

RodSmith Building Supplies QUAD & Single Rod Dryers

RDM-4

More Power...

Pac Bay's RodSmith product line now offers 2 drying options: Our classic RDM-1 Rod Dryer and the 4-station RDM-4 QUAD. RodSmith rod dryers allow you a hands free operation giving you more time to do what you do best....Making more custom rods.

Our dependable low RPM motors - RDM-4 QUAD at 6 RPM & RDM-1 at 9 RPM - will provide years of service and at prices that make either dryer a sure investment.
