# A HISTORY OF INNOVATION

For more than 50 years, Eskimo has been dedicated to the ice fisherman. Over those five decades, Eskimo has produced some of the most influential products on the market. That history of innovation is what has made Eskimo an ice fishing legend since 1960, and it is why Eskimo is synonymous with reliable and durable ice fishing gear.

This year, Eskimo continues that tradition of innovation with several new additions to its product line-up, along with new advancements on some of your favorite Eskimo gear. The new FatFish wide-bottom pop-up portable ice shelter has the most fishable area of any similar-sized shelter. The design was uniquely engineered to ensure that you have more room than ever in your shelter to find the perfect catch. Our time-tested Shark series of power ice augers now features an industry-first aluminum handle bar with a more ergonomic grip and added style.

Eskimo continues to lead the way in innovation when it comes to reliable and durable ice fishing gear--equipment that has proven itself out on the ice year after year. Whether it was the original pop-up portable QuickFish ice shelters, or the cold-weather Viper Engine--from past to present, Eskimo innovation continues to be the reason more ice fishermen choose Eskimo than any other brand.

**DURABILITY AND RELIABILITY COME  
STANDARD WITH EVERY ONE WE MAKE**

## **INDUSTRY-FIRST ALUMINUM HANDLE BAR**

Eskimo's aluminum handle bar is designed with 45 degree rubber-coated grips that allow ideal wrist motion when drilling a hole. The throttle control is canted in 45 degrees allowing comfortable control of the throttle and the ability to easily pull the auger out of the ice without accidentally revving the engine.

## **LONG-LASTING BALL BEARING TRANSMISSION**

The only ice auger line using sealed ball bearings instead of bushings.

## **DURABLE QUANTUM BLADES**

Quantum blades are designed to bring together the best features of shaving and chipping.

## **RELIABLE VIPER ENGINES**

Reliable cold-weather engines for more than eight years.

**POWER ICE AUGERS**

**NEW** INDUSTRY-FIRST ALUMINUM HANDLE BAR

**SHARK™  
Z71**

**THE MOST POWERFUL ICE AUGER IN THE WORLD**

The Shark Z71 is the most powerful ice auger in the world. It features a 71cc Viper two-cycle engine specially designed for ice augers. With high torque and RPM, you'll have a Viper engine that overpowers the competition, but remains easy to start and operate. From top to bottom, the Shark Z71 has the strength you need on the ice.

<b>SPECIFICATIONS</b>	<b>Z71Q10</b>
Engine RPM	8,000
Displacement	71.0 cc
Gear Ratio	25:1
Auger Diameter	10 in
Weight	34 lb
Warranty	2-year limited

**EASIER STARTING**  
The Shark Z71 features a decompression button for easier starting.

**QUANTUM BLADES**  
Every Shark comes ready to carve with sharp, durable Quantum blades.

**ERGONOMIC GRIPS**  
Our aluminum handle bar is designed to comfortably fit your hands.

**POWER ICE AUGERS**

**NEW**

**INDUSTRY-FIRST ALUMINUM HANDLE BAR**

**SHARK™  
Z51**

**A SIMPLY UNSTOPPABLE POWER ICE AUGER**

The Shark Z51 has a 51.7cc two-cycle engine that gives the strength expected of a Viper engine. The Z51 is feature-loaded: it includes a mitten-grip recoil and Eskimo's exclusive Quantum blades. It is quick and easy to control, so you'll spend less time drilling and more time fishing. Enjoy your angling adventure and rely on the proven power of the Shark Z51 ice auger.

<b>SPECIFICATIONS</b>	<b>Z51Q8,10</b>
Engine RPM	8,000
Displacement	51.7 cc
Gear Ratio	25:1
Auger Diameter	8 or 10 in
Weight	32 or 33 lb
Warranty	2-year limited

**AUGER DIAMETERS**  
The Shark Z51 is available with either an 8" auger or a 10" auger.

**PRECISION TRANSMISSION**  
The only ice auger line using sealed ball bearings instead of bushings.

**TOGGLE SWITCH**  
Our high-profile toggle switch makes it easy to turn your auger on and off.

**MAKO**  
**M43**

**STYLE AND PERFORMANCE**

The Mako offers many of the features found on high-end augers, but in a more economical package. With Eskimo's exclusive Quantum blades, the original cold-weather Viper engine, and features like a mitten-grip recoil rope, you'll have a cost-effective, easy-to-use ice auger that you'll come back to year after year.

<b>SPECIFICATIONS</b>	<b>M43Q8,10</b>
Engine RPM	8,000
Displacement	43.0 cc
Gear Ratio	30:1
Auger Diameter	8 or 10 in
Weight	32 or 34 lb
Warranty	2-year limited

**TOGGLE SWITCH**  
Turning your Mako on or off with mittens is easy with our high-profile toggle switch.

**AUGER DIAMETERS**  
The Mako is available with either an 8" auger or a 10" auger.

**FOAM-GRIP HANDLES**  
The Mako's comfortable handles are covered in foam to absorb vibration.

# POWER ICE AUGERS

## STINGRAY™ S33

### THE POWER OF ECONOMY

Eskimo's Stingray has all of the features you need in an ice auger while being easy on the wallet. It is rugged, dependable, has fast-cutting Quantum blades, and is powered by a reliable 33cc Viper engine that starts in the coldest of weather.

SPECIFICATIONS	S33Q8
Engine RPM	8,000
Displacement	33.0 cc
Gear Ratio	49:1
Auger Diameter	8 in
Weight	28 lb
Warranty	2-year limited

#### MITTEN-GRIP RECOIL

The Stingray comes with the same foam-grip handle bars and mitten-grip recoil as the Mako.

#### QUANTUM BLADES

The Stingray comes standard with the Quantum Blade System.

#### STEEL HANDLEBARS

Stingray's handlebars are made of hand-crafted welded steel.

Eskimo hand augers are a perfect travel companion for early- or late-season ice anglers. They are lightweight and effortlessly cut through the ice. TurboCut auger blades are curved for faster drilling. Standard hand ice auger blades are flat and designed for long life.

**TWO BLADE STYLES**  
TurboCut blades (left) are curved for speed, and Standard blades (right) are straight for long life.

**CROSSBOLT TAKE DOWN**  
Easily assemble and disassemble your hand auger with Eskimo's crossbolt fastener.

**POMMEL GRIP**  
Eskimo's hand auger pommel grip is designed to be grasped on top or on the side.

ICE FISHING SINCE 1960

**REDNECK  
ICE CHISELS**

**REDNECK  
CHISELS™**

**Long-lasting. Durable. Comfortable.** When it comes to Redneck Chisels, those words say it best. Our heavy-duty line of chisels has everything you need to effectively chip through the ice, from triple-blade technology to a foam-grip anti-vibration handle and tether rope. Rednecks are a rock-solid tool perfect for cutting out or reopening a hole early or late in the season. They're a must-have addition to your ice fishing gear.
