DESIGNED BY FISHERMEN FOR FISHERMEN

SEEKER SUPPORTS UNITED ANGLERS & SAC

American Series

The American Series is designed for the fisherman who's looking for real value in a quality American made rod.

We start with "E" Glass blanks and then carefully hand-craft each rod. In fact, we believe it's that attention to detail that's made the American Series our hottest selling new line.

FEATURES

The American Series is **double wrapped** in blue and white with a black trim. We use the finest resin system and "E" Glass fabrics to produce these outstanding rods.

Rods feature **Perfection Tip** stainless steel guide and tip tops.

Graphite reel seats with stainless steel fittings and Seeker hypalon grips.

Tuna Rods

Tuna rods feature Pac Bay graphite seats with aluminum hoods and graphite gimbals. Pac Bay roller tip top and roller stripper.
