

37 lb. Pull Out Test Rating!

New micro FX guide features:

- Wide guide neck for increased strength and unsurpassed finish anchoring
- Bottom of foot has a moderate curve to accommodate placement of size 04 anywhere on the blank
- Specially designed foot creates superior finish anchoring, allowing the guide to hold up to today's rigorous tournament fishing conditions

*A little harder to wrap.
A lot harder to destroy.*

The micro top built the way you want!

New micro FX top features:

- High brace joint helps reduce line tangles
- 0.5mm brace thickness increases durability
- Brace braised to top of tube to reduce line hang-up
- Available in tube sizes up to 7.0 for larger applications
