

BLUEFEVER GLOVES

Introducing Bluefever Gloves. Designed and built by fishing enthusiasts who understand the need for high performance fishing gloves.

Each glove is made using the finest quality materials and craftsmanship and come in sizes through XX Large — so you're ensured of having the best fit. Bluefever Gloves will hold up to the rigors of the fishing environment while maintaining the desired "feel". All are made from synthetic materials and are machine washable.

Release Glove

Used for leadering fish, bill grabbing or handling anything slippery. Excellent tactility and dexterity. Fully machine washable. Mesh/Direct Injection palm increases grip without retaining water. With Clarino® in the high-wear areas to increase durability and vented foam backed mesh for cool comfort and added durability.

No. BFR-(M-XXL)*
Description Release Glove

Utility Glove

Used for lighter duty than it's big brother the Release. A great all around glove. Excellent tactility and dexterity. Machine washable. Chamude® palm adds durability. Vented foam backed mesh for cool comfort and added durability. Neoprene cuff adds support and a secure fit. This glove is the standard for all your angling needs.
