted quickly with a match or lighter. These charcoal fuel sticks will generate heat for up to 10 hours.

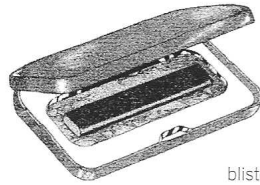

NO. 508

Packed 12 sticks per display box, 12 display boxes per inner box, 240 per case. Approx. case wtg. 47 lbs.

Pocket Handwarmer

A long time favorite of outdoorsmen, the pocket handwarmer keeps fingers toasty warm. This velvet covered handwarmer generates heat for up to 10 hours using solid fuel charcoal sticks. Instructions are included.

NO. 507P

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wtg. 38 lbs.

Rag Wool Half-Finger Gloves

A great choice these classic rag wool gloves are made of an 85% wool/15% nylon blend and feature double knit cuffs. Lightweight, warm and comfortable the half-finger design offers complete dexterity for intricate tasks.

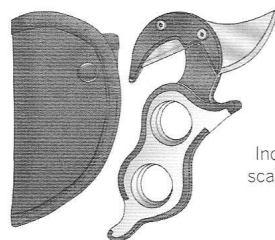

NO. 5505

Packed 1 pair with header card and peg hook, 12 pair per inner box, 144 per case.

code	size	approx. case wtg.
M	medium	34 lbs.
L	large	35 lbs.

Field Dressing Knife with Sheath

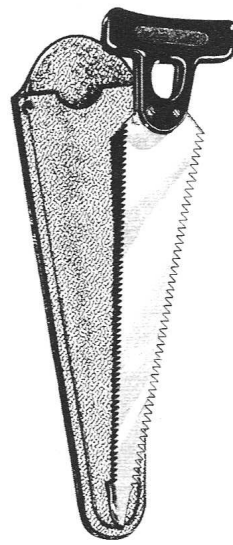

Fast, safe and more efficient than straight-bladed knives this field dressing tool is engineered for opening and skinning big game. The ripping grip opens game from the inside out while the all-purpose grip is for skinning and cutting. Features

include replaceable one-piece blade and ergonomically contoured frame with finger holes for a secure grip. Includes oxford nylon scabbard, extra blade, blade cover and changing tool.

NO. SKS

Packed 1 each per clam-pack with insert label, 12 per inner box, 72 per case. Approx. case wtg. 23 lbs.

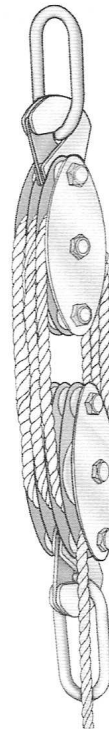

Pack Saw

The perfect pack saw for big game hunting, the double-edged, high-carbon steel blade of this saw has fine teeth on one edge and coarse teeth on the other. Concealed in the aluminum handle is a waterproof match compartment. The stitched synthetic leather sheath protects the 13", 9 oz. saw.

NO. 7560-021

Packed 1 each per blister sleeve, 12 per inner box, 72 per case. Approx. case wtg. 44 lbs.

Pulley Hoist

Used by hunters to lift game for dressing, this heavy-duty hoist includes such rugged features as a plated steel pulley with nylon rollers and 65 feet of 3/16" polyrope.

NO. 2000

Packed 1 each per vinyl bag with header card, 24 per case. Approx. case wtg. 38 lbs.

Tangle Free Decoy Line 100'

This solid PVC plastic decoy line is smooth, flexible and tangle free; and, it will not freeze, crack, float or rot. Made abrasion resistant and designed to stretch before breaking. No need to wind for storage, just drop in the decoy bag.

NO. DCPB100

Packed 100' per spool in a clam-pack, 12 per inner box, 72 per case. Approx. case wtg. 41 lbs.

Tangle Free Decoy Line 250'

This solid PVC plastic decoy line is smooth, flexible and tangle free; and, it will not freeze, crack, float or rot. Made abrasion resistant and designed to stretch before breaking. No need to wind for storage, just drop in the decoy bag.

NO. DCPB250

Packed 250' per spool in a clam-pack, 6 spools per inner box, 24 per case. Approx. case wtg. 41 lbs.

Braided Camouflage Decoy Line 100'

Finished in low visibility camouflage color this braided nylon decoy cord will not float or rot. Made abrasion and chemical resistant and features improved knot-holding ability.

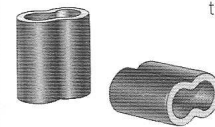

NO. DCNC100

Packed 100' per spool in a clam-pack, 12 spools per inner box, 60 per case. Approx. case wtg. 23 lbs.

Line Crimps

These black anodized aluminum line crimps eliminate knots and make rigging decoys a snap. Simply thread cord through the crimp, set depth and secure with pliers.

NO. LCRMP48

Packed 48 each per clam-pack with insert label, 12 packs per inner box, 288 per case. Approx. case wtg. 26 lbs.

Depth Adjusters

These decoy line cord locks adjust weight depth quickly and easily and eliminates winding and unwinding of cord. Features include push button release and stainless steel spring to keep the cord adjuster secure.

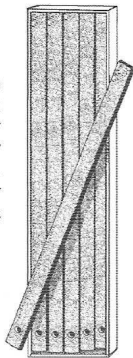

NO. CLCK24

Packed 24 each per clam-pack with insert label, 12 packs per inner box, 288 per case. Approx. case wtg. 7 lbs.

Anchor Weights

Set includes one dozen 3.5-oz lead anchor straps. Simply attach line to decoy keel and anchor strap, then adjust for water depth so strap rests on bottom.

NO. AW

Packed 12 weights per display box, 12 boxes per case. Approx. case wgt. 34 lbs.

Stainless Steel Line Clips

Ideal for use with decoy cords and trot lines these stainless steel line clips ensure easy on/off application.

Simply squeeze open, hook line and release to secure, spring tension holds firm.

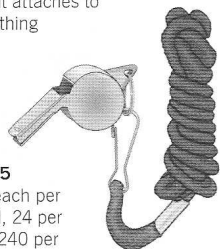

NO. LCLIP24

Packed 24 each per clam-pack with insert label, 12 packs per inner box, 72 per case. Approx. case wgt. 27 lbs.

Whistle with Lanyard

Great for backpackers, fishermen and boaters this nickel-plated brass whistle includes a handy lanyard that attaches to a pack, clothing or person.

NO. 69375

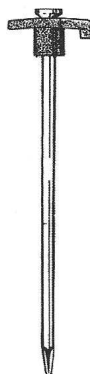

Packed 1 each per blister card, 24 per inner box, 240 per case. Approx. case wgt. 19 lbs.

Ground Spike

Designed to penetrate the hardest ground, these 10" plated steel spikes can be used to secure ropes or floor loops and serve as a great ground anchor. The spikes feature an ABS plastic stopper.

NO. 68230

Bulk packed 25 each per inner box, 100 per case. Approx. case wgt. 24 lbs.

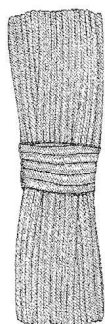

Utility Cord

For hunting, camping, traveling and around home, this 100 ft. hank of 3/16" diameter braided nylon cord is olive drab in color.

NO. 61772

Packed 1 each per polybag with header card, 12 per inner box, 72 per case. Approx. case wgt. 21 lbs.

40-Piece First Aid Kit

A must have accessory for fishing, camping, boating, cycling or any outdoor recreational activity. This 40-piece kit includes bandages, antiseptics, ointments, sting relief pads, non-aspirin tablets, electrolyte tablets, safety pin and even instructions for removing an embedded fish hook. Conveniently packed in a water tight, bright yellow plastic container with a handy cord carry handle.

NO. FA41

Packed 1 each per clam-pack, 6 per inner box, 60 per case. Approx. case wgt. 15 lbs.

32-Piece First Aid Kit

A terrific take-along first aid kit for fishing, camping, hunting or any outdoor recreational activity. This 32-piece kit includes bandages, antiseptics, ointment, non-aspirin tablets, electrolyte tablets and even instructions for removing an embedded fish hook. Conveniently packed in a safety orange nylon pack.

NO. FA32

Packed 1 each per clam-pack, 6 per inner box, 60 per case. Approx. case wgt. 14 lbs.

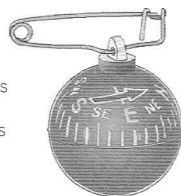

Pin-On Ball Compass

A sturdy brass pin attaches this convenient and easy to read ball compass to clothing or pack. The liquid filled compass has a luminous marked floating dial in a rugged plastic housing. Dial always remains upright for easy reading.

NO. 61566

Packed 1 each per blister card, 24 per inner box, 144 per case. Approx. case wgt. 9 lbs.

Portable Jon

This convenient and reusable urinal is a must have companion when you're boating, traveling and camping. Made of plastic that is easy to clean, this jon features a lock-tight lid to prevent leaks. Female Adapter, item number PJA, sold separately.

NO. PJ (red)

NO. PJOD (olive drab)

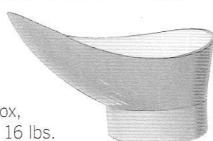

Packed 1 each per polybag with header card, 12 per inner box, 36 per case. Approx. case wgt. 16 lbs.

Jon Female Adapter

This adapter allows women to conveniently use the Portable Jon. Constructed of plastic, the Portable Jon and Female Adapter are indispensable companions when boating, traveling and camping. For use with Danielson® Portable Jon, item number PJ and PJOD, sold separately.

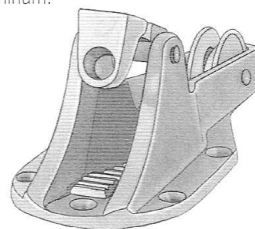

NO. PJA

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 16 lbs.

Anchor Pulley

This handy anchor pulley locks automatically with the weight of the anchor. And with the flick of the rope, the tension is released. The roller assembly extends over the gunwale to prevent scratching the boat's finish. Made of corrosion-resistant die cast aluminum.

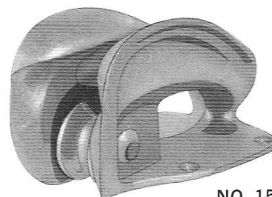

NO. 63181

Packed 1 each per polybag with header card, 6 per inner box, 24 per case. Approx. case wgt. 22 lbs.

Bow Chock with Roller

A precision roller makes this the perfect bow chock for heavier anchors. It is designed to keep an anchor rope centered over the bow and prevent marring of the boat's finish. Made of corrosion-resistant cast aluminum.

NO. 1546

Packed 1 each per polybag with header card, 6 per inner box, 24 per case. Approx. case wgt. 31 lbs.

Snap Handle Drain Plug

Made of durable brass, this plug works with 1" diameter drains. Simply snap the handle down to lock into place and raise the handle to remove.

NO. DPSH

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wgt. 27 lbs.

NO. DPSHB

Bulk packed 24 each per polybag, 240 per case. Approx. case wgt. 25 lbs.

T-Handle Drain Plug

A breeze to use, this brass drain plug works with 1" diameter drains. Simply turn the handle to either lock the plug in or to remove it.

NO. DPTH

Packed 1 each per blister card, 12 per inner box, 144 per case. Approx. case wgt. 20 lbs.

NO. DPTHB

Bulk packed 24 each per polybag, 240 per case. Approx. case wgt. 22 lbs.

Key Float with Chain

Your keys won't sink to the bottom of the lake with this floating key chain. Made of closed-cell foam, this sturdy key ring holds approximately five keys and comes in high visibility yellow.

NO. KFA

Packed 1 each per polybag with header card, 24 per inner box, 24 per case. Approx. case wgt. 10 lbs.

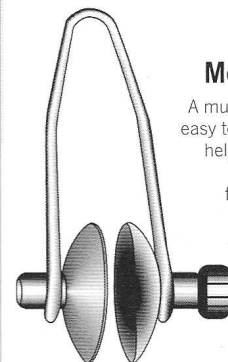

Motor Flusher

A must for all boats, this easy to use motor flusher helps prevent clogging and corrosion by flushing away sand, silt, and debris.

NO. FMR

Packed 1 each per cardboard sleeve, 12 per inner box, 48 per case. Approx. case wgt. 43 lbs.

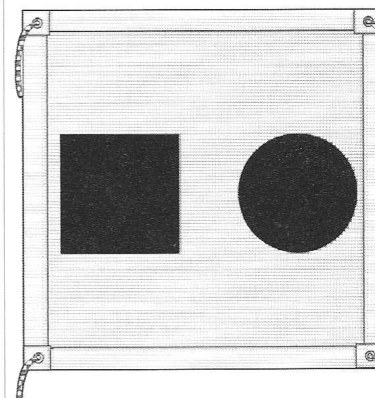

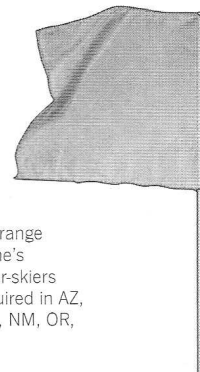

Boat Flag

Made of durable PVC, and measuring 14-1/2" x 12" with a 24" long handle, this bright orange flag catches everyone's attention when water-skiers fall. This flag is required in AZ, CA, CO, ID, MO, NE, NM, OR, TX, UT, and WA.

NO. FB

Packed 1 each with tension card, 12 per inner box, 144 per case. Approx. case wgt. 38 lbs.

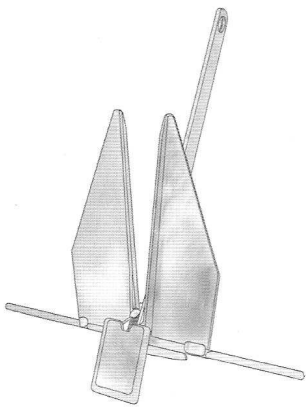

Boat Distress Flag

This 3' x 3' high visibility orange flag with black universal distress symbol printed on both sides is easily seen from the air or water and is recommended on all boats.

NO. FBD

Packed 1 each per polybag with fold-over header card, 12 per inner box, 48 per case. Approx. case wgt. 27 lbs.

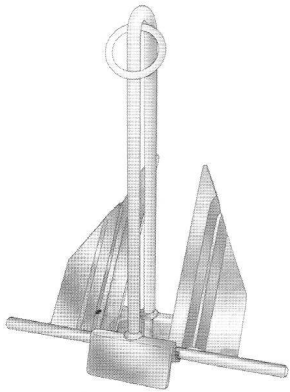

Fluke Anchor

These penetrating fluke anchors are polymer coated and designed to dig into mud, sand, or gravel. The design of the fluke anchor allows for excellent weight-to-holding power ratio, and the low profile allows for easy storage. Available in 5 sizes.

NO. AFLUKEG

Packed 1 each with stick-on label.

code	weight	pcs./basket	approx. basket wgt.
4	4 lbs.	300	1540 lbs.
8	8 lbs.	150	1540 lbs.

Octagon Crab Trap

Proven effective this octagon crab trap features a built-in bait cage and large top opening hatch with stretch tube and hook closure. Constructed of vinyl-coated steel wire it measures 30" x 30" x 9". Outfitted with four entrance doors, two escape rings for smaller crabs and fall-away rot-cord system to disable the trap should it not be retrievable.

NO. CTO4

Packed 1 each with fold-over tag, 1 per case. Approx. case wgt. 13 lbs.

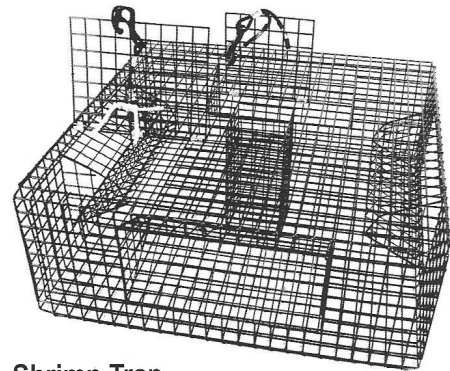

Stainless Steel Collapsible Crab Trap

Designed for the commercial or weekend crabber this circular crab trap features two entrance tunnels and two escape rings. Constructed of stainless steel it measures 30" in diameter with a hinged lid for easy crab removal. And it collapses for easy storage.

NO. CTSSC

Packed 1 each with fold-over tag, 1 per case. Approx. case wgt. 13 lbs.

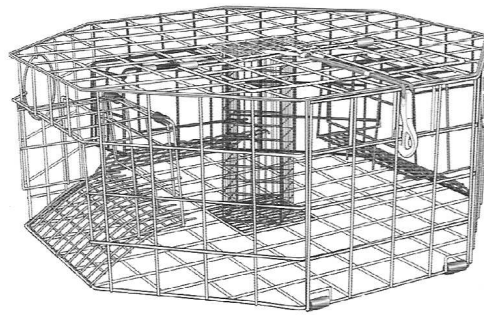

Shrimp Trap

This trap has proven itself to be a must have for serious shrimpers. Constructed of vinyl-coated steel wire it measures 24" L x 24" W x 13" H. It features a built-in bait cage, two large top opening hatches secured with a stretch tube and hook closure. Outfitted with four entry ramps, one on each side for multiple approaches, and fall-away rot cord system to disable the trap should it not be retrievable.

NO. ST78

Packed 1 each with fold-over tag, 1 per case. Approx. case wgt. 14 lbs.

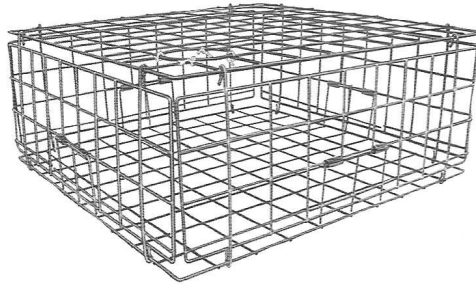

Octagon Crab Trap with Ramp Entrances

Designed with ramp entrances for improved effectiveness this octagon crab trap features a built-in bait cage and large top and side opening hatches secured with a stretch tube and hook closure. Constructed of vinyl-coated steel wire it measures 30" x 30" x 12". Outfitted with three ramped entrance doors, two escape rings for smaller crabs and fall-away rot-cord system to disable the trap should it not be retrievable.

NO. CTO3R

Packed 1 each with fold-over tag, 1 per case. Approx. case wgt. 10 lbs.

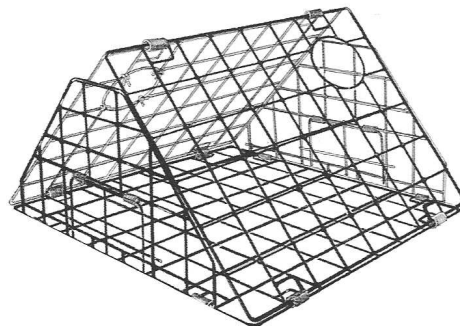

Jumbo Pacific FTC Crab Trap

This jumbo version of Danielson's® exclusive FTC crab trap measures 30" L x 30" W x 13" H and is constructed with an extra heavy gauged vinyl-coated wire floor panel to handle larger catches. Folding flat for easy transport and storage it features four entrance doors and two escape rings for small crabs with fall-away rot-cord system to disable the trap should it not be retrievable.

NO. FTCJ

Packed 1 each per polybag with fold-over tag, 3 per case. Approx. case wgt. 49 lbs.

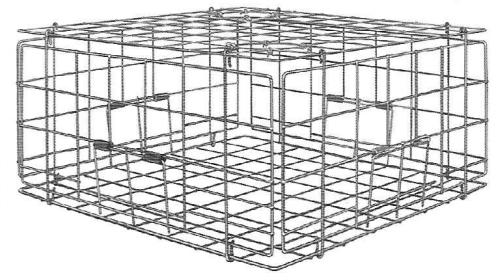

Pacific Apex Crab Trap

The patented A-frame design of this crab trap features exclusive twist-lock tubular hinges for easy set-up and take-down. Constructed with steel wire and vinyl-coated to resist corrosion it folds flat to its 24" square floor size. Equipped with entrance doors at both ends and two escape rings for small crabs with fall-away rot-cord system to disable the trap should it not be retrievable.

NO. CTA24

Packed 1 each per polybag with fold-over tag, 6 per case. Approx. case wgt. 45 lbs.

Danielson's® exclusive FTC crab trap is a favorite of sport and recreational crabbers throughout the Pacific Northwest. Constructed of vinyl-coated steel wire it measures 24" L x 24" W x 13" H. Folding flat for easy transport and storage it features four entrance doors and two escape rings for small crabs with fall-away rot-cord system to disable the trap should it not be retrievable.

NO. FTC

Packed 1 each per polybag with fold-over tag, 6 per case. Approx. case wgt. 55 lbs.

Alaska FTC Crab Trap (not shown)

This version of the exclusive Danielson's® FTC crab trap is modified to meet Alaska's biodegradable opening requirements.

NO. FTCAK

Packed 1 each per polybag with fold-over tag, 6 per case. Approx. case wgt. 55 lbs.

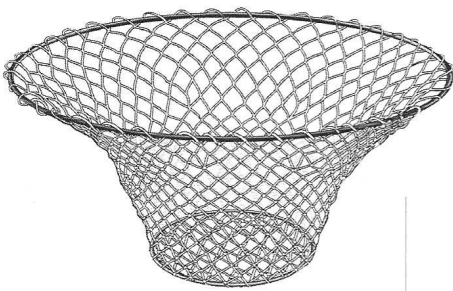

Conical Crab Trap with Float and Harness

This easy to use conical trap allows crabs access from any direction. The slope of the tightly tied polypropylene side is readily scaled by crabs getting to the bait. Once inside, the trap acts like a holding pen even after the bait is gone. Made with a vinyl-coated steel framework, it features a 34" lower ring and 18" upper ring connected by five strong supports. Its conical shape gives the trap a low center of gravity to ensure upright landing. The trap comes complete with harness and float and can be stacked one on top of the other for convenient storage.

NO. CCP34

Packed 1 per polybag with header card, 6 per case. Approx. case wgt. 44 lbs.

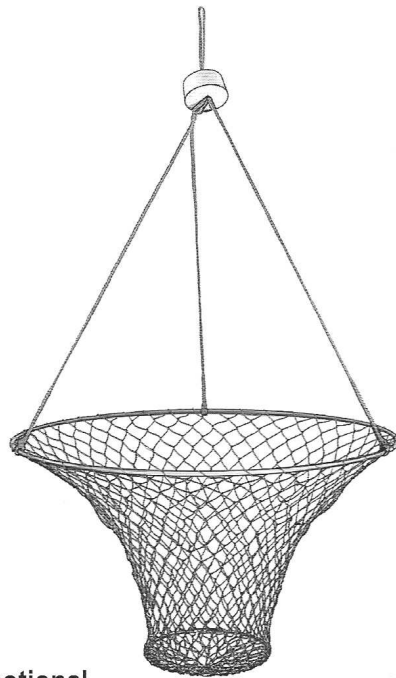

Pacific Crab Net

Made for larger West coast crabs, this deluxe crab net features a 32" upper steel ring and 12" lower ring. Sixteen inches deep, it prevents escape during retrieval. Made of rugged polypropylene netting for long lasting wear, this net easily holds a big catch!

NO. D5G

Packed 1 each with fold-over tag, 12 per case. Approx. case wgt. 49 lbs.

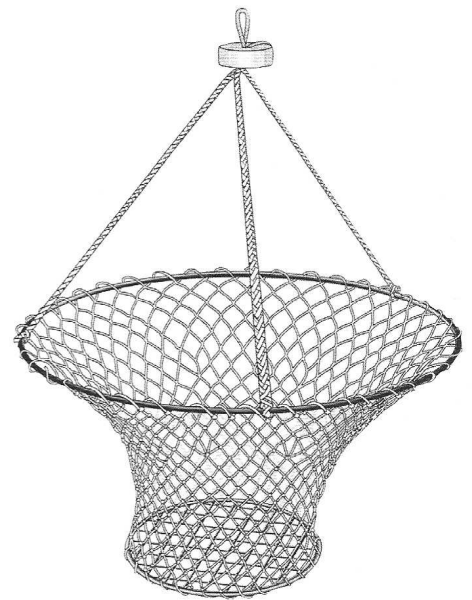

Promotional Pacific Crab Net & Harness

This promotional version of the Pacific style crab net comes complete with a braided-on rope harness and harness float. Galvanized steel rod construction features a 30" upper ring and 10" lower ring and rugged polypropylene netting measuring 15" in depth.

NO. CREH

Packed 1 each with fold-over tag, 6 per case. Approx. case wgt. 28 lbs.

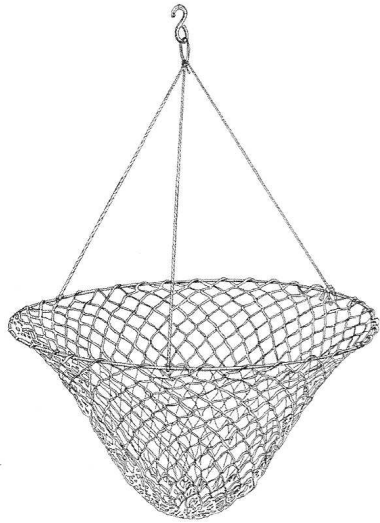

Deluxe Pacific Crab Net & Harness

Complete with braided-on rope harness and harness float this deluxe crab net features a wire grid bottom ring for easy bait attachment and improved crab retrieval and removal. Constructed with 32" vinyl-coated steel upper ring and 15" vinyl-coated wire grid bottom ring. Rugged polypropylene netting measures 16" deep.

NO. CRDLXH

Packed 1 each with hang tag, 6 per case. Approx. case wgt. 36 lbs.

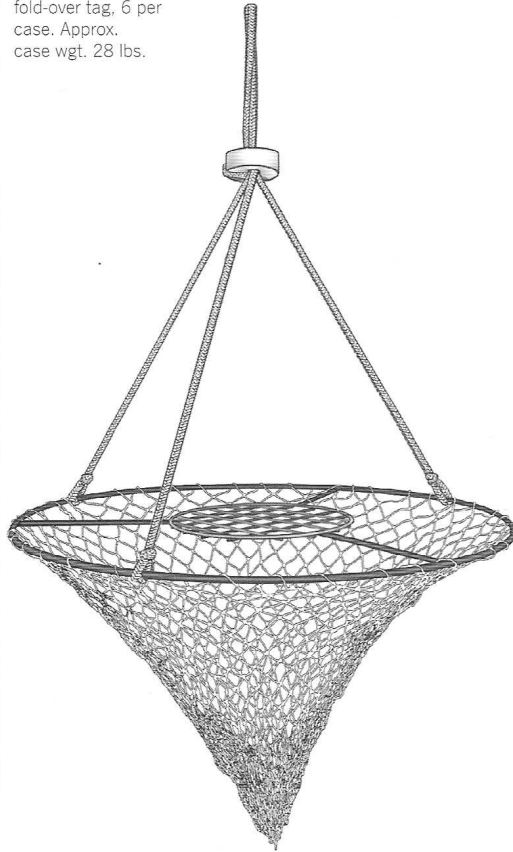

Single Ring Crab Net

A 12" deep, tapered cotton basket is featured with this 25" single ring crab net. Includes a 3-line cotton cord bridle and attachment hook for easy rigging to mainline.

NO. SR1

Packed 1 each with label, 24 per case. Approx. case wgt. 15 lbs.

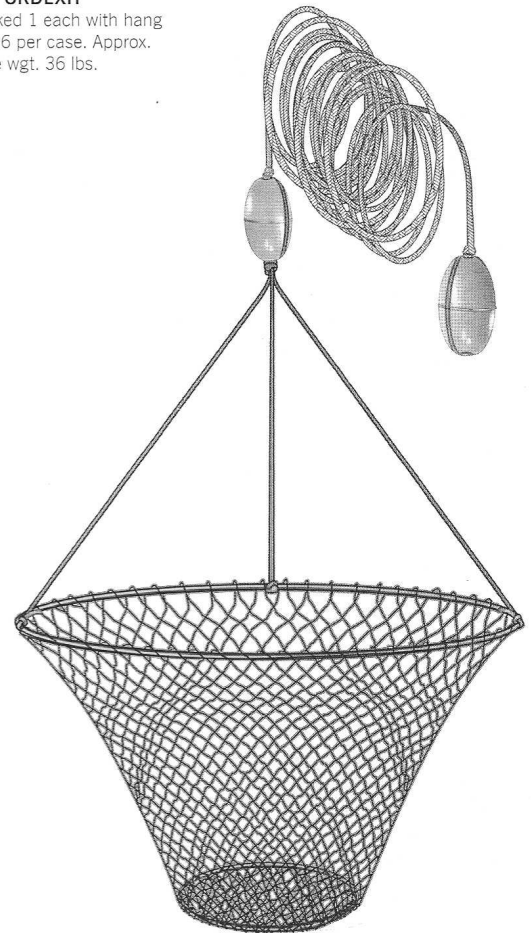

Castable Lobster and Crab Net with Harness

This lobster and crab net comes complete with braided-on rope harness and harness float. Vinyl-coated steel rod construction, this 32" single ring net has a built in 12" wire grid for easy bait attachment. Rugged polypropylene netting measures 20" deep.

NO. LCRCR

Packed 1 each with fold-over tag, 12 per case. Approx. case wgt. 62 lbs.

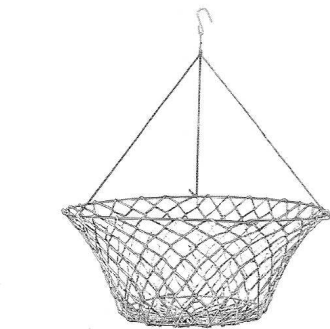

Jumbo Lobster and Crab Net with Harness & Rope

This fully rigged jumbo lobster and crab net features a braided-on rope harness, harness float, 100' of poly rope and a rope float. Vinyl-coated steel rod construction features a 36" upper ring and 14" lower ring and polypropylene netting measuring 20" in depth.

NO. LCRR

Packed 1 each with fold-over tag, 6 per case. Approx. case wgt. 45 lbs.

Double Ring Crab Net

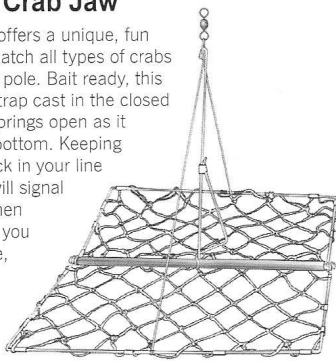

This two-ring crab net uses an 18" upper ring and an 11" lower ring and features cotton netting. The 7" depth and tapered design prevents crabs from escaping during retrieval. Three-line cotton cord bridle and attachment hook are included.

NO. SR2

Packed 1 each with label, 120 per case. Approx. case wgt. 45 lbs.

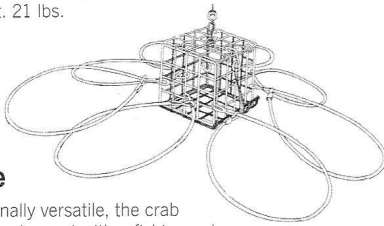

Castable Crab Jaw

The Crab Jaw offers a unique, fun alternative to catch all types of crabs using a fishing pole. Bait ready, this spring-loaded trap cast in the closed position and springs open as it settles to the bottom. Keeping just a little slack in your line the bait post will signal your rod tip when crabs feed. As you quickly retrieve, the trap will close to secure your catch.

NO. CH1

Packed 1 each per polybag with fold-over header card, 12 per inner box, 48 per case. Approx. case wgt. 21 lbs.

Crab Snare

Exceptionally versatile, the crab snare may be cast with a fishing rod and is a "go anywhere" small size. This vinyl-coated steel wire bait cage features a bottom opening door and 7 monofilament nylon snares. Top mounted swivel provides tangle free use.

NO. CSNR

Packed 1 each per display card, 12 per inner box, 120 per case. Approx. case wgt. 29 lbs.

Crab Throw Line

A seasonal best seller, this popular crab catching rig features a 25' cotton casting line and weighted bait pin.

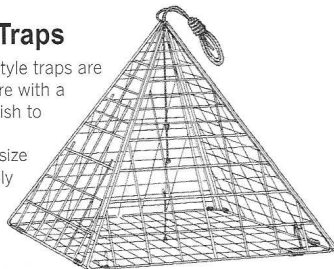

NO. CTL

Packed 1 each per polybag with header card, 12 per inner box, 120 per case. Approx. case wgt. 16 lbs.

Star Crab Traps

These pyramid style traps are made of steel wire with a black enamel finish to resist saltwater corrosion. Each size is strung with poly take-up cords and ready for use. Star crab traps come fully collapsed in 12", 14" and 16" sizes.

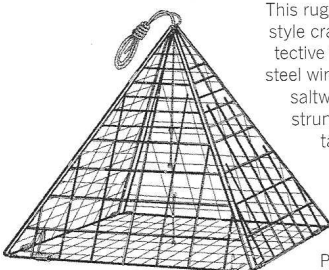

NO. JWB

Packed 1 each per printed polybag, 12 per case.

code	floor size	height	approx. case wgt.
12	12" x 12"	7-7/8"	16 lbs.
14	14" x 14"	9-3/8"	17 lbs.
16	16" x 16"	10-1/2"	22 lbs.

Vinyl-Coated Star Crab Trap

This rugged, 16" pyramid style crab trap has a protective vinyl coating over steel wire for longer life in saltwater. Already fully strung with tough poly take-up cords, this fully collapsible star trap is ready to use.

NO. JWB16VC

Packed 1 each per printed polybag, 12 per case. Approx. case wgt. 24 lbs.

Premium Crab Trap Harness

Designed for use with most crab traps and pots this premium harness features stainless steel ringed-eye marine snaps and extra heavy-duty crimps. Large end ring for mainline hook-up and four arm design work to secure trap during deployment and retrieval.

NO. CTH4SS

Packed 1 per polybag with header card, 12 per inner box, 72 per case. Approx. case wgt. 29 lbs.

Crab Trap Harness

Made to use with most crab traps and pots, this harness conveniently snaps on and off for easy hook-up and storage. It features a large end ring for mainline hook-ups, and the four arms secure the trap during deployment and retrieval. Made strong, its heavy-duty polyrope and nickel-plated steel hardware provide maximum protection against corrosion.

NO. FTCH

Packed 1 each per polybag with header card, 12 per inner box, 96 per case. Approx. case wgt. 40 lbs.

Crab Net Rope and Harness

This superb quality crab ring rope and harness has 50' of tough 3/8" polyrope and a bridle with three 40" arms. Designed to fit most crab ring nets, the bridle float keeps the bridle riding high above the bait. The surface float marks the location of the crab ring.

NO. CRH

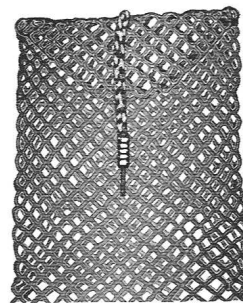

Packed 1 each per polybag with header card, 12 per inner box, 60 per case. Approx. case wgt. 46 lbs.

Chum Bag

This chum bag features small mesh rot resistant netting designed to ensure that the bait will work longer. Extra long drawstring can be used to attach the bag to a crab trap. Rubber cord lock easily secures the bag shut. Bag measures 10" in diameter with a 10" opening and expands to 20" long.

NO. MCB

Packed 1 each with hang tag, 12 each per inner box, 144 per case. Approx. case wgt. 47 lbs.

Mesh Bait Bag

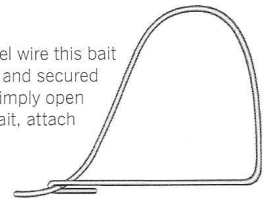

Keep crab trap bait secure with this plastic mesh, envelope-type bait bag featuring one-piece construction with fold-over flap. Rubber strap and hook keep the flap closed and can be used to secure the bag to the trap. Measures 9-1/2" L x 8" W and will accept most commonly used baits.

NO. CTBB

Packed 1 each per polybag with insert label, 12 per inner box, 36 per case. Approx. case wgt. 11 lbs.

Bait Pin

Made of stainless steel wire this bait pin can be used with and secured to most crab traps. Simply open the pin, skewer the bait, attach to trap bottom and re-close the pin.

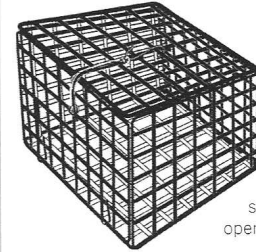

NO. CTBP

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 13 lbs.

Small Mesh Bait Cage

This bait cage features a small mesh design to make it more difficult for crabs to get to the bait so it can work longer. Heavy-duty rubber band door closure can be used to secure cage to the trap floor. Constructed with vinyl coated steel wire it has a 6" x 4" opening and is 4-1/2" deep.

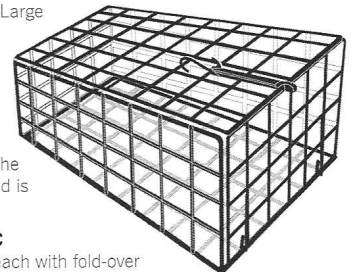

NO. CTBCS

Packed 1 each with fold-over tag, 24 per case. Approx. case wgt. 17 lbs.

Bait Cage

No bait, no catch. This bait cage keeps bait secure in larger crab traps. It features a heavy-duty rubber band door closure and tough vinyl-coated steel wire construction for longer life. Large enough to accept all commonly used baits, it measures 6" x 4" at the opening and is 8" deep.

NO. CTBC

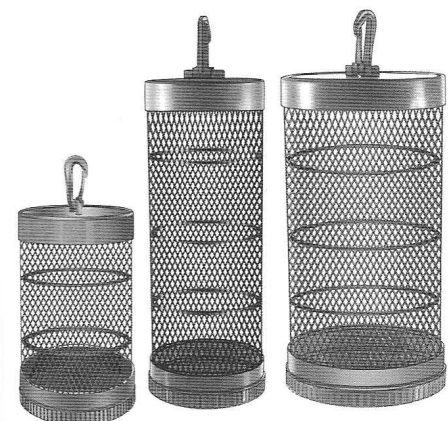

Packed 1 each with fold-over tag, 24 per case. Approx. case wgt. 13 lbs.

Bait Barrels

Engineered for crab and shrimp traps these bait barrels are proven both effective and convenient. Their cylindrical design features vinyl-coated wire mesh with plastic housing at both ends; one with an attachment snap and the other with a screw-on lid for filling with bait. Available in three sizes for most traps and baits.

NO. BCC

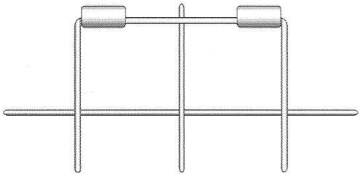

Packed 1 each with hang tag, 12 per inner box.

code	dimensions	each/ case	approx. case wgt.
N6	3-5/8" x 6"	48	17 lbs.
N9	3-5/8" x 9"	48	18 lbs.
W9	4-5/8" x 9"	24	14 lbs.

Crab Trap Gates

Prevent crabs from escaping by replacing old or damaged trap gates. Made of steel wire and vinyl-coated to prevent corrosion, these gates fit Pacific FTC crab traps.

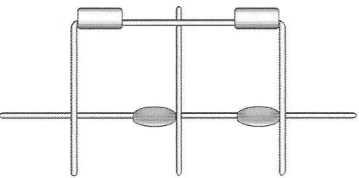

NO. FTCGSH

Packed 4 gates per polybag with header card, 12 bags per inner box, 60 per case. Approx. case wgt. 19 lbs.

Weighted Crab Trap Gates

Weighted to guarantee that they remain closed in heavy currents. Vinyl-coated to fight corrosion.

NO. FTCGSHW

Packed 4 gates per polybag with header card, 12 bags per inner box, 60 per case. Approx. case wgt. 50 lbs.

Octagon Crab Trap Hatch Strap

This replacement strap for the CTO4 and CTO3R octagon crab trap hatches comes assembled and ready to install. Remove strap to be replaced, then simply thread the rot-cord ends of the replacement strap through the bait cage hatch and fasten together with the wire crimps provided.

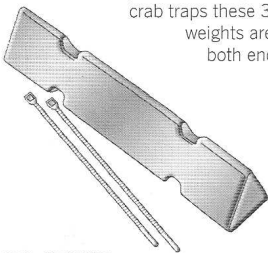

NO. CTODRS

Packed 1 each per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 47 lbs.

Crab Trap Weights

Adding weight to your crab trap is easy, simply center weights on opposing sides at the floor and lock in with the 8" cable ties provided. Designed to fit most crab traps these 3-sided, 2-lb. weights are notched at both ends to ensure a secure fit.

NO. CTWGT

Packed 1 pair per sealed polybag with stick-on label, 10 pair per case. Approx. case wgt. 42 lbs.

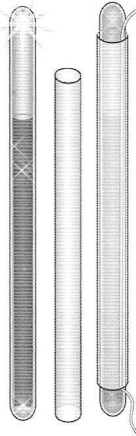

Line Snap

Unique design and spring action allow quick and easy on-off line snap application. Simply squeeze to open, hook around the line, then release to secure the stainless steel wire snap.

NO. LS

Packed 1 per polybag with header card, 12 per inner box, 144 per case. Approx. case wgt. 11 lbs.

Light Sticks

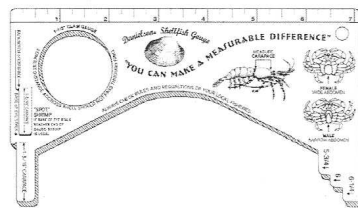

A must have for deep water fishing, night fishing, or for an extra attractant. These light sticks require no batteries, flames, or heat, simply attach to your line, crack and cast.

NO. LSTK3

Individually packed 1 each per foil pouch, 3 pouches per polybag with header card, 12 cards per inner box, 600 per case. Approx. case wgt. 34 lbs.

Crab, Clam & Shrimp Gauge

This gauge is the quick and accurate way to measure your catch. Notched to measure crab shells at 5-3/4", 6" and 6-1/4", it also diagrams the gender for easy identification. A 1-1/2" ring makes it easy to verify the most commonly required minimum clam shell size. It also features a 1-3/16" shrimp carapace measure and a hole for attaching a lanyard.

NO. 200CRG

Packed 1 per polybag with header card, 24 per inner box, 288 per case. Approx. case wgt. 26 lbs.

Braided Nylon Crab Trap Line

Braided for strength and flexibility, this 48' nylon line makes an excellent retrieval cord for star and ring type crab traps. This line is the preferred choice of serious crab fishermen because it won't rot and resists marine growth.

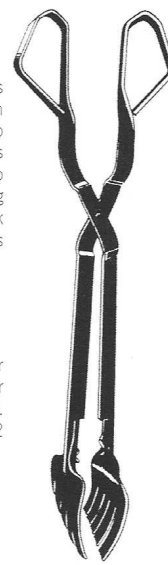

NO. CL48B

Packed 1 each per polybag with header card, 12 per inner box, 240 per case. Approx. case wgt. 32 lbs.

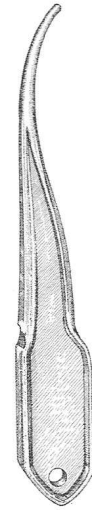

Crab Tongs

Avoid painful pinches or scalded fingers with our long-handled crab tongs. These 15" tongs safely remove crab from traps or cooking pots. And their black enamel finish resists corrosion.

NO. 231CT

Packed 1 each per polybag with header card, 12 per case. Approx. case wgt. 12 lbs.

Shrimp Deveiner

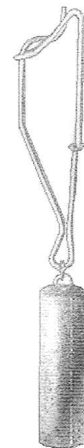

Peels and cleans raw shrimp and crawfish in seconds with one easy thrust. Peeled and deveined shrimp cook faster with less odor and taste better. Easy to use and dishwasher safe.

NO. SDEV

Packed 1 per blister card, 12 per inner box, 240 per case. Approx. case wgt. 27 lbs.

Crab Line Weight

Used with crab trap retrieval lines, this weight keeps the floating polyrope directly under the surface float and out of the way of boats. The 12 ounce weight is securely connected to the crab line 10 to 15 feet below the float by a unique easy on, easy off stainless steel snap.

NO. CLWGT

Packed 1 each with stick-on label, 12 per inner box, 48 per case. Approx. case wgt. 41 lbs.

Crab Trap Line

For crab fishermen using a star or ring type crab trap, this 48' crab line makes an excellent retrieval cord. Made out of twisted polyrope, it won't rot and resists marine growth.

NO. CL48

Packed 1 each per polybag with header card, 24 per inner box, 240 per case. Approx. case wgt. 72 lbs.

Lead Core Rope

Lead core rope is engineered for marine applications where trap and mooring lines must remain under water and out of the way of boat propellers. Available in 75', 300' and 600' center pull coils this 5/16" diameter, twisted poly lead core rope is in yellow with a dark blue tracer.

NO. LCR75

Packed 1 each 75' coil in a heavy-duty polybag with header card, 12 per inner box, 24 per case. Approx. case wgt. 51 lbs.

NO. LCR300

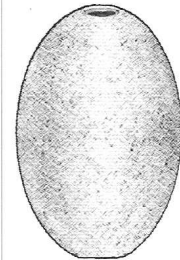

Packed 4 each 300' center pull coils per case. Approx. case wgt. 36 lbs.

NO. LCR600

Packed 2 each 600' center pull coils per case. Approx. case wgt. 36 lbs.

Rope Float

Featuring a 1" diameter center hole this oval-shaped, general purpose rope float measures 3-1/2" in diameter by 5" in length.

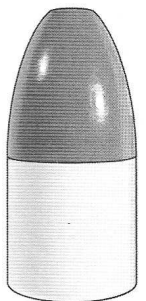

NO. RF5

Packed 1 each shrink-wrapped with label, 48 per case. Approx. case wgt. 10 lbs.

Red & White Crab Trap Float

Crabbers have no trouble locating their pots with these bright red and white floats. The high-density closed-cell foam design keeps crab lines afloat and works great as a boat moorage buoy or trot line marker. Each float measures 5-3/4" in diameter and 12-1/4" in length, with a centered 1" diameter hole for attaching the line.

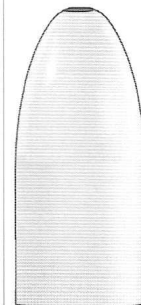

NO. CFRW

Packed 1 each with stick-on label, 24 per case. Approx. case wgt. 17 lbs.

Yellow Shrimp Trap Float

Designed for designation of shrimp pot locations these bright yellow floats work well in any situation where a buoy is required. Made of high-density closed cell foam each float measures 5-3/4" in diameter and 12-1/4" in length with a centered 1" hole for line attachment.

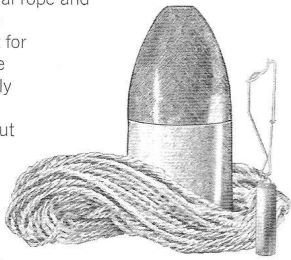

NO. SFY

Packed 1 each with stick-on label, 24 per case. Approx. case wgt. 17 lbs.

Crab Trap Float Set

Set includes red and white float for locating and identifying crab trap or ring. 50 feet of 1/4" poly retrieval rope and a line snap and weight for keeping the rope directly under the float and out of the way of boats.

NO. CTFS

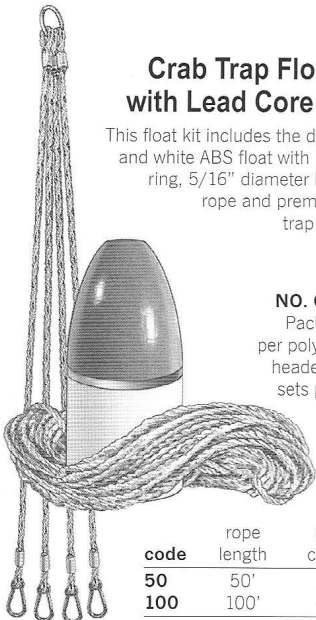

Packed 1 set per polybag with header card, 6 sets per case. Approx. case wgt. 35 lbs.

Crab Trap Float Set with Lead Core Rope

This float kit includes the deluxe red and white ABS float with luminous ring, 5/16" diameter lead core rope and premium crab trap harness.

NO. CTFLRH

Packed 1 set per polybag with header card, 6 sets per case.

code	rope length	approx. case wgt.
50	50'	31 lbs.
100	100'	45 lbs.

Deluxe Red & White Crab Trap Float

Crabbers have no trouble locating their pots with these bright red and white floats which have a luminous band for low light situations. The ABS design keeps crab lines afloat and works great as a trot line marker. Each float measures 5-1/2" in diameter and 12-1/4" in length, with a centered 1" diameter hole for attaching the line.

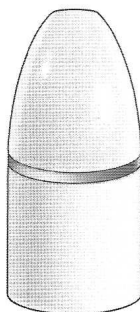

NO. CFDLX

Packed 1 each with stick-on label, 24 per case. Approx. case wgt. 27 lbs.

Deluxe Yellow Shrimp Trap Float

Designed to locate your shrimp pot these bright yellow floats work well in any situation where a buoy is required. Made of high-density foam with a ABS plastic outside shell these floats measure 5-1/2" in diameter and 12-1/4" in length with a centered 1" hole for line attachment. The luminous ring allows you to see your float in any light situation.

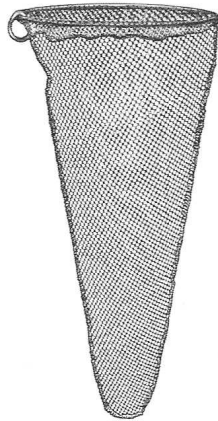

NO. SFDLX

Packed 1 each with stick-on label, 24 per case. Approx. case wgt. 17 lbs.

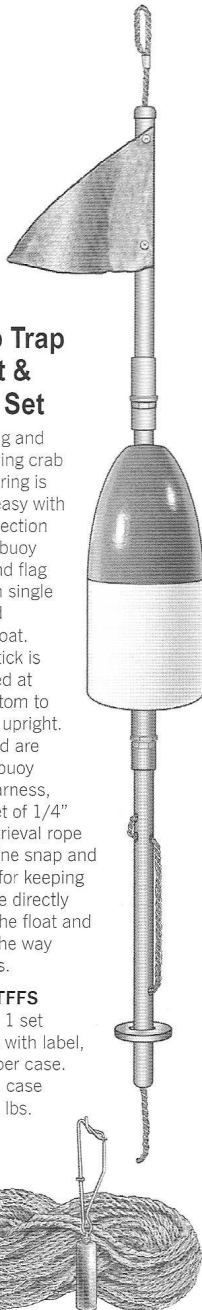

Clam Net

This unique clam net attaches to a belt, leaving hands free to gather your limit. It is made with a vinyl-coated steel ring and 21" deep nylon mesh netting.

NO. 157

Packed 1 each with hang tag, 25 per inner box, 100 per case. Approx. case wgt. 35 lbs.

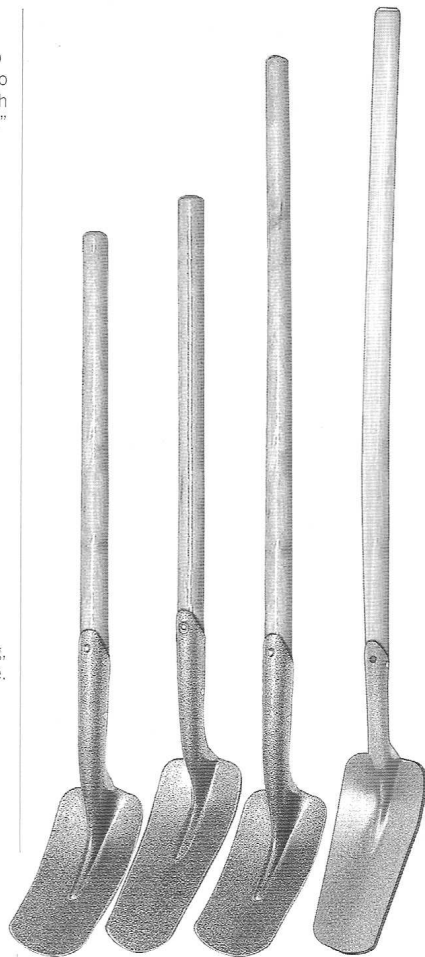

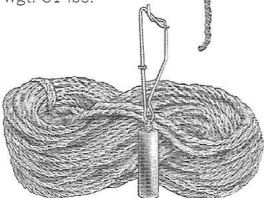

Crab Trap Float & Flag Set

Locating and identifying crab trap or ring is made easy with this 3-section plastic buoy stick and flag set with single red and white float. Buoy stick is weighted at the bottom to remain upright. Included are rigged buoy stick harness, 100 feet of 1/4" poly retrieval rope and a line snap and weight for keeping the rope directly under the float and out of the way of boats.

NO. CTFFS

Packed 1 set per box with label, 6 sets per case. Approx. case wgt. 31 lbs.

Clam Shovels

These exclusive shovels have been specifically engineered for clamming on sandy beaches. They feature forged steel blades and sockets, with premium grade hardwood handles for extra strength and durability. Specially angled blades give clam diggers extra leverage for better lift of heavy, wet sand.

NO. 269

Packed 1 each with stick-on label, 12 per bundle.

code	blade length	handle length	approx. case wgt.
9	9"	26"	27 lbs.
11	11"	26"	28 lbs.
941	9"	41"	35 lbs.
CS11LH	11"	41"	36 lbs.

Clam Rakes

Easy to transport and store with super strong, spring-loaded snaps to lock together the rake head and two sections of handle. Designed for digging, the 10 long sharp teeth and tough steel tube handle are enamel finished to resist corrosion. Available with or without basket.

NO. CRV (grate)

Packed 1 each with stick-on label, 3 per case. Approx. case wgt. 16 lbs.

NO. CRB (basket)

Packed 1 each with stick-on label, 3 per case. Approx. case wgt. 18 lbs.

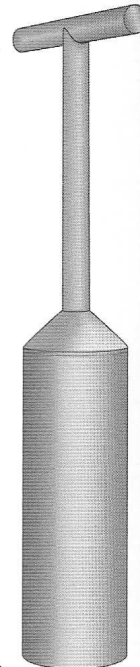

Painted Steel Clam Gun

Engineered for taking razor clams from sandy ocean beaches this enamel finished, welded steel clam gun is time tested and success proven. Measuring 31" in length it features a 5" x 15" barrel with 1-3/16" x 10" T-handle.

NO. 279T

Packed 1 each with stick-on label, 6 per case. Approx. case wgt. 29 lbs.

Anodized Aluminum Clam Gun

Ultra-light welded aluminum construction makes clamming less of a workout. Engineered for taking razor clams from sandy ocean beaches this corrosion resistant clam gun is time tested and success proven. Measuring 31" in length it features a 5" x 15" barrel with 1-3/16" x 10" T-handle.

NO. CGAA

Packed 1 each with stick-on label, 6 per case. Approx. case wgt. 18 lbs.

Stainless Steel Clam Gun

This durable and corrosion resistant stainless steel clam gun is engineered for taking razor clams from sandy ocean beaches. With time tested and success proven design it measures 31" in length and it features a 5" x 15" barrel with 1-3/16" x 10" T-handle.

NO. CGSS

Packed 1 each with stick-on label, 6 per case. Approx. case wgt. 31 lbs.
