## ENGLISH SURF

Great Britain, which has no space program, must channel all her frustration into surf casting. Over there baits are big, the fish lie far from shore, and English surf casters continue to dominate distance casting. Featuring level butt sections, zoned action tips and machined graphite spigot ferrules, the Cono-flex assortment ranges from conventional style surf cannons built for casts up to 600 feet—to sleek spin sticks that feel perfect for winging 3oz. ballistics.
